When people should go to the ebook stores, search creation by shop, shelf by shelf, it is essentially problematic. This is why we allow the books compilations in this website. It will unconditionally ease you to look guide **Puerto Rico Cinco Siglos De Historia 3ra Edicion** as you such as.

By searching the title, publisher, or authors of guide you in fact want, you can discover them rapidly. In the house, workplace, or perhaps in your method can be every best place within net connections. If you purpose to download and install the Puerto Rico Cinco Siglos De Historia 3ra Edicion, it is categorically easy then, back currently we extend the join to purchase and make bargains to download and install Puerto Rico Cinco Siglos De Historia 3ra Edicion for that reason simple!

The Scope and Structure of Civil Codes Jun 16 2021 This detailed analysis of the content and configuration of civil codes in diverse jurisdictions also examines their relationship with some branches of private law as: family law, commercial law, consumer law and private international law. It analyzes the codification, decodification and recodification processes illuminating the dialogue between current codes – and private law legislation in general – with Constitutions and International Conventions. The commentary elucidates the changing requirements of civil law as it shifted from an early protection of patrimony to a support for commercial and contractual law. It also explains the varying trajectories of civil law, which in some jurisdictions was merged with religious legal tenets in its codification of familial relations, while in others it was fused with commercial law or, indeed, codified from scratch as a discrete legal corpus. Elsewhere, the volume provides material on differing approaches to consumer law, where relevant legislation may be scattered across numerous statutes, and also on private international law, a topic of increasing relevance in a world where business corporations have interests in multiple jurisdictions (and often play one off against another). The volume features invited contributions from leading scholars in the field of private law brought together for an in depth analysis of the current regulatory attitude in this field of the law in jurisdictions with diverse legal systems and traditions. In current times we are witnessing the adoption of diverging regulatory solutions. Through the analysis of the past and present of private law regulation, the volume unveils the underlying trends and relevance of the codification method across the world.

Prince Henry 'the Navigator' Nov 21 2021 Studie over de centrale rol die prins Hendrik de Zeevaarder (1394-1460) speelde bij de eerste Portugese ontdekkingsreizen.

II Congreso Internacional de Historia Militar Argentina May 28 2022

Encyclopedia of Paleontology Apr 14 2021 First Published in 2000. Routledge is an imprint of Taylor & Francis, an informa company.

Communities of the Soul May 16 2021 Religion is fundamental to contemporary Puerto Rican society. From the cosmology of the Indigenous Taíno, to the wide range of Judeo-Christian churches and sects, to the practitioners of spiritism, Afro-Caribbean religions, and witchcraft, religious practice in its many forms permeates the lives of most Puerto Ricans. Communities of the Soul illuminates the landscape and history of religion in Puerto Rico from the beliefs and practices of the Taíno to the religious diversity of the present day. Throughout its history, religion in Puerto Rico has braided institutional forms and popular practices, yet has always been a community-based process – made by the people. When the island was under Spanish colonial rule, the formal but weak presence of Catholicism meant that Puerto Ricans cultivated their religious experiences within families and local communities as much as within the structures of the church. These communal practices continued as Puerto Ricans joined Protestant denominations – particularly evangelical Pentecostalism – after the American conquest of the island in 1898. In the second half of the twentieth century, religious diversity increased with the formation of Jewish and Muslim communities, as well as numerous local evangelical congregations. Even as Puerto Rican society becomes more cosmopolitan and diverse, popular devotions and ritualistic practices remain an important part of everyday life. The first synthesis of the religious history of the island, Communities of the Soul is an innovative exploration of religion in Puerto Rico and the beliefs, practices, and diversity of its past and present.

