Unmasked Jul 29 2019 In this #1 national bestseller, a journalist who's been attacked by Antifa writes a deeply researched and reported account of the group's history and tactics. When Andy Ngo was attacked in the streets by Antifa in the summer of 2019, most people assumed it was an isolated incident. But those who'd been following Ngo's reporting in outlets like the New York Post and Quillette knew that the attack was only the latest in a long line of crimes perpetrated by Antifa. In Unmasked, Andy Ngo tells the story of this violent extremist movement from the very beginning. He includes interviews with former followers of the group, people who've been attacked by them, and incorporates stories from his own life. This book contains a trove of documents obtained by the author, published for the first time ever.

Between the World and Me Jul 01 2022 #1 NEW YORK TIMES BESTSELLER • NATIONAL BOOK AWARD WINNER • NAMED ONE OF TIME ' S TEN BEST NONFICTION BOOKS OF THE DECADE • PULITZER PRIZE FINALIST • NATIONAL BOOK CRITICS CIRCLE AWARD FINALIST • ONE OF OPRAH ' S " BOOKS THAT HELP ME THROUGH " • NOW AN HBO ORIGINAL SPECIAL EVENT Hailed by Toni Morrison as " required reading, " a bold and personal literary exploration of America ' s racial history by " the most important essayist in a generation and a writer who changed the national political conversation about race " (Rolling Stone) NAMED ONE OF THE MOST INFLUENTIAL BOOKS OF THE DECADE BY CNN • NAMED ONE OF PASTE ' S BEST MEMOIRS OF THE DECADE • NAMED ONE OF THE TEN BEST BOOKS OF THE YEAR BY The New York Times Book Review • O: The Oprah Magazine • The Washington Post • People • Entertainment Weekly • Vogue • Los Angeles Times • San Francisco Chronicle • Chicago Tribune • New York • Newsday • Library Journal • Publishers Weekly In a profound work that pivots from the biggest questions about American history and ideals to the most intimate concerns of a father for his son, Ta-Nehisi Coates offers a powerful new framework for understanding our nation ' s history and current crisis. Americans have built an empire on the idea of " race, " a falsehood that damages us all but falls most heavily on the bodies of black women and men—bodies exploited through slavery and segregation, and, today, threatened, locked up, and murdered out of all proportion. What is it like to inhabit a black body and find a way to live within it? And how can we all honestly reckon with this fraught history and free ourselves from its burden? Between the World and Me is Ta-Nehisi Coates ' s attempt to answer these questions in a letter to his adolescent son. Coates shares with his son—and readers—the story of his awakening to the truth about his place in the world through a series of revelatory experiences, from Howard University to Civil War battlefields, from the South Side of Chicago to Paris, from his childhood home to the living rooms of mothers whose children ' s lives were taken as American plunder. Beautifully woven from personal narrative, reimagined history, and fresh, emotionally charged reportage, Between the World and Me clearly illuminates the past, bracingly confronts our present, and offers a transcendent vision for a way forward.

Tarnished Aug 10 2020 He was supposed to protect me. Instead, he made me fear the dark. He was supposed to love me. In the end, his love was sickening, cruel and filled with malice. Five years ago, the only bright lights in my world were extinguished. One decision. One text. One sentence and my fragile life shattered. I never expected the depravity and lies that greets me when I return to Montecito, leaving me with one goal... To flee and never look back. Everything changes when three gorgeous guys crash into my life. They're determined to mark me as theirs, and make me question everything I hold true. But when the ghosts of my past and future collide, who will be left standing? Me... or the monster who coveted me for all of the wrong reasons, turning me into what I am today... Tarnished. \*Tarnished is the first book in the Tainted by Ruin Trilogy and cannot be read as a standalone. It is a Dark High School Reverse Harem Romance that contains scenes that may be triggering to some. Including: sexual assault (minor), physical abuse & self harm. Recommended for readers 18+.

**The Boy in the Black Suit** Jan 03 2020 Soon after his mother's death, Matt takes a job at a funeral home in his tough Brooklyn neighborhood and, while attending and assisting with funerals, begins to accept her death and his responsibilities as a man.

**A Long Way Gone** Oct 12 2020 In a heart-wrenching, candid autobiography, a human rights activist offers a firsthand account of war from the perspective of a former child soldier, detailing the violent civil war that wracked his native Sierra Leone and the government forces that transformed a gentle young boy into a killer as a member of the army. 75,000 first printing.

