Once Upon a Scandal Aug 26 2019 Once upon a time, a nobody met a prince. Then she met his best friend, a second prince. Then she learned they like to share, and that's when things got interesting. That's when things got downright scandalous. My life has never been a fairytale. Absent parents, a grandmother gone too soon, and a job working the kitchens for the most heinous b\*\*ch in the

Kingdom of Bandiff. But that's before I sneak into the hottest royal ball on the planet. That's before I waltz right into them. The McDermott Princes. Princes, plural. There's two of them - both gorgeous beyond belief, alpha as hell, and more tempting than sin. Both with their eyes on me and both with that look that says that I'm theirs. Two princes, one baker. This might sound like too many cooks in the kitchen, but they say they like to share. They say they'll tear their whole kingdom down to make me theirs. They say they want to make me their Queen. Pretty soon, breaking into a royal ball is the least of my problems. This is a disaster waiting to happen. It's filthy, and oh-so-wrong. It's a royal scandal of epic proportions, and I'm right in the middle of it... I'm right in the middle of them. Maybe this is a fairytale after all. Ever heard of the cook who found a crown? How about two crowns? Two big, dominant, mouthwatering, pulse-quickenning crowns. I've never found a happy ever after. Now, I think I'm about to find two of them. This is a standalone story. The books in the Royally Screwed series can be read in any order. Steamy as all get-out, ridiculously over the top, and more growly alpha yumminess than you can shake a tiara at. Seriously - reality got left at the door with this one. But something tells me, you're going to love it ;). Get ready to have your cake and eat it two too! This mfm romance is all about her - no m/m. As with all my books, this standalone novella is safe, with no cheating, and a HEA guaranteed.

*A Deal with the Devil* Feb 10 2021 A man can only have one great love, and mine was the sea. Until I pulled a half-drowned heiress out of the water. Until I kept her as mine. Until I hurt her to prove I didn't love her. Now we're surrounded. Dangerous pirates want to use her for their own purposes. I won't give her up that easy. I have a lifetime of treasure to protect. But with the ship going down, there's only one thing I want to save. Her. *A Deal with the Devil* is book two in the Devil trilogy by USA Today bestselling author Amelia Wilde. *The Devil and the Deep Blue Sea* must be read first.

**Manual of Small Animal Emergency and Critical Care Medicine** May 28 2022 *Manual of Small Animal Emergency and Critical Care Medicine, Second Edition* presents essential information on common emergencies in small animals using a concise, practical outline format. Offering a thorough update to this classic reference, the new edition provides new chapters on orthopedic injuries and wound management, significant revisions to the treatment protocols, and expanded toxicology information, as well as new references and drug information. The book retains its logical division into two parts, the first covering initial stabilization and the second offering a systems approach to specific conditions. As in the previous edition, chapters are extensively indexed and cross-referenced to facilitate ease of use in emergency situations. With many formulas, tables, drug dosages, and illustrations, *Manual of Small Animal Emergency and*

Critical Care Medicine is an indispensable, convenient resource for busy emergency clinicians, whether they are new graduates or seasoned professionals.

Micro Markets Nov 09 2020 A timely guide that bridges the gap between microeconomic theory and practice through real-world application in the marketplace. Understanding how microeconomics affects the marketplace is essential for any investment professional, however most books simply address microeconomics in its pure theory-based form. Micro Markets helps bridge the gap between theory and practice by defining microeconomics in terms of real-world, market applications. This timely guide elucidates basic microeconomic concepts with an emphasis on applicability. It establishes a common application for all of the basic economic concepts that are reviewed, and provides in-depth insights into an industry that is of major economic importance in aggregate, and to most individuals. Utilizes equity market realities to underscore the relevance of economic theory. Each chapter includes informative practice problems and power points. A companion Workbook, with practice problems and solutions, is also available. By taking microeconomic theory and making it applicable to today's marketplace, Micro Markets builds a much-needed bridge between theory and practice.