Intermarriage throughout History Aug 19 2021 Going beyond classical theoretical approaches, Intermarriage throughout History provides a rich and unique collection of twenty-five essays which shed light on various models of family formation through non-homogamic marriage, from an historical and multi-disciplinary perspective. The volume originated from an international conference held at Babes-Bolyai University of Cluj, Romania, in early summer 2013, with a large international participation drawn mostly from Europe, Russia, North and South America. The book also has its roots in the long academic tradition of family and demographic historical and ethnographic studies in Transylvania, where scholars have been particularly active in these fields during recent decades at the international level. Given the strong pressures towards endogamy, people in the past who had a 'mixed' marriage deserve researchers' full attention. How did they overcome the obstacles put in their path by church, family, state and community? Can scholars disclose the reasons for their remarkable choice of partner? And what were the implications of their mixed marriage for their daily lives and those of their children? Mixed marriages offer a window on the tensions between societal norms and social control on the one hand, and individual variation and individual choice, or 'agency', on the other.

Ejercicios gramaticales de español, 3ra. Ed. Sep 07 2020 Con la presente selección de ejercicios se pretende ofrecer al estudiante que ya posee un conocimiento de español básico un material que le permita consolidar algunos aspectos del idioma ya estudiados y profundizar en el estudio de la sintaxis y del léxico, propio de un estadio superior en el aprendizaje del idioma. Dado que las dificultades y vacilaciones surgen esporádicas y desordenadamente, bien en la conversación o en la lectura, bien en la redacción o en la traducción, hemos juzgado oportuno agrupar dicho material por temas. Con ello se facilita la consulta directa e inmediata del tema que interesa y se permite el estudio o repaso contemporáneo de una o más cuestiones de distinta naturaleza, pudiendo cada profesor seleccionar aquellos ejercicios que mejor respondan a las exigencias del momento. En la casi totalidad de los casos, salvo cuando se trata de materias que se suponen ampliamente estudiadas en cursos elementales, precede a cada serie de ejercicios un esquema gramatical que ilustra sucintamente la cuestión que es materia de estudio. El texto se articula en cinco partes: I. ORTOGRAFÍA: 1. Acentuación. Letras de uso dudoso. II. MODOS, TIEMPOS Y FORMAS VERBALES: 3. Formas impersonales del verbo. 4. Formas personales del verbo. 5. Uso de los modos indicativo y subjuntivo. 6. Concordancia temporal. 7. Voz pasiva/impoersonal (se / ellos). 8. Perífrasis verbales. 9. Ser / estar. III. OTRAS CUESTIONES GRAMATICALES: 10. Las preposiciones. 11. Régimen preposicional. 12. Indefinidos. 13. Oraciones de relativo. 14. Pronombres interrogativos. 15. Secuencias temporales. 16. Oraciones restrictivas. IV. PUNTUACIÓN: 17. La coma. 18. El punto y coma. 19. Los dos puntos. V. LÉXICO: 20. Formación de palabras. 21. Locuciones, adverbios, frases prepositivas. Formas que suelen confundirse.

Comics Beyond the Page in Latin America Mar 14 2021 Comics Beyond the Page in Latin America is a cutting-edge study of the expanding worlds of Latin American comics. Despite lack of funding and institutional support, not since the mid-twentieth century have comics in the region been so dynamic, so diverse and so engaged with pressing social and cultural issues. Comics are being used as essential tools in debates about, for example, digital cultures, gender identities and political disenfranchisement.

The Other Rebellion Sep 19 2021 This book argues that in addition to being a war of national liberation, Mexico's movement toward independence from Spain was also an internal war pitting classes and ethnic groups against each other, an intensely localized struggle by rural people, especially Indians, for the preservation of their communities.

[A Companion to Latin American Literature](#) Aug 26 2019 The evolution of Latin American literature.

Performances that Change the Americas Feb 22 2022 This collection of essays explores activist performances, all connected to theater or performance training, that have changed the Americas—from Canada to the Southern Cone. Through the study of specific examples from numerous countries, the authors of this volume demonstrate a crucial, shared outlook: they affirm that ordinary people change the direction of history through performance. This project offers concrete, compelling cases that emulate the modus operandi of people like historian Howard Zinn. In the same spirit, the chapters treat marginal groups whose stories underscore the potentially unstoppable and transformative power of united, embodied voices. This book will be of great interest to students and scholars of theatre, performance, art and politics.

Roots of Empire Dec 31 2019 Roots of Empire examines the forest management policies of Spain's global monarchy from the sixteenth century to the middle of the eighteenth century, connecting imperial strategies with local lived experiences in forest communities impacted by this manifestation of expanded state power.