**The Darkest Part of the Forest** Jul 09 2020 A girl makes a secret sacrifice to the faerie king in this lush New York Times bestselling fantasy by author Holly Black In the woods is a glass coffin. It rests on the ground, and in it sleeps a boy with horns on his head and ears as pointed as knives.... Hazel and her brother, Ben, live in Fairfold, where humans and the Folk exist side by side. Since they were children, Hazel and Ben have been telling each other stories about the boy in the glass coffin, that he is a prince and they are valiant knights, pretending their prince would be different from the other faeries, the ones who made cruel bargains, lurked in the shadows of trees, and doomed tourists. But as Hazel grows up, she puts aside those stories. Hazel knows the horned boy will never wake. Until one day, he does.... As the world turns upside down, Hazel has to become the knight she once pretended to be. *The Darkest Part of the Forest* is bestselling author Holly Black's triumphant return to the opulent, enchanting faerie tales that launched her YA career.

**Destroy This Book** May 19 2021 Hit, create, break, rip, destroy, paint, kill, bury, and resurrect this book. Funny and creative gift for a loved one.

**Wreck This Journal (Black) Expanded Ed.** Feb 25 2022 The international bestseller... For anyone who's ever had trouble starting, keeping, or finishing a journal or sketchbook comes this expanded edition of *Wreck This Journal*, an illustrated book that features a subversive collection of prompts, asking readers to muster up their best mistake and mess-making abilities and to fill the pages of the book (or destroy them). Through a series of creatively and quirkily illustrated prompts, acclaimed artist Keri Smith encourages journalers to engage in "destructive" acts--poking holes through pages, adding photos and defacing them, painting pages with coffee, coloring outside the lines, and more--in order to experience the true creative process. With Smith's unique sensibility, readers are introduced to a new way of art and journal making, discovering novel ways to escape the fear of the blank page and fully engage in the creative process.

**How Rory Thorne Destroyed the Multiverse** Jun 27 2019 First in a duology that reimagines fairy tale tropes within a space opera—*The Princess Bride* meets *Princess Leia*. Rory Thorne is a princess with thirteen fairy blessings, the most important of which is to see through flattery and platitudes. As the eldest daughter, she always imagined she 'd inherit her father 's throne and govern the interplanetary Thorne Consortium. Then her father is assassinated, her mother gives birth to a son, and Rory is betrothed to the prince of a distant world. When Rory arrives in her new home, she uncovers a treacherous plot to unseat her newly betrothed and usurp his throne. An unscrupulous minister has conspired to name himself Regent to the minor (and somewhat foolish) prince. With only her wits and a small team of allies, Rory must outmaneuver the Regent and rescue the prince. *How Rory Thorne Destroyed the Multiverse* is a feminist reimagining of familiar fairytale tropes and a story of resistance and self-determination—how small acts of rebellion can lead a princess to not just save herself, but change the course of history.

**Wreck This Journal: Now in Color** Oct 31 2019 “ Not gonna lie, this is probably the coolest journal you ' ll ever see. . . . *Wreck This Journal* is here to inspire you. ” —Buzzfeed A spectacular coloring and painting edition of the incredible journal that started it all, in celebration of the tenth anniversary of the 10-million-copy international bestseller Perhaps you're a seasoned Wrecker, having made your way through one or more copies of *Wreck This Journal*. Or maybe you're new to the phenomenon (little do you know, this experience might just change your life). Whatever the case, you've found the perfect book to destroy... Welcome to an all new-edition of *Wreck This Journal*, now in spectacular full color! Inside, you'll find prompts for painting, shredding, transforming, and unleashing your creativity. With a mix of new, altered, and favorite prompts, *Wreck This Journal: Now in Color* invites you to wreck with color: mixing colors to make mud, letting chance dictate your color choice, weaving with brightly colored strips of paper, and more. What colors will you use to you wreck your journal? “ A conceptual artist and author luring kids into questioning the world and appreciating every smell, texture and mystery in it. ” —TIME Magazine “ Keri Smith may well be the self-help guru this DIY generation deserves. ” —The Believer

**On the Run** Dec 02 2019 Originally published: Chicago: University of Chicago Press, 2014, as part of the *Fieldwork* encounters and discoveries series.

