**War Against War** Sep 07 2020 A dramatic account of the Americans who tried to stop their nation from fighting in the First World War—and came close to succeeding. In this “fascinating” (Los Angeles Times) narrative, Michael Kazin brings us into the ranks of one of the largest, most diverse, and most sophisticated peace coalitions in US history. The activists came from a variety of backgrounds: wealthy, middle, and working class; urban and rural; white and black; Christian and Jewish and atheist. They mounted street demonstrations and popular exhibitions, attracted prominent leaders from the labor and suffrage movements, ran peace candidates for local and federal office, met with President Woodrow Wilson to make their case, and founded new organizations that endured beyond the cause. For almost three years, they helped prevent Congress from authorizing a massive increase in the size of the US army—a step advocated by ex-president Theodore Roosevelt. When the Great War’s bitter legacy led to the next world war, the warnings of these peace activists turned into a tragic prophecy—and the beginning of a surveillance state that still endures today. Peopled with unforgettable characters and written with riveting moral urgency, *War Against War* is a “fine, sorrowful history” (The New York Times) and “a timely reminder of how easily the will of the majority can be thwarted in even the mightiest of democracies” (The New York Times Book Review).

*Exrated* Aug 07 2020 Tyler Westbrook, better known as Johnny Depth, is taking the adult film industry by storm. With his playboy looks, it's no surprise a few coworkers have attempted to take things off set and into the bedroom, but Tyler refuses to blur the lines between work and play...until the new assistant to the director walks in. Jemma Morgan was recently fired from a lead role on a kid's TV show that was supposed to be her big break. Unable to get another acting gig, she's accepted a job in an industry she never expected to be a part of. Although she anticipates being shocked her first few days on set, nothing could prepare her for the moment she's asked to hold the

reflector as her ex-boyfriend plows through a woman like a Kansas cornfield. In a world of lube and fake moans, is there a place for a second chance? Exes and some serious ohs...the term ex-rated just took on a whole new meaning.

**Occupational Health and Safety** May 04 2020 Occupational health and safety (OHS) is an important focus of governments and organizations throughout the world because there are over 2.78 million fatal and 374 million nonfatal work-related injuries and illnesses experienced by employees every year. Addressing these requires paying attention to the physical organizational, cultural, and social contexts amidst which work is undertaken. A multidisciplinary approach is also necessary in finding effective solutions. Interestingly, countries and regions address different aspects of OHS depending on what OHS hazards and risks are important to them. This book, based on research from Australia, Belgium, Ghana, Malaysia, Turkey, and Slovakia, examines how a range of OHS hazards are addressed in these contexts. We believe that this is an important first step in addressing an age-old OHS problem through a multiregional collaboration.

**Set on You** May 16 2021 One of... Amazon's Best Romances of 2022 So Far Bustle's Most Anticipated Books of May Goodreads' Most Anticipated May Romances SheReads' Best Romance Books Coming in 2022 A gym nemesis pushes a fitness influencer to the max in Amy Lea's steamy debut romantic comedy. Curvy fitness influencer Crystal Chen built her career shattering gym stereotypes and mostly ignoring the trolls. After her recent breakup, she has little stamina left for men, instead finding solace in the gym - her place of power and positivity. Enter firefighter Scott Ritchie, the smug new gym patron who routinely steals her favorite squat rack. Sparks fly as these ultra-competitive foes battle for gym domination. But after a series of escalating jabs, the last thing they expect is to run into each other at their grandparents' engagement party. In the lead up to their grandparents' wedding, Crystal discovers there's a soft heart under Scott's muscled exterior. Bonding over family, fitness, and cheesy pick-up lines, they just might have found her swolemate. But when a photo of them goes viral, savage internet trolls put their budding relationship to the ultimate test of strength.