Panamanian Museums and Historical Memory Jun 04 2020 Anthropology is particularly well suited to explore the contemporary predicament in the coming of age of young men. Its grounded and comparative empiricism provides the opportunity to move beyond statistics, moral panics, or gender stereotypes in order to explore specific aspects of life course transitions, as well as the similar or divergent barriers or opportunities that young men in different parts of the world face. Yet, effective contextualization and comparison cannot be achieved by looking at male youths in isolation. This volume undertakes to contextualize male youths' circumstances and to learn about their lives, perspectives, and actions, and in turn illuminates the larger structures and processes that mediate the experiences entailed in becoming young men. The situation of male youths provides an important vantage point from which to consider broader social transformations and continuities. By paying careful attention to these contexts, we achieve a better understanding of the current influences encountered and acted upon by young people. "[A] very well written, timely and scholarly collection on young men in changing times, in the context of a global perspective, written by notable scholars in the field...[It] has a very lively and contemporary feel, which connects both to key theoretical debates around youth and also to everyday experience mediated through difference, e.g., class and ethnicity, or in terms of gender relations. It is written in an accessible and engaging style but also written so that it does justice to the complexity of the ideas presented." - Victoria Robinson, University of Sheffield

Fundamentos de administración - 3ra Edición Aug 07 2020 El autor pretende contribuir al estudio del fenómeno administrativo, en sus diferentes manifestaciones: como ciencia o teoría susceptible de ser aprendida y enseñada en el proceso de formación profesional como técnica, cuyos principios y postulados son aplicables en la ejecución de procesos administrativos, que capacita y caracteriza al líder y facilita sus actividades de dirección, gerencia y gestión. La presente edición es actualizada con las diferentes tendencias y escuelas así como las teorías y prácticas de la administración. En esta tercera edición, además de actualizar los capítulos referentes a atención en salud, elementos de planeación, evaluación y control de procesos de calidad y herramientas de gestión para los auditores; se incorpora un nuevo capítulo sobre el indicador "seis sigma", la cual es una metodología centrada en el cliente, que aumenta los niveles de calidad y mejora de forma radical las ganancias financieras de las organizaciones. De igual manera, se hizo una actualización sobre la investigación epidemiológica, tema de gran importancia en la práctica de la auditoría; así como en los conceptos de auditoría concurrente.

East Asian Literatures Jan 24 2022 This volume discusses the past, present and future perspectives of literature in Japan, China and South Korea and its interface with India. Since this being a largely unexplored area, an attempt has been made to present a true picture of the literature and cultural milieu of the East Asian countries to the readers through well researched, thought-provoking and enlightening papers contributed by eminent scholars from India, Japan, China and Korea. It is a historical fact that India maintained strong cultural ties with East Asian countries directly or indirectly through religion and culture since ancient times. This cultural bond has become all the more significant and meaningful in this age of information technology and globalization. In this context, literature has a great role to play. To be precise, it is only through literature that this existing bond of cultural affinity among India and East Asian countries could be nurtured and strengthened. This book gives a vivid picture of the state of the past and present literary trends in Japan, China and South Korea, the influence of Indian literary trends and thought on their literatures, and the general perception and assimilation of East Asian literatures in India. This book would be a unique and comprehensive reference material for teachers, researchers, students, writers, and literary critics of Indian and East Asian literatures.

Peru, Summary of Biostatistics Apr 02 2020

Colombia Before Independence Oct 09 2020 This book describes and analyzes economic and political developments in Colombia during the final century of Spanish rule. Its purpose is threefold: first, to provide a general portrait of Colombian society during the late colonial period, showing the character of economic, social, and political life in the territory's principal regions; second, to assess the impact on the region of European imperialist expansion during the eighteenth century; and third, to provide a context for understanding the causes of independence. The book offers the only available survey of Colombian history and historiography for this period.