**To Kill a Mockingbird** Dec 14 2020 Voted America's Best-Loved Novel in PBS's *The Great American Read* Harper Lee's Pulitzer Prize-winning masterwork of honor and injustice in the deep South—and the heroism of one man in the face of blind and violent hatred One of the most cherished stories of all time, *To Kill a Mockingbird* has been translated into more than forty languages, sold more than forty million copies worldwide, served as the basis for an enormously popular motion picture, and was voted one of the best novels of the twentieth century by librarians across the country. A gripping, heart-wrenching, and wholly remarkable tale of coming-of-age in a South poisoned by virulent prejudice, it views a world of great beauty and savage inequities through the eyes of a young girl, as her father—a crusading local lawyer—risks everything to defend a black man unjustly accused of a terrible crime.

**The Conspiracy to Destroy Black Women** May 31 2022 It has long been argued that women, especially black women, have been relegated to a second-class status in American society, and despite modern advances remain subject to a debilitating discrimination in many areas of life. This book presents a fresh perspective on the many facets of sexism experienced by African American women, addressing such issues as wage disparity, spousal abuse, and the rising rate of AIDS among black women. It also examines the roots of sexism among African American males, including the effect of gangster rap music on perceptions of black women, and offers strategies for change.

Deaths of Despair and the Future of Capitalism Aug 22 2021 A New York Times Bestseller A Wall Street Journal Bestseller A New York Times Notable Book of 2020 A New York Times Book Review Editors' Choice Shortlisted for the Financial Times and McKinsey Business Book of the Year A New Statesman Book to Read From economist Anne Case and Nobel Prize winner Angus Deaton, a groundbreaking account of how the flaws in capitalism are fatal for America's working class Deaths of despair from suicide, drug overdose, and alcoholism are rising dramatically in the United States, claiming hundreds of thousands of American lives. Anne Case and Angus Deaton explain the overwhelming surge in these deaths and shed light on the social and economic forces that are making life harder for the working class. As the college educated become healthier and wealthier, adults without a degree are literally dying from pain and despair. Case and Deaton tie the crisis to the weakening position of labor, the growing power of corporations, and a rapacious health-care sector that redistributes working-class wages into the pockets of the wealthy. This critically important book paints a troubling portrait of the American dream in decline, and provides solutions that can rein in capitalism's excesses and make it work for everyone.

Lord of the Flies Jun 19 2021 Golding's iconic 1954 novel, now with a new foreword by Lois Lowry, remains one of the greatest books ever written for young adults and an unforgettable classic for readers of any age. This edition includes a new Suggestions for Further Reading by Jennifer Buehler. At the dawn of the next world war, a plane crashes on an uncharted island, stranding a group of schoolboys. At first, with no adult supervision, their freedom is something to celebrate. This far from civilization they can do anything they want. Anything. But as order collapses, as strange howls echo in the night, as terror begins its reign, the hope of adventure seems as far removed from reality as the hope of being rescued.

Countering the Conspiracy to Destroy Black Boys Sep 03 2022 Vol. 2- published by African American Images.

Epaminondas and His Auntie Feb 13 2021 Epaminondas' simple-minded efforts to follow his mother's instructions have disastrous results, as he attempts to bring a variety of items home from his auntie's house.

Raising Black Boys Sep 30 2019 A guide for African American parents offers more than one hundred tips on guiding boys into adulthood and helping them avoid the negative impact of peer pressure and popular culture.

Black Boy Out of Time Jul 21 2021 An eloquent, restless, and enlightening memoir by one of the most thought-provoking journalists today about growing up Black and queer in America, reuniting with the past, and coming of age their own way. One of nineteen children in a blended family, Hari Ziyad was raised by a Hindu Hare Krishna mother and a Muslim father. Through reframing their own coming-of-age story, Ziyad takes readers on a powerful journey of growing up queer and Black in Cleveland, Ohio, and of navigating the equally complex path toward finding their true self in New York City. Exploring childhood, gender, race, and the trust that is built, broken, and repaired through generations, Ziyad investigates what it means to live beyond the limited narratives Black children are given and challenges the irreconcilable binaries that restrict them. Heartwarming and heart-wrenching, radical and reflective, Hari Ziyad's vital memoir is for the outcast, the unheard, the unborn, and the dead. It offers us a new way to think about survival and the necessary disruption of social norms. It looks back in tenderness as well as justified rage, forces us to address where we are now, and, born out of hope, illuminates the possibilities for the future.