The Daddy and The Dom Dec 11 2020 MfM ménage romance from USA Today bestselling author Julia Sykes

Two darkly domineering alpha males. They say I don't have to choose. They both want me. Together. The three of us. I was meant to be theirs: Joseph, my sweet first love, and Marco, his sternly intimidating best friend. I know they're dangerous men, but being with them doesn't feel wrong. When they hold me in their arms, I feel safe, cherished. I'm still their captive, but I'm no longer certain if I want to be free of them. They swear they only kidnapped me for my own protection, and after a terrifying attack by one of their enemies, I'm starting to believe them. If I give myself to them, can my alluring criminal captors protect me? Or is their world too dangerous for even their strong arms to shield me from harm? Keywords: MfM ménage, Daddy romance, mafia romance, kidnapping, romantic suspense, new adult

*MAND* Dec 23 2021 The Morphological Atlas of the Dutch Dialects (*MAND*) presents word formation in Dutch and Frisian dialects at the end of the twentieth century in two comprehensive volumes. Based on data acquired in the field between 1979 and 2000, this collaborative effort between linguists from the Netherlands and Belgium deals with the grades of comparison of adjectives, possessive pronouns, personal pronouns for subject and object, the endings of present- and past-tense strong and weak verbs, the participle

prefix, and the stem form of strong verbs.

*Law, Rights and Ideology in Russia* Sep 19 2021 Law, Rights and Ideology in Russia: Landmarks in the destiny of a great power brings into sharp focus several key episodes in Russia's vividly ideological engagement with law and rights. Drawing on 30 years of experience of consultancy and teaching in many regions of Russia and on library research in Russian-language texts, Bill Bowring provides unique insights into people, events and ideas. The book starts with the surprising role of the Scottish Enlightenment in the origins of law as an academic discipline in Russia in the eighteenth century. The Great Reforms of Tsar Aleksandr II, abolishing serfdom in 1861 and introducing jury trial in 1864, are then examined and debated as genuine reforms or the response to a revolutionary situation. A new interpretation of the life and work of the Soviet legal theorist Yevgeniy Pashukanis leads to an analysis of the conflicted attitude of the USSR to international law and human rights, especially the right of peoples to self-determination. The complex history of autonomy in Tsarist and Soviet Russia is considered, alongside the collapse of the USSR in 1991. An examination of Russia's plunge into the European human rights system under Yeltsin is followed by the history of the death penalty in Russia. Finally, the secrets of the ideology of 'sovereignty' in the Putin era and their impact on law and rights are revealed. Throughout, the constant theme is the centuries long hegemonic struggle

between Westernisers and Slavophiles, against the backdrop of the Messianism that proclaimed Russia to be the Third Rome, was revived in the mission of Soviet Russia to change the world and which has echoes in contemporary Eurasianism and the ideology of sovereignty.

**A Trace of Vice (a Keri Locke Mystery--Book #3)** May 04 2020 “A dynamic story line that grips from the first chapter and doesn't let go.” --Midwest Book Review, Diane Donovan (regarding *Once Gone*) From #1 bestselling mystery author Blake Pierce comes a new masterpiece of psychological suspense. In *A TRACE OF VICE* (Book #3 in the Keri Locke mystery series), Keri Locke, Missing Persons Detective in the Homicide division of the LAPD, follows a fresh lead for her abducted daughter. It leads to a violent confrontation with The Collector—which, in turn, offers more clues that may, after all this time, reunite her with her daughter. Yet at the same time, Keri is assigned a new case, one with a frantic ticking clock. A teenage girl has gone missing in Los Angeles, a girl from a good family who was duped into drugs and abducted into a sex trafficking ring. Keri is hot on her trail—but the trail is moving fast, with the girl being constantly moved and with her abductors' single, nefarious goal: to cross her over the border with Mexico. In an epic, breathtaking, cat and mouse chase that takes them through the seedy underworld of trafficking, Keri and Ray will be pushed to their limits to save the

