[Break Through Roadblocks](#) Sep 09 2020 Do you have a dream that you're struggling to make a reality? Let me help you make shit happen! I have been working as an intuitive tarot reader and career for over five years. I am a successful entrepreneur and the founder of a mental health nonprofit organization called Stigma Fighters. I have built my career from virtually nothing and now I am the author of 11 books, have been featured in The New York Times and The Washington Post. I have written for Psychology Today, The Atlantic, McSweeney's and The Huffington Post. I want big things for you. Read this book and find out how to change your life by modifying your mindset. I will guide you every step of the way!

[The Secret](#) Dec 13 2020 The tenth-anniversary edition of the book that changed lives in profound ways, now with a new foreword and afterword. In 2006, a groundbreaking feature-length film revealed the great mystery of the universe—The Secret—and, later that year, Rhonda Byrne followed with a book that became a worldwide bestseller. Fragments of a Great Secret have been found in the oral traditions, in literature, in religions and philosophies throughout the centuries. For the first time, all the pieces of The Secret come together in an incredible revelation that will be life-transforming for all who experience it. In this book, you'll learn how to use The Secret in every aspect of your life—money, health, relationships, happiness, and in every interaction you have in the world. You'll begin to understand the hidden, untapped power that's within you, and this revelation can bring joy to every aspect of your life. The Secret contains wisdom from modern-day teachers—men and women who have used it to achieve health, wealth, and happiness. By applying the knowledge of The Secret, they bring to light compelling stories of eradicating disease, acquiring massive wealth, overcoming obstacles, and achieving what many would regard as impossible.

[How to Make Sh*t Happen](#) Nov 04 2022 Is your daily life chaotic and out of control? Do you struggle with work/life balance? Does it feel like there are never enough hours in the day to accomplish all your goals? Does it feel like no matter how hard you try it's never good enough? Are you looking for a simple yet executable roadmap to create the life you've always desired? If you answered "yes" to any of these questions, then you need...HOW TO MAKE SH*T HAPPEN."Core 4 has brought order to chaos. Every time I veer off from it, the shit storms appear" - Ed Eisenbeck "CORE 4 has opened up my mind more than anything I have done in my life. It has shown me that I control my time, my relationships, my body, business, and altogether my life. I'm no longer just along for the ride. In any aspect of life." - Bryan Hooley

Shit Happens May 30 2022 Disasters affect us all. It doesn't matter if it's a natural disaster that forces your family to evacuate on a moment's notice or your home is flooded or destroyed. It could be a personal disaster like death, divorce, or health. It could even be any number of little things that go wrong in our lives on a daily basis; a flat tire, a broken pipe, or a broken light-switch that can create chaos in your life. Disasters are all around us. How well we are prepared for them influences our ability to get through them. Do you have a disaster plan? If you don't, why not? What's stopping you from creating a plan to protect not only you, but, those you love the most? Do you know where to start? Could you collect your important papers on a moment's notice? Does your family know where to find important papers and information? Do you have a list of computer accounts and passwords for your loved ones if you were no longer here? Shit Happens will guide you step-by-step through the disaster planning process. You will work with your lawyer, accountant, financial planner, insurance agent, and funeral planner. You will gather and assemble all the pieces of your plan in your comprehensive "ICE" (in case of emergency) file and store your information securely. You will prepare for many emergencies by putting together your family disaster kit and checklist. Your family will know where to meet and what to do if separated during an emergency. You will create and share your plan with your loved ones. Planning for life's disasters is empowering. It will provide you with great peace of mind knowing you are prepared and your family will be safe and taken care of. Shit Happens is the blueprint to insure you will not only survive the disaster but you and your family will go on to thrive.

[Greenlights](#) Feb 01 2020 From the Academy Award-winning actor, an unconventional memoir filled with raucous stories, outlaw wisdom, and lessons learned the hard way about living with greater satisfaction. I've been in this life for fifty years, been trying to work out its riddle for forty-two, and been keeping diaries of clues to that riddle for the last thirty-five. Notes about successes and failures, joys and sorrows, things that made me marvel, and things that made me laugh out loud. How to be fair. How to have less stress. How to have fun. How to hurt people less. How to get hurt less. How to be a good man. How to have meaning in life. How to be more me. Recently, I worked up the courage to sit down with those diaries. I found stories I experienced, lessons I learned and forgot, poems, prayers, prescriptions, beliefs about what matters, some great photographs, and a whole bunch of bumper stickers. I found a reliable theme, an approach to living that gave me more satisfaction, at the time, and still: If you know how, and when, to deal with life's challenges - how to get relative with the inevitable - you can enjoy a state of success I call 'catching greenlights.' So I took a one-way ticket to the desert and wrote this book: an album, a record, a