Black Like Me Oct 24 2021 This American classic has been corrected from the original manuscripts and indexed, featuring historic photographs and an extensive biographical afterword.

Catch and Kill Jan 27 2022 One of the Best Books of the Year Time \* NPR \* Washington Post \* Bloomberg News \* Chicago Tribune \* Chicago Public Library \* Fortune \* Los Angeles Times \* E! News \* The Telegraph \* Apple \* Library Journal In this newly updated edition of the "meticulous and devastating" (Associated Press) account of violence and espionage that spent months on the New York Times Bestsellers list, Ronan Farrow exposes serial abusers and a cabal of powerful interests hell-bent on covering up the truth, at any cost - from Hollywood to Washington and beyond. In 2017, a routine network television investigation led to a story only whispered about: one of Hollywood's most powerful producers was a predator, protected by fear, wealth, and a conspiracy of silence. As Farrow drew closer to the truth, shadowy operatives, from high-priced lawyers to elite war-hardened spies, mounted a secret campaign of intimidation, threatening his career, following his every move, and weaponizing an account of abuse in his own family. This is the untold story of the exotic tactics of surveillance and intimidation deployed by wealthy and connected men to threaten journalists, evade accountability, and silence victims of abuse. And it's the story of the women who risked everything to expose the truth and spark a global movement Los Angeles Times Book Prize Finalist Finalist for the National Book Critics Circle Award in Autobiography Indie Bound #1 Bestseller USA Today Bestseller Wall Street Journal Bestseller

To Kill a Kingdom Apr 17 2021 Lira, a famous siren, must prove herself by stealing the heart of the man, a siren-hunting prince who's threatening her race in this action-packed debut.

Destroy All Monsters Mar 05 2020 "A wild roar of a novel . . . Writing about music is tricky. Ninety-nine percent of the time hearing the actual song or going to the actual concert is far more revealing than any paragraph describing it. But Jackson pulls off this near-impossible feat, pulling the reader past the velvet ropes into the black-box theaters and sweaty, sticky-floored stadiums." —Marisha Pessl, The New York Times Book Review An epidemic of violence is sweeping the country: musicians are being murdered onstage in the middle of their sets by members of their audience. Are these random copycat killings, or is something more sinister at work? Has music itself become corrupted in a culture where everything is available, everybody is a "creative," and attention spans have dwindled to nothing? With its cast of ambitious bands, yearning fans, and enigmatic killers, Destroy All Monsters tells a haunted and romantic story of overdue endings and unlikely beginnings that will resonate with anybody who's ever loved rock and roll. Like a classic vinyl single, Destroy All Monsters has two sides, which can be read in either order. At the heart of Side A, "My Dark Ages," is Xenie, a young woman who is repulsed by the violence of the epidemic but who still finds herself drawn deeper into the mystery. Side B, "Kill City," follows an alternate history, featuring

familiar characters in surprising roles, and burrows deeper into the methods and motivations of the murderers. “ At some point, I began to think of it as an ancient folk tale. It ’ s fine work, with a kind of scattered narrative set within a tight frame. Fast-moving throughout—fragile characters who suggest a bleak inner world made in their own collective image. ” —Don DeLillo  
“Destroy All Monsters has a distinct pulse—a kind of heartbeat—that comes out of the rhythm of the prose, the inventiveness of the form, and the willingness of Jeff Jackson to engage the mysterious alchemy of violence, performance, and authenticity. This accomplished, uncanny novel is simultaneously seductive and unsettling.” —Dana Spiotta, author of *Innocents and Others* and *Eat the Document*  
“ Surges with new-century anxiety and paranoia . . . A clear-eyed, stone-cold vision of what ’ s to come. ” —Ben Marcus  
“ Jeff Jackson is one of contemporary American fiction ’ s most sterling and gifted new masters. *Destroy All Monsters* . . . is a wonder to behold. ” —Dennis Cooper