girl—and her own daughter—before it is all too late. A dark psychological thriller with heart-pounding suspense, *A TRACE OF VICE* is book #3 in a riveting new series—and a beloved new character—that will leave you turning pages late into the night. “A masterpiece of thriller and mystery! The author did a magnificent job developing characters with a psychological side that is so well described that we feel inside their minds, follow their fears and cheer for their success. The plot is very intelligent and will keep you entertained throughout the book. Full of twists, this book will keep you awake until the turn of the last page.” --Books and Movie Reviews, Roberto Mattos (re *Once Gone*) Book #4 in the Keri Locke series is also now available!

**Mechanisms of Injury, Protection, and Repair of the Upper Gastrointestinal Tract** Apr 02 2020 Based on the proceedings of a satellite symposium held in conjunction with the 9th World Congress of Gastroenterology, the aim of this volume is to present and discuss the latest data originating from leading laboratories in the field. The change in focus of current research to studies of chronic repair rather than acute responses, and deeper mucosal elements rather than surface phenomena, is apparent. Many of the chapters contain previously unpublished findings.

**Mediating Ideology in Text and Image** Apr 14 2021

While ideology has been treated widely in CDA-literature, the role played by the interaction of text and image in multiplying meaning and furthering ideological stances has not so far received a lot of attention.

*Mediating Ideology in Text and Image* offers a number of approaches to such analysis, offering students and academics valuable tools for identifying possible discrepancies between the world and the way it is represented through various mediational means. The authors' common aim is one of assisting the audience in reading between the lines, thus offering a variety of approaches that may contribute to a better understanding of how ideologies possibly work and how they may be denaturalised from text and image. The articles in part I look at rhetorical strategies used in meaning construction processes unfolding in various kinds of mass media. Part II focuses on the re-semiotization of meaning and looks at how analysing the combination of text and image may contribute to a better understanding of ideological processes brought about by multimodal resources. Foreword by Ruth Wodak.

**Library Technology and User Services** Feb 22 2022

Written as a technology guide for students, practitioners, and administrators, the focus of this book is on introducing current and future trends in library technology and automation within the larger context of strategic and systems planning, implementation, and continuous improvement. Technology is an essential resource for attaining both organizational and patron goals, and planning needs to emphasize the alignment between the clearly defined goals of each. For this alignment to occur on a consistent basis goals must be designed, or engineered, in a systematic fashion where technology fulfils the need to deliver the desired outcomes in an efficient, cost-effective manner. The concept of usability engineering is also examined, where the technology is planned, designed, and implemented in such a way as to maximize utility and ease-of-use for users and employees. Readers of this book will understand both the why and the how of library technology, planning, and implementation articulated in a simple, easy-to-understand fashion. Delivered from academic, public, and school library media perspectives Current and emerging technologies are discussed along with their current and future application in the field of library and information science Technology planning and integration is explained using a systems design process with scenarios and case studies

that are articulated in a step-wise, holistic fashion

**House of Kwa** Apr 26 2022 Wild Swans meets Educated  
in this riveting true story spanning four generations  
'Revelatory and remarkable' - TRENT DALTON  
'Memorable and vivid' - RICHARD GLOVER 'Lands  
with a thump in your heart' - LISA MILLAR  
'Heartbreaking and uplifting' - MEAGHAN WILSON  
ANASTASIOS 'An heroic saga' - MIKE MUNRO The  
dragon circles and swoops ... a tiger running alone in the  
night ... Mimi Kwa ignored the letter for days. When she  
finally opened it, the news was so shocking her hair  
turned grey. Why would a father sue his own daughter?  
The collision was over the estate of Mimi's beloved Aunt  
Theresa, but its seed had been sown long ago. In an  
attempt to understand how it had come to this, Mimi  
unspools her rich family history in House of Kwa. One of  
a wealthy silk merchant's 32 children, Mimi's father,  
Francis, was just a little boy when the Kwa family became  
caught up in the brutal and devastating Japanese  
occupation of Hong Kong during World War II. Years  
later, he was sent to study in Australia by his now  
independent and successful older sister Theresa. There he  
met and married Mimi's mother, a nineteen-year-old with  
an undiagnosed, chronic mental illness. Soon after, 'tiger'  
Mimi arrived, and her struggle with the past - and the  
dragon - began ... Riveting, colourful and often darkly  
humorous, House of Kwa is an epic family drama  
spanning four generations, and an unforgettable story