**Love, Exes, and Ohs (Cactus Creek, Book 4: Isaac & Xoey)** Jul 30 2022 She's his best friend, and the woman he never stopped loving... To this day, Isaac McKnight still has no idea why the perfectly-imperfect-woman-for-him put an end to their relationship out of the blue. He made sure they stayed friends though. But now, it's a year later and he and Xoey are steadily getting sucked deeper into buddy-zone galaxy, with its dangerous proximity to watch-me-settle-down-with-someone-else abyss. That is...until one drunken confession changes everything. He's the world's greatest ex, and the man she can't risk losing... For Xoey Montenegro, history has taught her that sometimes, it's Prince Charming who does the vanishing. So, as far as tequila-fueled plans for her still-unrecovered love life go, a match-finding formula analyzing the exes responsible for her most epic 'ohs' seems brilliant. The only problem with her genius man-uation, however, is the one ex she never truly got over. Her best friend Isaac. "Every time I pick up one of Violet's stories, I know I'll be in for a heartfelt, emotional, and FUN read. Her heroes are just so swoony and sweet. And sexy!" -- #1 New York Times Bestselling Author Lauren Blakely THE CACTUS CREEK SERIES Love, Chocolate, and Beer [Luke & Dani] Love, Diamonds, and Spades [Rylan & Quinn] Love, Tussles, and Takedowns [Hudson & Lia] Love, Exes, and Ohs [Isaac & Xoey] All the Cactus Creek novels are standalone novels with feel good HEAs. **Second Time Around** Jun 16 2021 For anyone who has ever wondered "What if?," this engaging novel provides a sweet, funny look at friendship, romance, and second chances. Every summer, four college friends hold a mini-reunion. They laugh, reminisce, and commiserate about their soul-sucking jobs. Maybe they should have listened to everyone who warned them to study something "practical." Then an unexpected windfall arrives—one million dollars, to be exact—with the stipulation that they use it to jump-start their new careers. Almost overnight, a professor, a bartender, a copywriter, and an administrative assistant reinvent themselves as a novelist, an event planner, a pastry chef, and a bed-and-breakfast owner. But the changes in their professional roles create unexpected turbulence in their personal lives, and soon the secrets and scandals from their

past start to resurface.

**Love, Tussles, and Takedowns (Cactus Creek, Book 3: Hudson & Lia)** Jan 12 2021 He's a better fighter A fighter to the core, Hudson Reyes has collected enough battle scars now to last several lifetimes. But after his combat injuries retire him from the life he wasn't ready to give up, Hudson finds himself spending the carbon copy days of his new career as a Hollywood fight scene and weapons specialist just doing what he knows best: surviving. Until he meets her. The one woman who makes him want to live again. With wounds as deep as his own, she's a scrappy little thing--an angel-faced paradox that comes as a package deal with an offbeat town of admirably protective, but downright nosy folks. And a wicked roundhouse kick that's become intimately familiar with his head. ...but she has all the weapons. An antique arms authenticator by day and a self-defense instructor by night, Liana Lin has made a living turning the unthinkable demons of her past into the passions that fuel, and fill, her life. So when the unjustly handsome man she's been unable to stop thinking about literally takes her to the mat with martial arts styles unlike anything she's ever seen--pinning her with a molten hot stare that melts her like a marshmallow trapped between a graham cracker and a chocolate square--Lia flips into no-holds-barred fight mode. Because if one man could find a way to disarm her carefully-built defenses, it'd be him. Now if only they could stop sparring long enough to find out...

**Why Does the World Exist?: An Existential Detective Story** Sep 27 2019 The Washington Post Notable Non-Fiction of 2013 "I can imagine few more enjoyable ways of thinking than to read this book."—Sarah Bakewell, New York Times Book Review, front-page review Tackling the "darkest question in all of philosophy" with "raffish erudition" (Dwight Garner, New York Times), author Jim Holt explores the greatest metaphysical mystery of all: why is there something rather than nothing? This runaway bestseller, which has captured the imagination of critics and the public alike, traces our latest efforts to grasp the origins of the universe. Holt adopts the role of cosmological detective, traveling the globe to interview a host of celebrated scientists, philosophers, and writers, "testing the contentions of one against the theories of the other" (Jeremy Bernstein, Wall Street Journal). As he interrogates his list of ontological culprits, the brilliant yet slyly humorous Holt contends that we might have been too narrow in limiting our suspects to God versus the Big Bang. This "deft and consuming" (David Ulin, Los Angeles Times) narrative humanizes the profound questions of meaning and existence it confronts.

**Nearlyweds** Mar 14 2021 An irresistible, romantic comedy from award-winning author Beth Kendrick—three wildly different women form an unlikely friendship as they try to decide whether they'd re-do their I Do's. They've had the white dresses and the fancy receptions. But now that the honeymoon's over, Stella, Casey, and Erin have each had to face some hard truths about the men they've married and the lives they've chosen. So when the news breaks that the pastor who presided over their weddings failed to file a few critical pieces of paper, none of these newlyweds is rushing down to the courthouse to legalize her vows. Instead, the brides share their hopes, disappointments, and secrets while grappling with that pivotal question: Should they stay or should they go? Everyone says the first year of marriage is the hardest...but what would you do if you found out that you were never really married in the first place?