story of my life so far. This is fifty years of my sights and seens, felts and figured-outs, cools and shamefuls. Graces, truths, and beauties of brutality. Getting away withs, getting caughts, and getting wets while trying to dance between the raindrops. Hopefully, it's medicine that tastes good, a couple of aspirin instead of the infirmery, a spaceship to Mars without needing your pilot's license, going to church without having to be born again, and laughing through the tears. It's a love letter. To life. It's also a guide to catching more greenlights-and to realising that the yellows and reds eventually turn green too. Good luck.

More Tequila, Please! Nov 23 2021 This is the Straight-Shot, No-Chaser, Life-Changing Truth You've Been Waiting For! You Deserve More Tequila, Please! You're ready to stop making excuses, own your shit, and create your best life, right? Using her unique Unbecome process, as shared on the Tedx stage, Coach P takes you through the steps you can use to surrender, do the work, and live a deliciously abundant life.

Shit Happens So Get Over It Apr 28 2022 Good advice for tough times "To succeed in life, you need three things: a wishbone, a backbone and a funny bone." —Reba McEntire "You can't be brave if you've only had wonderful things happen to you." —Mary Tyler Moore "Sometimes you just have to pee in the sink." —Charles Bukowski "Don't go around saying the world owes you a living. The world owes you nothing. It was here first." —Mark Twain "Anyone who trades liberty for security deserves neither." —Benjamin Franklin "When your dreams turn to dust, vacuum." —Desmond Tutu Ever had one of those days when nothing seems to go your way? Poor little you. Now deal with it! Life is too short to spend moping around when instead you could be taking things with a pinch of salt—and a shot of tequila. Here's a book packed with straight-talking quotations to help you get a grip and find the brighter side.

Get Your Sh*t Together Jun 30 2022 The New York Times bestseller from the author of *The Life-Changing Magic of Not Giving a F*ck* and *You Do You*. The no-f*cks-given, no-holds-barred guide to living your best life. Ever find yourself stuck at the office-or even just glued to the couch -- when you really want to get out (for once), get to the gym (at last), and get started on that "someday" project you're always putting off? It's time to get your sh*t together. In *The Life-Changing Magic of Not Giving a F*ck*, "anti-guru" Sarah Knight introduced readers to the joys of mental decluttering. This book takes you one step further -- organizing the f*cks you want and need to give, and cutting through the bullsh*t cycle of self-sabotage to get happy and stay that way. You'll discover: The Power of Negative Thinking Three simple tools for getting your sh*t together How to spend less and save more Ways to manage anxiety, avoid avoidance, and conquer your fear of failure And tons of other awesome sh*t! Praise for Sarah Knight: "Genius." -- Cosmopolitan "Self-help to swear by." -- The Boston Globe "Hilarious... truly practical." -- Booklist

How To Eat A Shit Sandwich... and Keep Smiling Jul 08 2020 How do you make a shit sandwich palatable? You may think it's impossible but if you surround it with light, love and laughter, you can get it down. It is the only way to eat one. There is no escaping one of life's truisms - shit happens. Doesn't matter who you are, where you are from, we've all had to deal with our share of shit. The only difference between you and Annette Densham, is she decided to share her shit in a memoir. Is she famous? Ah ah! Is she an intellectual giant? She is smart but nothing extraordinary. Is she popular? Only in her own lunch time. But she does have a lot to say. You dear reader, get to follow the bouncing ball of her life as she shares the gut wrenching lows and moments of hilarity. *How To Eat A Shit Sandwich & Keep Smiling* may sound messy and yucky, and in some parts it is. Annette takes a trip down memory lane - exploring key events in her childhood and adolescence. Written in the voice of the age she was at the time, some parts will make you cringe and blood boil as she shares stories of abandonment, bullying, sexual abuse, and domestic violence, will others will remind you life is what we make of it. You can eat a shit sandwich and still find joy and happiness. Some people call it resilience and grit, Annette calls it getting on with life.