Tercera parte de la Historia Pontifical y Catolica. Compuesta ... por ... Luis de Bavia [as a continuation of the work by G. de Illescas and others]. etc Oct 21 2021

Handbook of Latin American Studies Mar 26 2022 Beginning with volume 41 (1979), the University of Texas Press became the publisher of the Handbook of Latin American Studies, the most comprehensive annual bibliography in the field. Compiled by the Hispanic Division of the Library of Congress and annotated by a corps of more than 130 specialists in various disciplines, the Handbook alternates from year to year between social sciences and humanities. The Handbook annotates works on Mexico, Central America, the Caribbean and the Guianas, Spanish South America, and Brazil, as well as materials covering Latin America as a whole. Most of the subsections are preceded by introductory essays that serve as biannual evaluations of the literature and research under way in specialized areas. The Handbook of Latin American Studies is the oldest continuing reference work in the field. Dolores Moyano Martin, of the Library of Congress Hispanic Division, has been the editor since 1977, and P. Sue Mundell was assistant editor from 1994 to 1998. The subject categories for Volume 56 are as follows: ? Electronic Resources for the Humanities ? Art ? History (including ethnohistory) ? Literature (including translations from the Spanish and Portuguese) ? Philosophy: Latin American Thought ? Music

Modern Spain Sep 27 2019 Fulfilling the need for English-source material on contemporary Spain, this book supplies readers with an in-depth, interdisciplinary guide to the country of Spain and its intricate, diverse culture. • Serves as a general reference guide to Spain that presents historical information as well as details about everyday life in modern-day Spain • Covers a huge variety of topics ranging from sports and literature to gastronomy and geography • Addresses virtually every issue and concern related to 21st-century Spain • Provides the most up-to-date facts in a fair, unprejudiced manner • Connects relevant aspects of Spain with those of other countries, giving readers perspective into the obvious differences and subtle nuances between unfamiliar cultures

Handbook of South American Indians: Physical anthropology, linguistics and cultural geography of South American Indians May 04 2020

Staging Frontiers Dec 11 2020 Swashbuckling tales of valiant gauchos roaming Argentina and Uruguay were nineteenth-century Latin American bestsellers. But when the stories jumped from the page to the circus stage and beyond, their cultural, economic, and political influence revolutionized popular culture and daily life. In this expansive and engaging narrative William Acree guides readers through the deep history of popular entertainment before turning to circus culture and rural dramas that celebrated the countryside on stage. More than just riveting social experiences, these dramas were among the region's most dominant attractions on the eve of the twentieth century. Staging Frontiers further explores the profound impacts this phenomenon had on the ways people interacted and on the broader culture that influenced the region. This new, modern popular culture revolved around entertainment and related products, yet it was also central to making sense of social class, ethnic identity, and race as demographic and economic transformations were reshaping everyday experiences in this rapidly urbanizing region.

Panorama Histórico Forestal de Puerto Rico Apr 26 2022 An investigation into government forestry policies in Puerto Rico and how these have impacted on the condition of the country's forests.

Coca Prohibition in Peru Jan 12 2021 The first book to provide a historical overview of coca. In tracing the arguments of the participants in the coca debates during the last four centuries, it surveys the role of the leaf in Peru's sociopolitical history, focusing on coca usage as a source of controversy for the policy makers among the coastal elites who have dominated Peruvian politics and economics since the Spanish conquest.

Historia 3 Carbajal Aug 31 2022 El puerto de llegada son los aprendizajes esperados que el alumno debe alcanzar después de recorrer cada una de las secuencias didácticas y actividades diseñadas para ello; comunicarse, solucionar conflictos, gestionar emociones, conocerse a sí mismo y conocer a los demás a través de una participación dinámica y colaborativa son las estrategias para lograrlo, porque si bien es importante que cada uno sea el capitán de su destino, también lo es entender que todos somos parte de la tripulación.