**Hot Mess: Summer in the City** Mar 26 2022 EMMA FREEMAN IS waving buh-bye to her standard summer of stationwagoning around the suburbs. This summer she's heading to the big city. Emma's totally prepped for days at a fabulous internship and nights of socialite-ing around town. But when you're 17 and not an heiress, reality is far from pink fizzy drinks and red velvet ropes. As the summer heats up, Emma learns that glamour is hard to come by when your only friend is too boy-crazy to hang, your budget is more H&M than D&G, and you spend 8 hours a day working for a man who proves that the devil wears Dockers too. Add one little white lie told to one very hot coworker and a roommate who makes Paris Hilton look junior varsity, and this summer in the city is starting to turn into one hot mess.

**15 Minutes to Fitness** Dec 31 2019 Do you ever feel like a hamster, spinning on a wheel in an endless loop and getting nowhere when it comes to your health and fitness? Are you working out

regularly and cutting calories but seeing no real improvements? Does it feel like you will never lose those last 10 or 20 pounds? Or do you feel as if you simply don't have the time required to lose the fat and get into shape? Imagine if you could have the blueprint for the most efficient form of exercise to keep your body healthy and fit and an eating plan to satisfy hunger, taste, and health. Well, now you can. The best part? It will only require 15 minutes of exercise, twice a week, paired with a controlled-carb diet, and on the average, you will lose 10 pounds of fat within five weeks. It's hard to believe, but it works—and 15 Minutes to Fitness: Dr. Ben's SMaRT plan for total Fitness will not only show you how to do it but also explain why it works. If this sounds like just another "new exercise secret," please be assured that it is most certainly not. The foundation of this program is based on years of study, observation, and practice, and it has delivered real, measurable results in the overwhelming majority of those who have tried it. Dr. Vincent "Ben" Bocchicchio has spent the last 40 years in the fitness and health field, and as he approaches 70, people are still shocked to hear that he only spends 14 minutes twice a week on working out. But it's true. With only 7 percent body fat, he is often asked what the secret is and if there's a "magic bullet." The answer would be that the magic bullet is knowledge. And now with this book you will understand why genetically our bodies require simple and limited exercise exposure and how you can follow this optimal pattern yourself. The fact is that as humans we are hard-wired to exercise our bodies in very specific ways to reap the highest level of health benefits. I will provide the simple scientific argument for why my combination of high intensity exercise and controlled carbohydrate eating is the most effective means for burning fat, so that you can better understand exactly why this works. Exercise and diet are the two most powerful tools available for attaining high levels of health and function, and 15 Minutes to Fitness will show you just how little it actually takes to achieve a maximum response.

**Project Self** Nov 09 2020 Project Self is a poetry collection allowing you to connect thought, emotion, and inspiration. The gravity of the content depends upon how you project yourself.

*Pain Management and the Opioid Epidemic* Nov 29 2019 Drug overdose, driven largely by overdose related to the use of opioids, is now the leading cause of unintentional injury death in the United States. The ongoing opioid crisis lies at the intersection of two public health challenges: reducing the burden of suffering from pain and containing the rising toll of the harms that can arise from the use of opioid medications. Chronic pain and opioid use disorder both represent complex human conditions affecting millions of Americans and causing untold disability and loss of function. In the context of the growing opioid problem, the U.S. Food and Drug Administration (FDA) launched an Opioids Action Plan in early 2016. As part of this plan, the FDA asked the National Academies of Sciences, Engineering, and Medicine to convene a committee to update the state of the science on pain research, care, and education and to identify actions the FDA and others can take to respond to the opioid epidemic, with a particular focus on informing FDA's development of a formal method for incorporating individual and societal considerations into its risk-benefit framework for opioid approval and monitoring.

*Exes and Ohs* May 28 2022 exit the groom... Child psychologist Gwen Traynor has learned the hard way that "perfect" men aren't always what they seem. After being dumped the night before her wedding, she's understandably wary of diving back into the dating pool. But when she meets Alex Coughlin, she's convinced her luck is changing. He's smart, handsome, funny -- an ideal rebound guy. She doesn't intend to fall in love with him, but scintillating dates and mind-blowing physical chemistry have a way of winning a girl over. enter the ex... Just as things are heating up with Alex, Gwen meets her newest patient -- a precocious preschooler whose chaotic soap opera-actress of a mother, Harmony, sounds an awful lot like one of Alex's crazy ex-girlfriends. Mostly because she is one of Alex's crazy ex-girlfriends. Unfortunately for Gwen, Harmony has a secret that plunges them all into a real-life daytime drama, complete with sex, lies, and Vegas elopements. With Harmony

determined to reunite with Alex and Gwen's ex-fiancé begging for a second chance, only one thing is certain: New loves and old flames are an explosive combination.