The Girl Who Could Move Sh*t with Her Mind Dec 01 2019 Full of imagination, wit, and random sh*t flying through the air, this insane adventure from an irreverent new voice will blow your tiny mind. For Teagan Frost, sh*t just got real. Teagan Frost is having a hard time keeping it together. Sure, she's got telekinetic powers -- a skill that the government is all too happy to make use of, sending her on secret break-in missions that no ordinary human could carry out. But all she really wants to do is kick back, have a beer, and pretend she's normal for once. But then a body turns up at the site of her last job -- murdered in a way that only someone like Teagan could have pulled off. She's got 24 hours to clear her name - and it's not just her life at stake. If she can't unravel the conspiracy in time, her hometown of Los Angeles will be in the crosshairs of an underground battle that's on the brink of exploding . . .

UNSCRIPTED Oct 30 2019 What if Life Wasn't About 50 Years of Wage-Slavery, Paying Bills and then Dying? Tired of sleepwalking through a mediocre life bribed by mindless video-gaming, redemptive weekends, and a scant paycheck from a soul-suffocating job? Welcome to the SCRIPTED club— where membership is neither perceived or consented. The fact is, ever since you've been old enough to sit obediently in a classroom, you have been culturally engineered for servitude, unwittingly enslaved into a Machiavellian system where illusionary rules go unchallenged, sanctified traditions go unquestioned, and lifelong dreams go unfulfilled. As a result, your life is hijacked and marginalised into debt, despair, and dependence. Life's death sentence becomes the daily course of the trivial and mundane. Fun fades. Dreams die. Don't let life's consolation prize become a car and a weekend. Recapture what is yours and make a revolutionary repossession of life-and-liberty through the pursuit of entrepreneurship. A paradigm shift isn't needed—the damn paradigm needs to be thrown-out altogether. The truth is, if you blindly follow conventional wisdom pushed by conventional people living conventional lives, can you expect to be anything but conventional? Rewrite life's script: ditch the job, give Wall Street the bird, and escape the insanity of trading your life away for a paycheck and an elderly promise called retirement. UNSCRIPT today and start leading life— instead of life leading you.

The Book of Two Ways Mar 28 2022 #1 NEW YORK TIMES BESTSELLER • From the author of *Small Great Things* and *A Spark of Light* comes a "powerful" (The Washington Post) novel about the choices that alter the course of our lives. NAMED ONE OF THE BEST BOOKS OF THE YEAR BY MARIE CLAIRE Everything changes in a single moment for Dawn Edelstein. She's on a plane when the flight attendant makes an announcement: Prepare for a crash landing. She braces herself as thoughts flash through her mind. The shocking thing is, the thoughts are not of her husband but of a man she last saw fifteen years ago: Wyatt Armstrong. Dawn, miraculously, survives the crash, but so do all the doubts that have suddenly been raised. She has led a good life. Back in Boston, there is her husband, Brian, their beloved daughter, and her work as a death doula, in which she helps ease the transition between life and death for her clients. But somewhere in Egypt is Wyatt Armstrong, who works as an archaeologist unearthing ancient burial sites, a career Dawn once studied for but was forced to abandon when life suddenly intervened. And now, when it seems that fate is offering her second chances, she is not as sure of the choice she once made. After the crash landing, the airline ensures that the survivors are seen by a doctor, then offers transportation to wherever they want to go. The obvious destination is to fly home, but she could take another path: return to the archaeological site she left years before, reconnect with Wyatt and their unresolved history, and maybe even complete her research on *The Book of Two Ways*—the first known map of the afterlife. As the story unfolds, Dawn's two possible futures unspool side by side, as do the secrets and doubts long buried with them. Dawn must confront the questions she's never truly asked: What does a life well lived look like? When we leave this earth, what do we leave behind? Do we make choices . . . or do our choices make us? And who would you be if you hadn't turned out to be the person you are right now?

Stuff Happens Nov 11 2020 This book is about coincidents that have happened in my life that affected the American public, from cities being changed forever once we left to important buildings being raised. These are just a few incidents that can be remembered. Sayings such as "rip off" or "under the bus" are identified and repeated often publicly. Somehow, songs of the fifties could be traced to my experiences.