**How to Destroy America in Three Easy Steps** Apr 05 2020 A NEW YORK TIMES BESTSELLER! A growing number of Americans want to tear down what it ’ s taken us 250 years to build—and they ’ ll start by canceling our shared history, ideals, and culture. Traditional areas of civic agreement are vanishing. We can ’ t agree on what makes America special. We can ’ t even agree that America is special. We ’ re coming to the point that we can ’ t even agree what the word America itself means. “ Disintegrationists ” say we ’ re stronger together, but their assault on America ’ s history, philosophy, and culture will only tear us apart. Who are the disintegrationists? From Howard Zinn ’ s *A People ’ s History of the United States* to the New York Times ’ 1619 project, many modern analyses view American history through the lens of competing oppressions, a racist and corrupt experiment from the very beginning. They see American philosophy as a lie – beautiful words pasted over a thoroughly rotted system. They see America ’ s culture of rights as a façade that merely reinforces traditional hierarchies of power, instead of being the only culture that guarantees freedom for individuals. Disintegrationist attacks on the values that built our nation are insidious because they replace each foundational belief, from the rights to free speech and self-defense to the importance of marriage and faith communities, with nothing more than an increased reliance on the government. This twisted disintegrationist vision replaces the traditional “ unionist ” understanding that all Americans are united in a shared striving toward the perfection of universal ideals. *How to Destroy America in Three Easy Steps* shows that to be a cohesive nation we have to uphold foundational truths about ourselves, our history, and reality itself—to be unionists instead of disintegrationists. Shapiro offers a vital warning that if we don ’ t recover these shared truths, our future—our union—as a great country is threatened with destruction.

**The Book Thief** Sep 10 2020 #1 NEW YORK TIMES BESTSELLER • ONE OF TIME MAGAZINE ’ S 100 BEST YA BOOKS OF ALL TIME The extraordinary, beloved novel about the ability of books to feed the soul even in the darkest of times. When Death has a story to tell, you listen. It is 1939. Nazi Germany. The country is holding its breath. Death has never been busier, and will become busier still. Liesel Meminger is a foster girl living outside of Munich, who scratches out a meager existence for herself by stealing when she encounters something she can ’ t resist—books. With the help of her accordion-playing foster father, she learns to read and shares her stolen books with her neighbors during bombing raids as well as with the Jewish man hidden in her basement. In superbly crafted writing that burns with intensity, award-winning author Markus Zusak, author of *I Am the Messenger*, has given us one of the most enduring stories of our time. “ The kind of book that can be life-changing. ” —The New York Times  
“ Deserves a place on the same shelf with *The Diary of a Young Girl* by Anne Frank. ” —USA Today  
**DON ’ T MISS BRIDGE OF CLAY, MARKUS ZUSAK ’ S FIRST NOVEL SINCE THE BOOK THIEF.**

**Countering the Conspiracy to Destroy Black Boys** Series Nov 05 2022 Advice for parents, educators, community, and church members is provided in this guide for ensuring that African American boys grow up to be strong, committed, and responsible African American men. This book answers such questions as “Why are there more black boys in remedial and special education classes than girls?” “Why are more girls on the honour roll?” “When do African American boys see a positive black male role model?” “Is the future of black boys in the hands of their mothers and white female teachers?” and “When does a boy become a man?” The significance of rite of passage activities, including mentoring, male bonding, and spirituality, are all described.

**iGen** Jun 07 2020 As seen in Time, USA TODAY, The Atlantic, The Wall Street Journal, and on CBS This Morning, BBC, PBS, CNN, and NPR, *iGen* is crucial reading to understand how the children, teens, and young adults born in the mid-1990s and later are vastly different from their Millennial predecessors, and from any other generation. With generational divides wider than ever, parents, educators, and employers have an urgent need to understand today ’ s rising generation of teens and young adults. Born in the mid-1990s up to the mid-2000s, *iGen* is the first generation to spend their entire adolescence in the age of the smartphone. With social media and texting replacing other activities, *iGen* spends less time with their friends in person—perhaps contributing to their unprecedented levels of anxiety, depression, and loneliness. But technology is not the only thing that makes *iGen* distinct from every generation before them; they are also different in how they spend their time, how they behave, and in their attitudes toward religion, sexuality, and politics. They socialize in completely new ways, reject once sacred social taboos, and want different things from their lives and careers. More than previous generations, they are obsessed with safety, focused on tolerance, and have no patience for inequality. With the first members of *iGen* just graduating from college, we all need to understand them: friends and family need to look out for them; businesses must figure out how to recruit them and sell to them; colleges and universities must know how to educate and guide them. And members of *iGen* also need to understand themselves as they communicate with their elders and explain their views to their older peers. Because where *iGen* goes, so goes our nation—and the world.