Humanities Feb 10 2021 "The one source that sets reference collections on Latin American studies apart from all other geographic areas of the world.... The Handbook has provided scholars interested in Latin America with a bibliographical source of a quality unavailable to scholars in most other branches of area studies." —Latin American Research Review Beginning with volume 41 (1979), the University of Texas Press became the publisher of the Handbook of Latin American Studies, the most comprehensive annual bibliography in the field. Compiled by the Hispanic Division of the Library of Congress and annotated by a corps of more than 130 specialists in various disciplines, the Handbook alternates from year to year between social sciences and humanities. The Handbook annotates works on Mexico, Central America, the Caribbean and the Guianas, Spanish South America, and Brazil, as well as materials covering Latin America as a whole. Most of the subsections are preceded by introductory essays that serve as biannual evaluations of the literature and research under way in specialized areas. The Handbook of Latin American Studies is the oldest continuing reference work in the field. Lawrence Boudon, of the Library of Congress Hispanic Division, has been the editor since 2000, and Katherine D. McCann has been assistant editor since 1999. The subject categories for Volume 60 are as follows: Art History (including ethnohistory) Literature (including translations from the Spanish and Portuguese) Music Philosophy: Latin American Thought

Handbook of South American Indians Oct 28 2019

The Case of the Ugly Suitor Jun 24 2019 "In the courtrooms of nineteenth-century Buenos Aires, children battled parents in order to fulfill their romantic desires and marry the mate of their choice. Parents and guardians also struggled for custody of young children: some did this out of love, while others were greedy for child labor. In courtrooms and elsewhere, women challenged their traditional status as social and intellectual inferiors. Though all these struggles existed in earlier times, the nineteenth century injected a new dynamic into such conflicts: Argentina's revolution against Spain and the subsequent attempts by political and intellectual leaders to craft a new nation out of the vestiges of Spanish colonialism." --BOOK JACKET.

The Willow and the Spiral Nov 29 2019 Octavio Paz (México, 1914–1998) was one of the foremost poets and essayists of the twentieth century. Read in translations into many of the world's languages, Paz received numerous awards and prizes during his lifetime, participated in major artistic and political movements of the twentieth century, served as Mexico's ambassador in India (1962–1968), and was the editor of *Plural* and *Vuelta*, two literary journals of prominent influence in Mexico, Latin America, and Spain. In 1990 Paz was awarded the Nobel Prize in Literature. This book of essays is a commemoration of Octavio Paz on the first centenary of his birth, a celebration undertaken with Paz's distinguishing legacy: criticism, internationally inclusive, and open to differing viewpoints. *The Willow and the Spiral: Essays on Octavio Paz and the Poetic Imagination* contains studies in English and in Spanish by top-ranking Paz scholars from various continents and wide-ranging literary traditions, as well as by an emerging generation of critics who approach the work of Octavio Paz from diverse and recent theoretical methods. Specially written for this volume, the fourteen essays are in-depth studies of Paz's poetry and essays in relation to art, eroticism, literary history, politics, the art of translation, and to Paz's life-long reflections on world cultures and civilizations as represented by China, France, India, Japan, the United States and, among others, Mesoamerica. The essays range from new critical analyses of *Piedra de sol* (Sunstone) and *Blanco*, to studies of Renga, the haiku tradition and, among other topics, Marcel Duchamp and the literary Avant-Garde. This book will be of importance to Paz scholars, teachers, students, and the general reader interested in Octavio Paz and in topics related to artistic, literary, and cultural movements that shaped the twentieth century and that continue to inspire and steer artists and writers in the twenty-first century.

The Late Cenozoic of Patagonia and Tierra del Fuego Jul 26 2019 Written by highly qualified Argentine scientists and scholars, this book focuses on the uninterrupted geological and paleontological record of Patagonia and Tierra del Fuego since the Miocene-Pliocene boundary to the arrival of man and modern times. This region is an outstanding area for research, with significant interest at the international level. It provides an updated overview of the scientific work in all related fields with a strong paleoclimatic approach. Patagonia has also been a sort of a "paleoclimatic bridge" between the Antarctic Peninsula and the more northerly land masses, since the final opening of the Drake Passage in the middle Miocene. Timely and comprehensive, *The Late Cenozoic of Patagonia and Tierra del Fuego* is the only monograph book written in English. * One-stop resource for paleontological information of the Late Cenozoic of Patagonia * Covers 5 million years in the uninterrupted history of Patagonia and Tierra del Fuego * Comprehensive coverage of the region written by highly qualified Argentine scientists and scholars