The Subtle Art of Not Giving a F*ck Aug 09 2020 #1 New York Times Bestseller Over 10 million copies sold In this generation-defining self-help guide, a superstar blogger cuts through the crap to show us how to stop trying to be "positive" all the time so that we can truly become better, happier people. For decades, we've been told that positive thinking is the key to a happy, rich life. "F**k positivity," Mark Manson says. "Let's be honest, shit is f**ked and we have to live with it." In his wildly popular Internet blog, Manson doesn't sugarcoat or equivocate. He tells it like it is—a dose of raw, refreshing, honest truth that is sorely lacking today. *The Subtle Art of Not Giving a F**k* is his antidote to the coddling, let's-all-feel-good mindset that has infected American society and spoiled a generation, rewarding them with gold medals just for showing up. Manson makes the argument, backed both by academic research and well-timed poop jokes, that improving our lives hinges not on our ability to turn lemons into lemonade, but on learning to stomach lemons better. Human beings are flawed and limited—"not everybody can be extraordinary, there are winners and losers in society, and some of it is not fair or your fault." Manson advises us to get to know our limitations and accept them. Once we embrace our fears, faults, and uncertainties, once we stop running and avoiding and start confronting painful truths, we can begin to find the courage, perseverance, honesty, responsibility, curiosity, and forgiveness we seek. There are only so many things we

can give a f**k about so we need to figure out which ones really matter, Manson makes clear. While money is nice, caring about what you do with your life is better, because true wealth is about experience. A much-needed grab-you-by-the-shoulders-and-look-you-in-the-eye moment of real-talk, filled with entertaining stories and profane, ruthless humor, *The Subtle Art of Not Giving a F**k* is a refreshing slap for a generation to help them lead contented, grounded lives.

Because Shit Happened May 06 2020 On a fateful winter day, Amol Sabharwal, co-founder of one of the most ambitious start-up ventures in the country, yourquote.in, decides to quit. What makes Amol quit his own business venture just when it is on the brink of raising its first round of funding? Harsh Snehanshu, bestselling author of *Oops! I Fell in Love!* gives us an insider's peek into the big, bad entrepreneurial world of fame, betrayal, lust for power, greed, and unethical business practices. Based on the real-life story of the start-up that the author co-founded in 2010, *Because Shit Happened* will tell you what NOT to do in a start-up.

How to Stop Feeling Like Sh*t Aug 28 2019 For everyone who loved *You Are a Badass* and *The Subtle Art of Not Giving a F*ck* -- a cut-through-the-crap guide to quitting the self-destructive habits that undermine happiness and success *How to Stop Feeling Like Sh*t* is a straight-shooting approach to self-improvement for women, one that offers no-crap truth-telling about the most common self-destructive behaviors women tend to engage in. From listening to the imposter complex and bitchy inner critic to catastrophizing and people-pleasing, Andrea Owen -- a nationally sought-after life coach -- crystallizes what's behind these invisible, undermining habits. With each chapter, she kicks women's gears out of autopilot and empowers them to create happier, more fulfilling lives. Powerfully on-the-mark, the chapters are short and digestible, nicely bypassing weighty examinations in favor of punch-points of awareness.

The Art of Making Sh!t Up Jul 28 2019 Work together to up your chances of business success *The Art of Making Sh!t Up* combines the lessons learned from a personal journey with the teachings derived from years of honing valuable skills through performing and presenting to thousands of people to demonstrate how working together has helped others found and grow several multimillion-dollar companies. By focusing on topics that serve as pain points and detailing the tools and techniques of improv, this book helps people and organizations utilize new skill sets to be more productive, more accepting, and more "all in" to create a stronger teamate and team. Remove the fear of failure Recognize when and how to trust your instincts Celebrate and embrace the ideas of others Listen effectively—to both people and your environment Thinking is hard. Listening is easy—and is most often the springboard to huge ideas. Find out how it can work for you with *The Art of Making Sh!t Up*.

When Life Happened Jun 06 2020 Parker Cruse despises cheaters. It might have something to do with her boyfriend sleeping with her twin sister. After a wedding day prank involving a strong laxative, that ends the already severed relationship between the twins, Parker decides to grow up and act twenty-six. Step One: Move out of her parents' house. Step Two: Find a job. Opportunity strikes when she meets her new neighbor, Gus Westman. He's an electrician with Iowa farm-boy values and a gift for saying her name like it's a dirty word. He also has a wife. Sabrina Westman, head of a successful engineering firm, hires Parker as her personal assistant. Driven to be the best assistant ever, Parker vows to stay focused, walk the dog, go to the dry cleaners, and not kiss Gus-again. Step Three: Don't judge. Step Four: Remember- when life happens, it does it in a heartbeat.