**Ten Ways to Destroy the Imagination of Your Child** Sep 22 2021 “ Esolen signals with this book his presence in the top rank of authors of cultural criticism. ” —American Spectator Play dates, soccer practice, day care, political correctness, drudgery without facts, television, video games, constant supervision, endless distractions: these and other insidious trends in child

rearing and education are now the hallmarks of childhood. As author Anthony Esolen demonstrates in this elegantly written, often wickedly funny book, almost everything we are doing to children now constricts their imaginations. *Ten Ways to Destroy the Imagination of Your Child* takes square aim at these accelerating trends. This practical, insightful book is essential reading for any parent who cares about the paltry thing that childhood has become, and who wants to give a child something beyond the dull drone of today's culture.

**Holes** Mar 17 2021 #1 NEW YORK TIMES BESTSELLER • NEWBERY MEDAL WINNER • NATIONAL BOOK AWARD WINNER Dig deep in this award-winning, modern classic that will remind readers that adventure is right around the corner--or just under your feet! Stanley Yelnats is under a curse. A curse that began with his no-good-dirty-rotten-pig-stealing-great-great-grandfather and has since followed generations of Yelnatses. Now Stanley has been unjustly sent to a boys' detention center, Camp Green Lake, where the boys build character by spending all day, every day digging holes exactly five feet wide and five feet deep. There is no lake at Camp Green Lake. But there are an awful lot of holes. It doesn't take long for Stanley to realize there's more than character improvement going on at Camp Green Lake. The boys are digging holes because the warden is looking for something. But what could be buried under a dried-up lake? Stanley tries to dig up the truth in this inventive and darkly humorous tale of crime and punishment—and redemption. "A smart jigsaw puzzle of a novel." —New York Times  
\*Includes a double bonus: an excerpt from *Small Steps*, the follow-up to *Holes*, as well as an excerpt from the New York Times bestseller *Fuzzy Mud*.

**Countering the Conspiracy to Destroy Black Boys** Oct 04 2022 Offers advice for parents, educators, community, and church members to help African American boys grow up to be strong, committed, and responsible African American men.

**How to Kill a City** May 07 2020 A journey to the front lines of the battle for the future of American cities, uncovering the massive, systemic forces behind gentrification -- and the lives that are altered in the process. The term gentrification has become a buzzword to describe the changes in urban neighborhoods across the country, but we don't realize just how threatening it is. It means more than the arrival of trendy shops, much-maligned hipsters, and expensive lattes. The very future of American cities as vibrant, equitable spaces hangs in the balance. Peter Moskowitz's *How to Kill a City* takes readers from the kitchen tables of hurting families who can no longer afford their homes to the corporate boardrooms and political backrooms where destructive housing policies are devised. Along the way, Moskowitz uncovers the massive, systemic forces behind gentrification in New Orleans, Detroit, San Francisco, and New York. The deceptively simple question of who can and cannot afford to pay the rent goes to the heart of America's crises of race and inequality. In the fight for economic opportunity and racial justice, nothing could be more important than housing. A vigorous, hard-hitting expose, *How to Kill a City* reveals who holds power in our cities--and how we can get it back.

**Diary of an Oxygen Thief** Nov 24 2021 Hurt people hurt people. Say there was a novel in which Holden Caulfield was an alcoholic and Lolita was a photographer's assistant and, somehow, they met in Bright Lights, Big City. He's blinded by love. She by ambition. *Diary of an Oxygen Thief* is an honest, hilarious, and heartrending novel, but above all, a very realistic account of what we do to each other and what we allow to have done to us.

**Countering the Conspiracy to Destroy Black Boys** Aug 02 2022

**The Human Stain** Nov 12 2020 NATIONAL BESTSELLER • WINNER OF THE PEN/FAULKNER AWARD • The Pulitzer Prize-winning author of *American Pastoral* delivers "a master novelist's haunting parable about our troubled modern moment" (*The Wall Street Journal*). It is 1998, the year in which America is whipped into a frenzy of prurience by the impeachment of a president, and in a small New England town, an aging classics professor, Coleman Silk, is forced to retire when his colleagues decree that he is a racist. The charge is a lie, but the real truth about Silk would have astonished even his most virulent accuser. Coleman Silk has a secret, one which has been kept for fifty years from his wife, his four children, his colleagues, and his friends, including the writer Nathan Zuckerman. It is Zuckerman who stumbles upon Silk's secret and sets out to reconstruct the unknown biography of this eminent, upright man, esteemed as an educator for nearly all his life, and to understand how this ingeniously contrived life came unraveled. And to understand also how Silk's astonishing private history is, in the words of *The Wall Street Journal*, "magnificently" interwoven with "the larger public history of modern America."