Blacks, Mulattos, and the Dominican Nation Jun 28 2022 *Blacks, Mulattos, and the Dominican Nation* is the first English translation of the classic text *Los negros, los mulatos y la nación dominicana* by esteemed Dominican scholar Franklin J. Franco. Published in 1969, this book was the first systematic work on the role of Afro-descendants in Dominican society, the first society of the modern Americas where a Black-Mulatto population majority developed during the 16th century. Franco's work, a foundational text for Dominican ethnic studies, constituted a paradigm shift, breaking with the distortions of traditional histories that focused on the colonial elite to place Afro-descendants, slavery, and race relations at the center of Dominican history. This translation includes a new introduction by Silvio Torres-Saillant (Syracuse University) which contextualizes Franco's work, explaining the milieu in which he was writing, and bringing the historiography of race, slavery, and the Dominican Republic up to the present. Making this pioneering work accessible to an English-speaking audience for the first time, this is a must-have for anyone interested in the lasting effects of African slavery on the Dominican population and Caribbean societies.

Law, Labour, and Empire Jul 06 2020 Seafarers were the first workers to inhabit a truly international labour market, a sector of industry which, throughout the early modern period, drove European economic and imperial expansion, technological and scientific development, and cultural and material exchanges around the world. This volume adopts a comparative perspective, presenting current research about maritime labourers across three centuries, in the Mediterranean Sea and the Atlantic and Indian Oceans, to understand how seafarers contributed to legal and economic transformation within Europe and across the world. Focusing on the three related themes of legal systems, labouring conditions, and imperial power, these essays explore the dynamic and reciprocal relationship between seafarers' individual and collective agency, and the social and economic frameworks which structured their lives.

A Social History of Black Slaves and Freedmen in Portugal, 1441-1555 Dec 23 2021 This book is a detailed study of black slavery in Portugal during the fifteenth and sixteenth centuries.

The Devil and the Land of the Holy Cross Jul 18 2021 Originally published in Brazil as *O Diabo e a Terra de Santa Cruz*, this translation from the Portuguese analyzes the nature of popular religion and the ways it was transferred to the New World in the sixteenth and seventeenth centuries. Using richly detailed transcripts from Inquisition trials, Mello e Souza reconstructs how Iberian, indigenous, and African beliefs fused to create a syncretic and magical religious culture in Brazil. Focusing on sorcery, the author argues that European traditions of witchcraft combined with practices of Indians and African slaves to form a uniquely Brazilian set of beliefs that became central to the lives of the people in the colony. Her work shows how the Inquisition reinforced the view held in Europe (particularly Portugal) that the colony was a purgatory where those who had sinned were exiled, a place where the Devil had a wide range of opportunities. Her focus on the three centuries of the colonial period, the multiple regions in Brazil, and the Indian, African, and Portuguese traditions of magic, witchcraft, and healing, make the book comprehensive in scope. Stuart Schwartz of Yale University says, "It is arguably the best book of this genre about Latin America...all in all, a wonderful book." Alida Metcalf of Trinity University, San Antonio, says, "This book is a major contribution to the field of Brazilian history...the first serious study of popular religion in colonial Brazil...Mello e Souza is a wonderful writer."