about how one woman finds the courage to stand up for her freedom and independence, squaring off against the ghosts of the past and finally putting them to rest.

Throughout, her inspiration is Francis's late older sister, the jet-setting, free-spirited Aunt Theresa, whose extraordinary life is a beacon of hope in the darkness.

**PRAISE FOR HOUSE OF KWA** 'House of Kwa enchants and enthralls like the best kind of sweeping, dynastic fiction, but it rattles the bones and breaks the heart with the pure facts of Mimi Kwa's extraordinary story.

Revelatory and remarkable storytelling.' Trent Dalton 'An astonishing true tale that leaps across centuries and cultures to land with a thump in your heart.' Lisa Millar 'A startling tale of the past, its terrible grip on the present, and the battle to set yourself free. Full of scenes that hover between tragedy and farce, House of Kwa is one of the most compelling stories you'll read this year.

Memorable and vividly told, this is a book for anybody forced to survive their own parents.' Richard Glover 'From the back streets of China to war-torn Hong Kong to suburban Australia, this is an heroic saga that reveals just some of the stories behind the multi-cultural nation we are today.' Mike Munro AO 'This is a charming and compelling story, an insight into a deeply traditional Chinese family in times when China was undergoing internally and externally induced upheaval.' South China Morning Post 'A rich and riveting read which heralds a new chapter in Kwa's life as a writer. The spirited tiger,

full of life and driven to achieve, has many stories to tell yet.' The Weekend Australian 'House of Kwa answers the question of how one should write about one's family with generosity and love - to read it is to experience Kwa's wonder at the strength and resilience of her family, as well as the intimacy of her relationships with them. Traversing the boundaries of a traditional memoir, House of Kwa is the biography of a family that explores the way our lives are shaped by the past we can and cannot remember. Kill Your Darlings 'A rare work of non-fiction which balances page turning prose with lyrical depth. Do yourself and everyone you know a favour and dive in!' Megan Rogers An utterly captivating, gripping and inspirational tale of one woman's triumph over adversity. In this extraordinary multi-generational memoir, Kwa fearlessly grapples with questions of love, loyalty, and the power of the human spirit. Intimate and revelatory, House of Kwa is the most heart-breaking and uplifting book I have read in years and announces the arrival of an exciting writer. Meaghan Wilson Anastasios 'If you're a fan of the book Educated by Tara Westover, as I am, and most readers I know are, then you have to read this.' Joan McKenzie, Joan's Picks, Whitcoulls 'Mimi's narrative about their family life is heart-breaking, hilarious, and often unbelievable.' Magic talk FM 'An exotic journey that takes readers through the contributions Chinese immigrants have made to multicultural Australia.' ABC Nightlife 'Kwa is an engaging storyteller.' Asian Review

of Books 'Extraordinary - I couldn't put it down. Wonderfully written, this intriguing family story reads like a page-turning novel. The journey of the Kwa dynasty and its legacy is told in such rich, colourful detail, you feel like you are there. I loved it. Sue Smethurst 'I laughed, I grieved, I was intrigued. It took enormous strength to write this story of trauma, abuse, mental health, dislocation, racism and reinvention. Above all it is a story of love and kindness. It will resonate with so many people.' Kirsty Manning