**The Modern Gentleman** Oct 09 2020 A guide for men on the finer points of life covers a variety of topics on manners and etiquette.

*The Love Bunglers* Feb 22 2022 The suppression of family history is the initial thread that ties together *The Love Bunglers*, featuring Hernandez's longtime Love and Rockets heroine Maggie. Because these secrets can't be dealt with openly, their lingering effect is even more powerful. But Maggie's ability to navigate and find meaning in her life - despite losing her culture, her brother, her profession, and her friends - is what's made her a compelling character. After a lifetime of losses, Maggie finds, in the second half, her longtime off and on lover, Ray Dominguez. Much like John Updike in his four Rabbitnovels, Jaime Hernandez has been following his longtime character Maggie around for several decades, all of which has seemed to be building towards this book in particular.

Looped Apr 14 2021 A remarkably assured and accomplished debut novel that encompasses the bursting life of contemporary Chicago, *Looped* tells the separate stories of a diverse group of Chicagoans—black, brown, and white, gay, straight, and bi—as their lives unfold in diverging and (occasionally) converging ways over the course of the year 2000. Among the characters are the family of a middle-class black postman whose runaway daughter has just learned she's pregnant; a gifted half-Vietnamese high-schooler whose troubled father spies on the son he abandoned years earlier; a tradition-bound Greek diner owner whose upwardly mobile daughter, embarrassed by her ethnic roots, is snarled in a loveless marriage; a gay chef whose shaky relationship is strained by the visit of his closeted lover's uncle, a Catholic priest; and the motley members of an up-and-coming band shaken by the breakup of its ambitious lead guitarist and his sexually confused songwriter girlfriend. Ambitious, sprawling, engrossing, multifaceted, insightful, and readable, *Looped* explodes with a life and vitality that mirrors the multicultural reality of 21st-century Chicago, where the families that sustain us are more likely to be those we've created than those we're born to.

*Ross O'Carroll-Kelly, PS, I scored the bridesmaids* Jun 04 2020 So there I was, roysh, twenty-three years of age, still, like, gorgeous and rich, living off my legend as a schools rugby player, scoring the birds, being the man, when all of a sudden, roysh, life becomes a total mare. I don't have a Betty Blue what's wrong, but I can't eat, can't sleep, I don't even want to do the old beast with two backs, which means a major problem, and we're talking big time here. Normally my head is so full of, like thoughts, but now I'm down to just one: Sorcha, I'm playing it Kool and the Gang, but this is basically scary. I mean, I'm Ross O'Carroll-Kelly, for fock's sake, I don't do love.

Exes and O's Apr 26 2022 Ali Daniels is a successful writer. Too bad she can't say the same for her love life. After yet another failed relationship, she decides it's time to dig deep and find out what she's doing wrong. Contacting her exes with a questionnaire seems like a piece of cake, until she

gets to her high school sweetheart and the girl who shattered her heart, Madison Parker. Madison has made a neat little life for herself in her small hometown, whose only claim to fame is being an hour from the beach. She's content running the donut shop her father left her and hanging with her sister and nieces. The last thing she expects is for Ali to drop back into her life. After the way Ali left town twenty years ago without so much as an explanation, Madison really shouldn't be feeling any sort of attraction, but she can't seem to help herself. After all this time, Ali and Madison really only have one thing in common. The girl who broke their heart may be the only one who can put it back together.

**Fashionably Late** Jan 24 2022 From a winning voice in fiction -- the author of *My Favorite Mistake* and *Exes and Ohs* -- comes a romantic comedy that will have you in stitches. She's late for her life... Becca Davis has always played it safe -- denying her passion for fashion design in a dead-end job and letting her pragmatic boyfriend (mastermind of the "Kevin Bradley Ten-Year Plan") make the tough decisions in life. Stunned into saying yes when Mr. Predictable springs a surprise proposal on her, Becca realizes that she's running out of time to turn her life around. She's only got one more chance to chase her dreams and no one -- not her control freak fiancé, not her dramaholic sisters, not her overprotective parents -- will talk her out of it. He's right on time. Terrified but determined, Becca breaks off her engagement, moves in with her sister in Los Angeles, and prepares to take the fashion world by storm. The reality of the Hollywood scene is much harsher than she anticipated -- lots of slamming doors, snooty clients, and double-crossing celebrity stylists -- but she won't give up. And while she's waiting for her big break, she meets Connor, a sexy risk-taker who's the polar opposite of her ex-fiancé. Is Becca ready for his all-or-nothing approach to love? With her design business taking off and her family starting to fall apart, she's about to learn the timeliest lesson of all: Love and fashion wait for no woman.