Snow Crash Apr 04 2020 The "brilliantly realized" (*The New York Times Book Review*) breakthrough novel from visionary author Neal Stephenson, a modern classic that predicted the metaverse and inspired generations of Silicon Valley innovators Hiro lives in a Los Angeles where franchises line the freeway as far as the eye can see. The only relief from the sea of logos is within the autonomous city-states, where law-abiding citizens don't dare leave their mansions. Hiro delivers pizza to the mansions for a living, defending his pies from marauders when necessary with a matched set of samurai swords. His home is a shared 20 X 30 U-Stor-It. He spends most of his time goggled in to the Metaverse, where his avatar is legendary. But in the club known as *The Black Sun*, his fellow hackers are being felled by a weird new drug called *Snow Crash* that reduces them to nothing more than a jittering cloud of bad digital karma (and IRL, a vegetative state). Investigating the Infocalypse leads Hiro all the way back to the beginning of language itself, with roots in an ancient Sumerian priesthood. He'll be joined by Y.T., a fearless teenaged skateboard courier. Together, they must race to stop a shadowy virtual villain hell-bent on world domination.

The Third Door Oct 11 2020 FORBES #1 CAREER BOOK TO READ IN 2018 The larger-than-life journey of an 18-year-old college freshman who set out from his dorm room to track down Bill Gates, Lady Gaga, and dozens more of the world's most successful people to uncover how they broke through and launched their careers. *The Third Door* takes readers on an unprecedented adventure—from hacking Warren Buffett's shareholders meeting to chasing Larry King through a grocery store to celebrating in a nightclub with Lady Gaga—as Alex Banayan travels from icon to icon, decoding their success. After remarkable one-on-one interviews with Bill Gates, Maya Angelou, Steve Wozniak, Jane Goodall, Larry King, Jessica Alba, Pitbull, Tim Ferriss, Quincy Jones, and many more, Alex discovered the one key they have in common: they all took the Third Door. Life, business, success... it's just like a nightclub. There are always three ways in. There's the First Door: the main entrance, where ninety-nine percent of people wait in line, hoping to get in. The Second Door: the VIP entrance, where the billionaires and celebrities slip through. But what no one tells you is that there is always, always... the Third Door. It's the entrance where you have to jump out of line, run down the alley, bang on the door a hundred times, climb over the dumpster, crack open the window, sneak through the kitchen—there's always a way in. Whether it's how Bill Gates sold his first piece of software or how Steven Spielberg became the youngest studio director in Hollywood history, they all took the Third Door.

I Can't Make This Up Oct 23 2021 New York Times bestselling author, superstar comedian, and Hollywood box office star Kevin Hart turns his immense talent to the written word by writing some words. Some of those words include: the, a, for, above, and even even. Put them together and you have a "hilarious but also heartfelt" (Elle) memoir on survival, success, and the importance of believing in yourself. The question you're probably asking yourself right now is: What does Kevin Hart have that a book also has? According to the three people who have seen Kevin Hart and a book in the same room, the answer is clear: A book is compact. Kevin Hart is compact. A book has a spine that holds it together. Kevin Hart has a spine that holds him together. A book has a beginning. Kevin Hart's life uniquely qualifies him to write this book by also having a beginning. It begins in North Philadelphia. He was born an accident, unwanted by his parents. His father was a drug addict who was in and out of jail. His brother was a crack dealer and petty thief. And his mother was overwhelmingly strict, beating him with belts, frying pans, and his own toys. The odds, in short, were stacked against our young hero. But Kevin Hart, like Ernest Hemingway, J.K. Rowling, and Chocolate Droppa before him, was able to defy the odds and turn it around. In his literary debut, he takes us on a journey through what his life was, what it is today, and how he's overcome each challenge to become the man he is today. And that man happens to be the biggest comedian in the world, with tours that sell out football stadiums and films that have collectively grossed over \$3.5 billion. He achieved this not just through hard work, determination, and talent. "Hart is an incredibly magnetic storyteller, on the page as he is onstage, and that's what shines through [in this] genial, entertaining guide to a life in comedy" (Kirkus Reviews).

The Way You Make Me Feel Feb 12 2021 An NPR Best Book of 2018 A Boston Globe Best Children's Book of 2018 A We Need Diverse Books 2018 Must-Read A TAYSHAS 2019 Reading List Book From the author of *I Believe in a Thing Called Love*, a laugh-out-loud story of love, new friendships, and one unique food truck. Clara Shin lives for pranks and disruption. When she takes one joke too far, her dad sentences her to a summer working on his food truck, the KoBra, alongside her uptight classmate Rose Carver. Not the carefree summer Clara had imagined. But maybe Rose isn't so bad. Maybe the boy named Hamlet (yes, Hamlet) crushing on her is pretty cute. Maybe Clara actually feels invested in her dad's business. What if taking this summer seriously means that Clara has to leave her old self behind? With Maureen Goo's signature warmth and humor, *The Way You Make Me Feel* is a relatable story of falling in love and finding yourself in the places you'd never thought to look.