*Life in Public Schools (RLE Edu L)* Aug 19 2021 Britain's public (that is, its major independent) schools have a conspicuous role in the country's social system, and as a

result are the subject of a long-standing political debate. The discussion is generally founded on a stereotyped image of what these school may have been like in the 1950s – this books shows how they were in the late 1980s. It is based on fieldwork in two major public boarding schools which the author conducted over an extended period, and draws on interviews, observation and documentary sources to establish a picture of what public school life is actually like for pupils and staff. Since the schools were predominantly male preserves, the major part of the book describes the social world and experiences of boys and school-masters. An important section of the book, however, discusses the introduction of girl pupils, the experiences of female teachers and the way schoolmasters' wives tend to be drawn into their husbands' work. Geoffrey Walford's conclusions about life in public schools differ considerably from traditional expectations. At the same time he asks whether there really has been a 'public school revolution'. His book makes an important contribution to our knowledge of public schools, to debates in the sociology of education and to the issues of abolishing or extending the independent sector.

*When You're Mine* Nov 29 2019 Take New York by storm and steer clear of serious relationships. That's the plan. That's the goal. It's easy too, now that my software company is making headlines. Nothing is getting in the way of that--not even my sexy personal trainer. I don't care how beautiful and intriguing she is. Mel Dawson keeps talking me into doing things, like watching the sunset and slowing down to enjoy life. When she trains me, and I watch her body, I'm constantly fantasizing about exploring every inch of it all night long, claiming her mouth every time she gives me a sassy reply. I don't even know who I am when I'm with her. I'm suddenly a completely different man. But, I like this version of myself better. Mel's smart, determined, and keeps me guessing. She's everything I need and want, but I've been burned before. I'm used to taking chances in the boardroom, just not in my personal life. How much am I willing to risk for a chance to make her mine?

**Local Models for Spatial Analysis, Second Edition** Jun 28 2022 Written in recognition of developments in spatial data analysis that focused on differences between places, the first edition of *Local Models for Spatial Analysis* broke new ground with its focus on local modelling methods. Reflecting the continued growth and increased interest in this area, the second edition describes a wide range of methods which account for local variations in geographical properties. What's new in the Second Edition: Additional material on geographically-weighted statistics and local regression approaches A better overview of local models with reference to recent critical reviews about the subject area Expanded coverage of individual methods and connections between them Chapters have been restructured to clarify the distinction between global and local methods A new section in each chapter references key studies or other accounts that support the book Selected resources provided online to support learning An introduction to the methods and their underlying concepts, the book uses worked examples and case studies to demonstrate how the algorithms work their

practical utility and range of application. It provides an overview of a range of different approaches that have been developed and employed within Geographical Information Science (GIScience). Starting with first principles, the author introduces users of GISystems to the principles and application of some widely used local models for the analysis of spatial data, including methods being developed and employed in geography and cognate disciplines. He discusses the relevant software packages that can aid their implementation and provides a summary list in Appendix A. Presenting examples from a variety of disciplines, the book demonstrates the importance of local models for all who make use of spatial data. Taking a problem driven approach, it provides extensive guidance on the selection and application of local models.

**Currency of War** Jan 30 2020 The Solar League, humanity's empire, has existed since mankind reached for the stars. While the humans considered it the pinnacle of human achievement, for the subjugated alien races it seemed only to endorse humanity's worst impulses. But the worst of humanity pales in comparison to an alien onslaught that is on the verge of bringing mankind down into death and subjugation. Thracious "Tracy" Belmanor helps lead the Solar League's desperate defense against this new alien threat while the Empress of the Solar League, Mercedes, tries to keep the League from tearing apart. However, neither is prepared for the questions that need to be answered to save mankind and all of the human

and non-human citizens of the League. Is humanity redeemable? Can the League reform into something better? Tracy and Mercedes must ask these questions of themselves and then decide the future of humanity while facing betrayals, ambition, and secrets that may bring about a dark age for the galaxy.