Being the Nação in the Eternal City Nov 09 2020 James William Nelson Novoa's new book *Being the Nação in the Eternal City* explores, in a set of case studies focusing on seven carefully chosen figures, the presence of Portuguese individuals of Jewish origin in Rome after the initial creation of a tribunal of the Portuguese Inquisition in 1531. The book delves into the varied ways in which the protagonists, representing a cross-section of Portuguese society, went about grappling with the complexities of a New Christian identity, and tracks them through their interactions with Roman society and its institutions. Some chose to flaunt Jewish origins. They espoused a sense of being part of a distinctive group, the Portuguese New Christian *nação*, that set them apart from other Portuguese. Others chose to blend as much as possible into the broader Iberian world represented at Rome, and avoided calling attention to their family past. All, however, had in their own way to work out the multiple shades of what was involved in being a Portuguese with Jewish roots needing to navigate the social and cultural pathways through Rome, the urban center of the Catholic Church. The book draws on archival research conducted in the Vatican, elsewhere in Italy, in Spain, and in Portugal. It brings a variety of sources to bear on the complex phenomenon of emergent group identities. It also proposes a critical reflexion on diasporas, the formation of sub-national communities, and on the structuring of collective memory in Early Modern Europe. The work will be useful to scholars and general readers interested in the Portuguese New Christian diaspora, in sixteenth century Rome, and in the dynamics of community consciousness in Early Modern Europe. In stock. Purchase direct from Baywolf Press / Éditions Baywolf & Portuguese Studies Review. Le nouvel ouvrage de James William Nelson Novoa, *Being the Nação in the Eternal City*, se penche sur la présence des Portugais d'origine juive à Rome après l'installation d'un tribunal de l'Inquisition au Portugal en 1531. Le livre présente, dans un cadre analytique, sept vignettes de personnages historiques. Il documente en particulier les façons dont ces agents, qui représentaient une coupe de la société portugaise contemporaine, choisirent d'affronter les exigences de leur nouvelle identité chrétienne, tout en jouant des interactions avec la société romaine et ses institutions. Certains affichaient leur racines juives. Ils épousaient un sens d'appartenir à un groupe particulier, la *nação* des Chrétiens Nouveaux d'origine portugaise. D'autres choisirent de s'intégrer le plus étroitement possible au petit monde des expatriés ibériques de toutes sortes à Rome, évitant d'afficher le passé. Tous durent affronter les multiples incertitudes pénombreuses d'être Portugais d'origine juive navigant entre les écueils culturels et sociaux de Rome, le siège urbain de l'Église catholique. L'ouvrage est un fruit de recherches menées en Italie, au Vatican, en Espagne, et au Portugal. Il invoque des sources diversifiées pour illuminer le phénomène complexe d'identités collectives émergentes. Il propose également des réflexions critiques au sujet de diasporas, de communautés sub-étatiques en crèche, et de la mémoire collective au sein de l'Europe moderne naissante. Le livre s'adresse surtout à tous ceux, spécialistes ou non, qui s'intéressent à la diaspora des Nouveaux Chrétiens portugais, la ville de Rome au seizième siècle, et la dynamique formative communautaire au début de la période moderne.

Rudo Ensayo Oct 01 2022 Just as the *Rudo Ensayo* is more an historic document than a mere history, so this new translation of it is more a documented interpretation than simply a new translation. The translator/editors bring their expert knowledge of the area, the language, and the history to every page of Nentvig's manuscript. Pradeau and Rasmussen have clarified many of the ambiguities of earlier translations by Smith (1863) and Guiteras (1894), and have added substantial annotations to the author's accounts of fauna and flora, native culture, and Spanish outposts. An incomparable record of a twelve-year mission in 18th century Sonora, the *Rudo Ensayo* as rendered in modern English is also a fascinating travelogue through an untamed land.

Postcards from the Chihuahua Border Jan 30 2020 Just a trolley ride from El Paso, Ciudad Juárez was a popular destination in the early 1900s. Enticing and exciting, tourists descended on this and other Mexican border towns to browse curio shops, dine and dance, attend bullfights, and perhaps escape Prohibition America. In *Postcards from the Chihuahua Border* Daniel D. Arreola captures the exhilaration of places in time, taking us back to Mexico's northern border towns of Ciudad Juárez, Ojinaga, and Palomas in the early twentieth century. Drawing on more than three decades of archival work, Arreola uses postcards and maps to unveil the history of these towns along west Texas's and New Mexico's southern borders. Postcards offer a special kind of visual evidence. Arreola's collection of imagery and commentary about them shows us singular places, enriching our understandings of history and the history of change in Chihuahua. No one postcard tells the entire story. But image after image offers a collected view and insight into changing perceptions. Arreola's geography of place looks both inward and outward. We see what tourists see, while at the same time gaining insight about what postcard photographers and postcard publishers wanted to be seen and perceived about these border communities. *Postcards from the Chihuahua Border* is a colorful and dynamic visual history. It invites the reader to time travel, to revisit another era—the first half of the last century—when these border towns were framed and made popular through picture postcards.