Let's Pretend This Never Happened Aug 01 2022 The #1 New York Times bestselling (mostly true) memoir from the hilarious author of *Furiously Happy*. "Gaspingly funny and wonderfully inappropriate."—O, The Oprah Magazine When Jenny Lawson was little, all she ever wanted was to fit in. That dream was cut short by her fantastically unbalanced father and a morbidly eccentric childhood. It did, however, open up an opportunity for Lawson to find the humor in the strange shame-spiral that is her life, and we are all the better for it. In the irreverent *Let's Pretend This Never Happened*, Lawson's long-suffering husband and sweet daughter help her uncover the surprising discovery that the most terribly human moments—the ones we want to pretend never happened—are the very same moments that make us the people we are today. For every intellectual misfit who thought they were the only ones to think the things that Lawson dares to say out loud, this is a poignant and hysterical look at the dark, disturbing, yet wonderful moments of our lives. Readers Guide Inside

Shit Happens Get Over It Mar 04 2020 'Some days you're the bug. Some days you're the windshield.' Price Cobb GOOD ADVICE FOR BAD TIMES. So what if you've just wrapped your new car round a lamp post, emailed your 'personal' snaps to the entire company by mistake or delivered a eulogy with your flies undone: shit happens - get over it! Here is a book packed with quotations to help you to get a grip and see the funny side.

White Teeth Jun 26 2019 NATIONAL BESTSELLER • Set against London's racial and cultural tapestry, venturing across the former empire and into the past as it barrels toward the future, *White Teeth* revels in the ecstatic hodgepodge of modern life, flirting with disaster, confounding expectations, and embracing the comedy of daily existence. Zadie Smith's dazzling debut caught critics grasping for comparisons and deciding on everyone from Charles Dickens to Salman Rushdie to John Irving and Martin Amis. But the truth is that Zadie Smith's voice is remarkably, fluently, and altogether wonderfully her own. At the center of this invigorating novel are two unlikely friends, Archie Jones and Samad Iqbal. Hapless veterans of World War II, Archie and Samad and their families become agents of England's irrevocable transformation. A second marriage to Clara Bowden, a beautiful, albeit tooth-challenged, Jamaican half his age, quite literally gives Archie a second lease on life, and produces Irie, a knowing child whose personality doesn't quite match her name (Jamaican for "no problem"). Samad's late-in-life arranged marriage (he had to wait for his bride to be born), produces twin sons whose separate paths confound Iqbal's every effort to direct them, and a renewed, if selective, submission to his Islamic faith.

Not Wishing, Not Hoping, This Year I'm Making Shit Happen! Oct 03 2022 This New Years Resolution Journal is a perfect goal setting weekly action planner which is designed for those who are ready for change and to take their life to the next level through a strategic planning system. You got this!

Poop Happened! Feb 24 2022 Did lead pipes cause the fall of the Roman Empire? How many toilets were in the average Egyptian pyramid? How did a knight wearing fifty pounds of armor go to the bathroom? Was poor hygiene the last straw before the French Revolution? Did Thomas Crapper really invent the modern toilet? How do astronauts go in space? History finally comes out of the water-closet in this exploration of how people's need to relieve themselves shaped human development from ancient times to the present. Throughout time, the most successful civilizations were the ones who realized that everyone poops, and they had better figure out how to get rid of it! From the world's first flushing toilet invented by ancient Minoan plumbers to castle moats in the middle ages that used more than just water to repel enemies, Sarah Albee traces human civilization using one revolting yet fascinating theme. A blend of historical photos and humorous illustrations bring the answers to these questions and more to life, plus extra-gross sidebar information adds to the potty humor. This is bathroom reading kids, teachers, librarians, and parents won't be able to put down!

Quit Slackin' and Make Shit Happen Jan 26 2022 Stop procrastinating and get stuff done! This fun and stylish paperback notebook will help you stay focused and on task. This to-do list notebook will help you keep your day organized and keep up with your daily errands. This journal features a blank to-do checklist, a section for listing your top priorities for the day. Also includes sections to jot down notes, plan your meals for the day and keep track of your daily water intake. The opposite page features lined journaling pages for jotting down your daily thoughts and dreams.

