QuickBooks for Restaurants a Bookkeeping and Accounting Guide: A Must-Have QuickBooks Guide for Restaurant Owners and Operators Feb 22 2022 The Back Office Restaurant Accounting Guide You've Been Searching for! Restaurants are notorious for their low margins and even lower success rates. It's no surprise that restaurant owners and operators are usually stressed out. Many wonder if they can ever truly break the cycle of a runaway payroll or ever-increasing food and beverage costs. It's no surprise that it's sometimes easier to quit than to push through. However, I argue that with the right support and know-how, owners and operators can set up and successfully execute all of their back-office tasks. With the help of my guide, anyone can run the balanced-book restaurant of their dreams. QuickBooks for Restaurants - A Bookkeeping and Accounting Guide shows restaurant owners and operators how QuickBooks software can be leveraged for restaurant success. I explain QuickBooks fundamentals, including sales tracking, purchasing, bill paying, invoicing, managing day-to-day liabilities, gift certificate tracking, cash management, detailed reporting, and more. I also guide owners and operators through the process of accounting for sales, payroll, inventory and more. Ultimately, I show owners and operators how to create the accurate financials and reporting that will enable them to make better informed, data-driven decisions. Inside, learn: How to record daily sales and payroll entries How to understand and navigate the regular accounts payable cycle How to manage day-to-day liabilities How to conquer restaurant inventory How to generate and understand key restaurant reports ZACHARY WEINER is a full-time business consultant helping small- to medium-sized businesses achieve their financial and operational goals. QuickBooks for Churches and Other Religious Organizations Jun 16 2021 Bookkeeping for churches can be quite different than for-profit businesses, and the other guides available cover either QuickBooks or church accounting, not both. Lisa London, The Accountant Beside You, walks you through QuickBooks for your church from start to finish, always with examples, terminology, and

understanding of what a busy church administrator needs to know in a clear, concise style. With her friendly easy-to-understand style and illustrative screenshots, Lisa guides new QuickBooks users every step of the way, while her tips for how to make QuickBooks work better for churches provides new insight and procedures for even the experienced bookkeeper. Not only does she step you through how to set up QuickBooks and utilize it more efficiently for your house of worship, but she also discusses everything you need to know to implement controls and procedures to ensure that your church's money is always protected. QuickBooks for Churches covers PC versions of QuickBooks from 2012 forward and even includes what's new in the 2014 version. Lisa offers sound accounting procedures for both large and small houses of worship, for bookkeepers with years of experience as well as those just starting out. Let The Accountant Beside You take one more worry off your crowded to-do list.
