*The Complete Photo Guide to Perfect Fitting* Nov 02 2020 *The Complete Photo Guide to Perfect Fitting* is the ultimate reference for fitting test garments and transferring accurate adjustments to patterns. No matter what size or shape you are, wearing garments that fit perfectly makes you look and feel better. Rather than making commonly accepted changes to a commercial pattern, the method presented in this guide focuses on the way a test garment fits the body. The fabric is manipulated to improve the fit, and then those specific changes are made to the pattern. The result: patterns that fit perfectly! With *The Complete Photo Guide to Perfect Fitting*, you'll learn: The importance of a fitting axis and how to use it during a fitting How to recognize fitting issues, such as drag lines

and folds How to manipulate fabric to solve common and unusual fitting problems How to transfer the fitting changes to your pattern easily Basic pattern-making skills to ensure accurate alterations See the fitting process from start to finish on basic garments, fitted on real people. Then follow fitting solutions on different body types. Hundreds of large color photos illustrate the techniques and concepts in simple step-by-step instructions. With these lessons, you will get the perfect fit for any body.

**Gertie's New Book for Better Sewing:** Nov 14 2021 Presents lessons on sewing and customization techniques that can be used to create and enhance a vintage wardrobe, covering such topics as sizing, prepping, tailoring, patternmaking, and fitting.

Vintage Couture Tailoring May 28 2020 Traditional tailoring is a fascinating craft, which has not changed for many centuries, however, the techniques are now known only by a few practising in the best couture ateliers and bespoke tailor's workrooms. Nothing feels quite so luxurious or sophisticated as bespoke clothes, but the tailoring skills they require are often seen to be shrouded in mystery and the clothes therefore only accessible to the rich and famous. This practical book

reveals the trade secrets of couture tailoring and brings vintage couture tailoring within the reach of all. With step-by-step photographs and professional tips throughout, it shows how a ladies' jacket is made and thereby introduces a range of fundamental tailoring techniques. These can be used for garments for either gender, as well as other sewing projects: moulding fabric to shape with the iron; employing loose interfacings; hollow shoulder construction; pad stitching canvas; interlining and weighting hems; making tailored and bound buttonholes;.... and many more forgotten techniques. Written by a tailor of international repute, Vintage Couture Tailoring is dedicated to all who appreciate the highest standard of craftsmanship, and who like using their eyes and hands to produce beautiful garments. Vintage couture tailoring is practised by only a few establishments around the world today and this practical book reveals the trade secrets of couture tailoring. An invaluable guide for professionals wishing to further their skills, and for enthusiasts with an interest in traditional tailoring. Shows how to make a ladies' jacket from preparation through to assembly and reveals the exquisite finishing details that are the hallmark of couture tailoring. Superbly illustrated with 417 colour step-by-step photographs. Thomas von Nordheim is a tailor of international repute.