Doom Mar 16 2021 "All disasters are in some sense man-made." Setting the annus horribilis of 2020 in historical perspective, Niall Ferguson explains why we are getting worse, not better, at handling disasters. Disasters are inherently hard to predict. Pandemics, like earthquakes, wildfires, financial crises, and wars, are not normally distributed; there is no cycle of history to help us anticipate the next catastrophe. But when disaster strikes, we ought to be better prepared than the Romans were when Vesuvius erupted, or medieval Italians when the Black Death struck. We have science on our side, after all. Yet in 2020 the responses of many developed countries, including the United States, to a new virus from China were badly bungled. Why? Why did only a few Asian countries learn the right lessons from SARS and MERS? While populist leaders certainly performed poorly in the face of the COVID-19 pandemic, Niall Ferguson argues that more profound pathologies were at work--pathologies already visible in our responses to earlier disasters. In books going back nearly twenty years, including *Colossus*, *The Great Degeneration*, and *The Square and the Tower*, Ferguson has studied the foibles of modern America, from imperial hubris to bureaucratic sclerosis and online fragmentation. Drawing from multiple disciplines, including economics, cliodynamics, and network science, *Doom* offers not just a history but a general theory of disasters, showing why our ever more bureaucratic and complex systems are getting worse at handling them. *Doom* is the lesson of history that this country--indeed the West as a whole--urgently needs to learn, if we want to handle the next crisis better, and to avoid the ultimate doom of irreversible decline.

Dream First, Details Later Apr 16 2021 "Ellen Bennett is the platonic form of a go-getter who inspires go-getter after go-getter to become a better go-getter."—Zooey Deschanel, actor and musician You'll never know where to start...until you start. This gutsy guidebook will help anyone who's procrastinating on a goal, career change, or business idea stop the obsessive worrying and leap into action. As a 24-year-old line cook, Ellen Marie Bennett couldn't stand the kitchen staff's poorly designed, cheaply made aprons. So when her head chef announced he was ordering a new batch, she blurted out, "Chef, I have an apron company"—even though she had no company, no business plan—just a glimmer of a design idea and a business license. Through hustle and a willingness to leap into the unknown, time and time again, she built that first order into a multi-million-dollar company called Hedley & Bennett, making aprons and kitchen gear worn by many of the world's best chefs and home cooks everywhere. *Dream First, Details Later* shares Ellen's journey and her forged-in-the-fire personal playbook for starting before you stop yourself. If you've ever imagined doing something and immediately thought, "that's impossible," or "I wouldn't even know where to start," or "I'm not qualified to do that," in these pages, you'll learn how to shove aside your inner worrier and launch into action. This honest and bold illustrated book will be like having Ellen—your personal hype woman—there with you, all the while yelling, "Don't stop! You got this!" She'll share hard-won advice on: • Squashing doubts and reservations about venturing outside your comfort zone. (These doubts masquerade as rational, but they're more likely coming from a place of fear.) • Saying screw it to the perfect plan and using creative problem-solving—and heart and guts—to conquer the shit storms as they come. • Eventually transitioning from the "flying by the seat of your pants" stage to the "well-oiled machine" stage. You don't need to have all the answers to make your dream a reality. You just need to start before you're ready.

Didn't Nobody Give a Shit What Happened to Carlotta May 18 2021 In this "razor-sharp" and "dangerously hilarious" novel that "hooks readers from the beginning" (Los Angeles Times), a trans woman reenters life on the outside after more than twenty years in a men's prison, over one consequential Fourth of July weekend—from the author of the PEN/Faulkner Award winner *Delicious Foods*. Carlotta Mercedes has been misunderstood her entire life. When she was pulled into a robbery gone wrong, she still went by the name she'd grown up with in Fort Greene, Brooklyn—before it gentrified. But not long after her conviction, she took the name Carlotta and began to live as a woman, an embrace of selfhood that prison authorities rejected, keeping Carlotta trapped in an all-male cell block, abused by both inmates and guards, and often placed in solitary. In her fifth appearance before the parole board, Carlotta is at last granted conditional freedom and returns to a much-changed New York City. Over a whirlwind Fourth of July weekend, she struggles to reconcile with the son she left behind, to reunite with a family reluctant to accept her true identity, and to avoid any minor parole infraction that might get her consigned back to lockup. Written with the same astonishing verve of *Delicious Foods*, which dazzled critics and readers alike, *Didn't Nobody Give a Shit What Happened to Carlotta* sweeps the reader through seemingly every street of Brooklyn, much as Joyce's *Ulysses* does through Dublin. The novel sings with brio and ambition, delivering a fantastically entertaining read and a cast of unforgettable characters even as it challenges us to confront the glaring injustices of a prison system that continues to punish people long after their time has been served.