**Wreck This Journal (Red) Expanded Ed.** Mar 29 2022 "Not gonna lie, this is probably the coolest journal you'll ever see. . . . *Wreck This Journal* is here to inspire you." —Buzzfeed The internationally bestselling phenomenon with more than 10 million copies sold—and an excellent holiday gift! Paint, poke, create, destroy, and wreck—to create a journal as unique as you are. For anyone who's ever had trouble starting, keeping, or finishing a journal or sketchbook comes this expanded edition of *Wreck This Journal*, a subversive illustrated book that challenges readers to muster up their best mistake- and mess-making abilities to fill the pages of the book—or destroy them. Through a series of creative and quirky prompts, acclaimed guerilla artist Keri Smith encourages journalers to engage in destructive acts—poking holes through pages, adding photos and defacing them, painting pages with coffee, coloring outside the lines, and more—in order to experience the true creative process. With Smith's unique sensibility, readers are introduced to a new way of art- and journal-making, discovering novel ways to escape the fear of the blank page and fully engage in the creative process. To create is to destroy. Happy wrecking!

**The Underground Railroad** Jan 15 2021 Winner of the Pulitzer Prize and the National Book Award, this #1 New York Times bestseller chronicles a young slave's adventures as she makes a desperate bid for freedom in the antebellum South. The basis for the acclaimed original Amazon Prime Video series directed by Barry Jenkins. Cora is a slave on a cotton plantation in Georgia. An outcast even among her fellow Africans, she is on the cusp of womanhood—where greater pain awaits. And so when Caesar, a slave who has recently arrived from Virginia, urges her to join him on the Underground Railroad, she seizes the opportunity and escapes with him. In Colson Whitehead's ingenious conception, the Underground Railroad is no mere metaphor: engineers and conductors operate a secret network of actual tracks and tunnels beneath the Southern soil. Cora

embarks on a harrowing flight from one state to the next, encountering, like Gulliver, strange yet familiar iterations of her own world at each stop. As Whitehead brilliantly re-creates the terrors of the antebellum era, he weaves in the saga of our nation, from the brutal abduction of Africans to the unfulfilled promises of the present day. The Underground Railroad is both the gripping tale of one woman's will to escape the horrors of bondage—and a powerful meditation on the history we all share. Look for Colson Whitehead's bestselling new novel, *Harlem Shuffle!*

*The Sum of Us* Aug 29 2019 NEW YORK TIMES BESTSELLER • LONGLISTED FOR THE NATIONAL BOOK AWARD • One of today's most insightful and influential thinkers offers a powerful exploration of inequality and the lesson that generations of Americans have failed to learn: Racism has a cost for everyone—not just for people of color. WINNER OF THE PORCHLIGHT BUSINESS BOOK AWARD • ONE OF THE BEST BOOKS OF THE YEAR: Time, The Washington Post, St. Louis Post-Dispatch, Ms. magazine, BookRiot, Library Journal • LONGLISTED FOR THE ANDREW CARNEGIE MEDAL • “This is the book I've been waiting for.” —Ibram X. Kendi, #1 New York Times bestselling author of *How to Be an Antiracist* Heather McGhee's specialty is the American economy—and the mystery of why it so often fails the American public. From the financial crisis of 2008 to rising student debt to collapsing public infrastructure, she found a root problem: racism in our politics and policymaking. But not just in the most obvious indignities for people of color. Racism has costs for white people, too. It is the common denominator of our most vexing public problems, the core dysfunction of our democracy and constitutive of the spiritual and moral crises that grip us all. But how did this happen? And is there a way out? McGhee embarks on a deeply personal journey across the country from Maine to Mississippi to California, tallying what we lose when we buy into the zero-sum paradigm—the idea that progress for some of us must come at the expense of others. Along the way, she meets white people who confide in her about losing their homes, their dreams, and their shot at better jobs to the toxic mix of American racism and greed. This is the story of how public goods in this country—from parks and pools to functioning schools—have become private luxuries; of how unions collapsed, wages stagnated, and inequality increased; and of how this country, unique among the world's advanced economies, has thwarted universal healthcare. But in unlikely places of worship and work, McGhee finds proof of what she calls the Solidarity Dividend: the benefits we gain when people come together across race to accomplish what we simply can't do on our own. *The Sum of Us* is not only a brilliant analysis of how we arrived here but also a heartfelt message, delivered with startling empathy, from a black woman to a multiracial America. It leaves us with a new vision for a future in which we finally realize that life can be more than a zero-sum game.

