Who's who in America Dec 30 2019

All Will be Well Jun 27 2022 Each book in the  
Thirty Days with a Great Spiritual Teacher series  
provides a month of daily readings from one of  
Christianity's most beloved spiritual guides. For  
each day there is a brief and accessible morning  
meditation drawn from the mystic's writings, a  
simple mantra for use throughout the day, and a  
night prayer to focus one's thoughts as the day  
ends. These easy-to-use books are the perfect  
prayer companion for busy people who want to

root their spiritual practice in the solid ground of these great spiritual teachers. Drawing deeply from the wisdom writings of medieval English mystic Julian of Norwich, *All Will Be Well* welcomes even spiritual newcomers to the spirituality of this fourteenth-century visionary who was well ahead of her time.

*Jesus, Lover of My Soul* Apr 25 2022 *Jesus, Lover of My Soul* by Charles Wesley, first published in 1878, is a rare manuscript, the original residing in one of the great libraries of the world. This book is a reproduction of that original, which has been scanned and cleaned by state-of-the-art publishing tools for better readability and enhanced appreciation. Restoration Editors' mission is to bring long out of print manuscripts back to life. Some smudges, annotations or unclear text may still exist, due to

permanent damage to the original work. We believe the literary significance of the text justifies offering this reproduction, allowing a new generation to appreciate it.

*Building Choral Excellence* Sep 30 2022

Designed for both the practicing choral director and the choral methods student, this is a compact and comprehensive overview of the many teaching methods, strategies, materials,

and assessments available for choral sight-singing instruction. Sight-singing is an important, if sometimes neglected, facet of choral music education that often inspires fear and uncertainty in student and teacher alike. Written in an accessible style, this book takes the mystery out of teaching music reading. Topics covered include the history of sight-singing pedagogy and research, prominent methods and materials, and practical strategies for teaching and assessment. This is the only book to provide such a wealth of information under one cover and will become an essential part of every choral conductor's library.