Do Cool Sh*t Sep 29 2019 An inspiring, irreverent manifesto for those seeking to blaze their own path to entrepreneurship and find fulfillment and happiness through bold action and big ideas. With zero experience and no capital, Miki Agrawal opened WILD, a farm-to-table pizzeria in New York City and Las Vegas, partnered up in a children's multimedia company called Super Sprowtz, and launched a patented high-tech underwear business called THINX. Miki, a successful serial social entrepreneur and angel investor, pulls back the curtain to reveal how you can live out loud, honor your hunches, and leave nothing on the table. Start your business on a shoestring budget, nail your brainstorming sessions and product testing, and get free press coverage—all while living your best life. Whether you're a recent college graduate trying to find your way in the world, or a professional with a dead-end job and big dreams, *Do Cool Sh*t* will make you open your eyes, laugh out loud, and shout, "I can do that!" *Do Cool Sh*t* features a foreword by Tony Hsieh, the founder and CEO of Zappos.

Bullshit Jobs Aug 21 2021 From bestselling writer David Graeber—"a master of opening up thought and stimulating debate" (Slate)—a powerful argument against the rise of meaningless, unfulfilling jobs...and their consequences. Does your job make a meaningful contribution to the world? In the spring of 2013, David Graeber asked this question in a playful, provocative essay titled "On the Phenomenon of Bullshit Jobs." It went viral. After one million online views in seventeen different languages, people all over the world are still debating the answer. There are hordes of people—HR consultants, communication coordinators, telemarketing researchers, corporate lawyers—whose jobs are useless, and, tragically, they know it. These people are caught in bullshit jobs. Graeber explores one of society's most vexing and deeply felt concerns, indicting among other villains a particular strain of finance capitalism that betrays ideals shared by thinkers ranging from Keynes to Lincoln. "Clever and charismatic" (The New Yorker), *Bullshit Jobs* gives individuals, corporations, and societies permission to undergo a shift in values, placing creative and caring work at the center of our culture. This book is for everyone who wants to turn

their vocation back into an avocation and "a thought-provoking examination of our working lives" (Financial Times).

It Only Happens in the Movies Jun 18 2021 Audrey gave up on romance before meeting aspiring filmmaker Harry at the cinema where they work, but soon they are deeply in love--and not like it is portrayed in movies.

Make it Happen: How to be an Activist Jan 02 2020 'Make It Happen reminds us that people of any age can create change in their communities. From finding allies to setting goals, everyone who wants to contribute to a better future can learn from Amika's book.' Malala Yousafzai

The Music of What Happens Sep 21 2021 From the award-winning author of *Openly Straight*, a story about two teens falling in love over a summer that throws everything possible to keep them apart.

You Can't Make This Shit Up! Sep 02 2022 Most of my life, I have heard, "Only you, Lauren," and have frequently asked myself, "Why does crazy shit always happen to me?" Now I have found an answer to the question I have asked myself over the years....to share my stories with you! The way I figure it is that there is no point to annoying, frustrating, funny and downright unbelievable shit to happen, unless you are going to share those stories with others. In this book, you will find a series of true stories written and experienced by me. Some will be very short, while others needed multiple pages to get the full story down. You will read about my family members, friends, former friends, boyfriends, ex-boyfriends, colleagues, past clients and many more people who have helped me fill the pages of my life so far. After reading this book, I encourage you take a minute to think about all the stories of your life, both good and bad, and look at how they have contributed to who you are today. For me, these stories are more than just funny and crazy shit that has happened to me over the years. Each one of these stories has taught me something I may not have learned without them, and have helped to shape me into the person I am today. At the end of each chapter, you will read what I learned from each one of the stories I share. Some lessons were life-changing, while others simply taught me not to cut 12 inches off a bridesmaid dress before trying it on. Actually, come to think of it, maybe that should be considered a life-changing lesson! As I always say, everything happens for a reason, even the bad stuff. It is our job to figure out what that reason is, no matter how small, and use that information to expand our horizons and live a happier and healthier life. Enjoy!

The Transition Jan 14 2021 READY TO KICK THE CRAP OUTTA ANXIETY, STRESS, FEAR, DOUBT, LACK OF CONFIDENCE AND EVERY OTHER LITTLE D-BAG THAT STOPS YOU LIVING YOUR BEST LIFE?