Destroyed Dec 26 2021 She has a secret. I'm complicated. Not broken or ruined or running from a past I can't face. Just complicated. I thought my life couldn't get any more tangled in deceit and confusion. But I hadn't met him. I hadn't realized how far I could fall or what I'd have to do to get free. He has a secret. I've never pretended to be good or deserving. I chase who I want, do what I want, act how I want. I didn't have time to lust after a woman I had no right to lust after. I told myself to shut up and stay hidden. But then she tried to run. I'd tasted what she could offer me and damned if I would let her go. Secrets destroy them. \*\*Pepper Winters is known for her Dark Erotica. This book is more a Grey Romance. It isn't fluffy, and still deals with darker subjects, but it isn't brutal.\*\* *Destroyed* is a complicated love story between a man with a terrible past and a woman who holds his cure. A man who finds redemption in love and a woman who loses her heart and reason for living. Death brings life, and destruction brings new beginnings. Complete at 144,000 words. No cliffhanger. Stand alone. HEA

*The Giving Tree* Feb 02 2020 As *The Giving Tree* turns fifty, this timeless classic is available for the first time ever in ebook format. This digital edition allows young readers and lifelong fans to continue the legacy and love of a classic that will now reach an even wider audience. "Once there was a tree...and she loved a little boy." So begins a story of unforgettable perception, beautifully written and illustrated by the gifted and versatile Shel Silverstein. This moving parable for all ages offers a touching interpretation of the gift of giving and a serene acceptance of another's capacity to love in return. Every day the boy would come to the tree to eat her apples, swing from her branches, or slide down her trunk...and the tree was happy. But as the boy grew older he began to want more from the tree, and the tree gave and gave and gave. This is a tender story, touched with sadness, aglow with consolation. Shel Silverstein's incomparable career as a bestselling children's book author and illustrator began with *Lafcadio, the Lion Who Shot Back*. He is also the creator of picture books including *A Giraffe and a Half*, *Who Wants a Cheap Rhinoceros?*, *The Missing Piece*, *The Missing Piece Meets the Big O*, and the perennial favorite *The Giving Tree*, and of classic poetry collections such as *Where the Sidewalk Ends*, *A Light in the Attic*, *Falling Up*, *Every Thing On It*, *Don't Bump the Glump!*, and *Runny Babbit*. And don't miss the other Shel Silverstein ebooks, *Where the Sidewalk Ends* and *A Light in the Attic!*

*Black Boy* [Seventy-fifth Anniversary Edition] Apr 29 2022 A special 75th anniversary edition of Richard Wright's powerful and unforgettable memoir, with a new foreword by John Edgar Wideman and an afterword by Malcolm Wright, the author's grandson. When it exploded onto the literary scene in 1945, *Black Boy* was both praised and condemned. Orville Prescott of the New York Times wrote that “if enough such books are written, if enough millions of people read them maybe, someday, in the fullness of time, there will be a greater understanding and a more true democracy.” Yet from 1975 to 1978, *Black Boy* was banned in schools throughout the United States for “obscenity” and “instigating hatred between the races.” Wright's once controversial, now celebrated autobiography measures the raw brutality of the Jim Crow South against the sheer desperate will it took to survive as a Black boy. Enduring poverty, hunger, fear, abuse, and hatred while growing up in the woods of Mississippi, Wright lied, stole, and raged at those around him—whites indifferent, pitying, or cruel and Blacks resentful of anyone trying to rise above their circumstances. Desperate for a different way of life, he headed north, eventually arriving in Chicago, where he forged a new path and began his career as a writer. At the end of *Black Boy*, Wright sits poised with pencil in hand, determined to “hurl words into this darkness and wait for an echo.” Seventy-five years later, his words continue to reverberate. “To read *Black Boy* is to stare into the heart of darkness,” John Edgar Wideman writes in his foreword. “Not the

dark heart Conrad searched for in Congo jungles but the beating heart I bear. ” One of the great American memoirs, Wright ’ s account is a poignant record of struggle and endurance—a seminal literary work that illuminates our own time.
