Manual del redactor publicitario Sep 10 2020 Prácticamente no hay libros sobre "cómo escribir publicidad", a pesar de que el texto suele ser la mitad de un anuncio (la otra mitad es la imagen y/o el sonido). Este libro es un oasis en ese desierto. Prologado por Luis Bassat, ESIC lanza ahora la 2a edición de Manual de Redactor Publicitario. ¿Reglas, normas, técnicas? ¡Rómpelas!. El autor tiene una doble vertiente profesional y docente: 1. Es redactor publicitario con una larga y amplia experiencia nacional e internacional (Barcelona, Londres, París, Milán, Tokio...) y director creativo de la agencia barcelonesa Traducciones de Publicidad (www.t-de-p.com), una red internacional de redactores publicitarios (copywriters) que traduce-adapta-recrea-redacta-revisa textos de publicidad y de marketing a más de 30 lenguas. 2. Es profesor de "Estrategia, Conceptualización y Redacción Publicitaria" en la Universidad Autónoma de Barcelona (UAB), y en la Universitat Oberta de Catalunya (UOC). Es un libro serio, riguroso, metodológico, razonado y divulgativo basado en años de investigación y en la experiencia de los mejores redactores publicitarios de la historia de la publicidad y los métodos que les hicieron famosos y líderes en su trabajo: escribir anuncios. En esta 2a edición el autor realiza 10 entrevistas a 10 grandes redactores publicitarios y recoge 5 de los mejores anuncios de cada uno. Este libro, examina a fondo la figura del redactor publicitario y en qué consiste su

trabajo, a la vez que estudia y analiza los elementos clave que hay que utilizar para escribir anuncios de verdadero éxito. Todo ello ayuda a comprender el importantísimo rol profesional que juega el redactor publicitario dentro de la industria de la publicidad, ya que debe actuar: como "vendedor", como "persuasor", como "comunicador", como "creativo", como "pensador", y finalmente, sólo finalmente, como "escritor". Es un libro que está escrito pensando en todos los estudiantes de publicidad y especialmente en los que quieren ser redactores, aunque también puede ser útil a los profesionales de la publicidad que quieran respirar nuevos aires creativos. Al mismo tiempo, es un libro interesante para todo aquel anunciante que quiera hilar muy fino y saber si va a vender más con las ideas y textos que su agencia de publicidad le vende. Índice Introducción: Dios, el primer redactor publicitario.- El redactor publicitario: qué es y qué hace.- Elementos clave de la redacción publicitaria: el titular, el cuerpo de texto.- Crear+Innovar: el reto permanente del ser humano.- Y ahora... 10 entrevistas a 10 redactores 10.- Bibliografía.