**Carrie and Hope** Mar 02 2020 Artist Carrie Martin is struggling with the probability of profound loss when she meets Hope Garret in a grief support group. Hope is warm and easy to open up to, not to mention beautiful. Hope makes the perfect model for a series of figure paintings, and they build a friendship that helps Carrie find meaning in life again. Carrie is determined to keep things professional though, even if she can't deny her attraction. Temptation may prove impossible to resist and Carrie's heart is on the line when she discovers Hope has secrets of her own. When a past mistake puts everything at risk, can the truth win out and love conquer all?

**Exes and Ohs** Aug 31 2022 Think you've have some outrageous dating horror stories? You don't have anything on Shallon Lester. Spunky Shallon Lester has accumulated more than her fair share of embarrassing stories. In this collection of hilarious essays, she chronicles her dorky, daring, and awkward journey from waitress at the ninth circle of hell known as Houston's Time Square restaurant, to columnist at one of New York's leading gossip magazines, to MTV reality star, gleefully weaving in stories of all boys she's loved, lost, and avenged along the way. Complete with cringe-worthy tales of: -The time a new boyfriend found the stockpile of Magnum condoms hidden under her bed -Getting caught stealing (borrowing?) bacon from her local supermarket -Unwittingly getting romantically involved with the leader of a mafia ring -Being dumped on Valentine's Day (for the second year in a row), just minutes before being forced to attend El Concierto Del Amor con Marc Anthony y Jennifer Lopez. Alone. Did I mention on Valentine's day? -An unfortunate sholess, sweaty, shoe-less run in with Ed Westwick and Chace Crawford on an East Village Street Corner With a fresh and irresistible voice that makes you want to sit down and rehash last night's misadventures over martinis, Lester speaks volumes to anyone who's even been young, ambitious, and a little bit slutty.

**Love Complicated** Oct 21 2021 From USA Today bestselling author, Shey Stahl, comes a sexy and hilarious romance in her new *Ex's and Oh's* series of standalones. Love is not simple. I'm friendless. It happens when you discover your best friend has been sleeping with your husband. As if trying to navigate being a single mom and a divorce isn't enough, to complicate my life even more, I can't seem to stay away from the one man who's constantly on my mind. He's arrogant, dangerously handsome, and impossible to ignore. He's also not my husband. He's my son's second grade teacher.

Ridge Lucas. Like I said, complicated. Everyone remembers when Ridge left town, but nobody knows his intentions now that he's back and looking for the girl he left behind. Love is complicated. She was the good girl, the town sweetheart. She never once looked my way, despite my efforts to get her attention. Everything I did was to get her to notice me, until she finally did, and I let the chance slip through my hands. She chose the all-star football player over the troubled bad boy. I can't say I blame her. Ten years ago, I left town and turned my world upside down. Now that I'm back, I'm wearing down her defense, and she's questioning everything she thought she knew about love. She's about to find out the good guy isn't always the right choice. Sometimes you need the delinquent with the rebel heart to show just how good bending the rules can be.

*Hexes and O's* Dec 23 2021 *Inherited*: One haunted house; One witch's manual; One mandatory 'to do' list. *Not Inherited*: One hunky neighbor; One memory-challenged ghost; One set of town gossips When down-on-her-luck costume designer Remington Smith receives a surprise inheritance, she must return to the town she swore to forget. And complete a list of mandatory projects. And learn to cast magic spells. Magic spells? Too bad the hunky guy next door keeps getting in the way. After a tornado ravages a small town, Jason Hart purchases ninety percent of the property as a cooperate training ground for Think Tank Innovations. But his first renovation crew quits. Then another. And another. They all say ghosts are running amok—and the whole town is hexed with an anti-love spell. Except Jason doesn't believe in ghosts or (anti) love spells. And given how drawn he is to his spunky new neighbor, that doesn't seem likely to change anytime soon. While Remington works to complete her inherited to-do-list, avoid falling for her playboy neighbor, and learn how to cast spells that don't backfire, she discovers a deadly mystery involving the orphanage where she grew up. A mystery so

deadly that Jason starts trying to shove her out of town and out of his life. But Remington has never been good at taking orders.

*We Are Water* Jul 06 2020 A disquieting and ultimately uplifting novel about a marriage, a family, and human resilience in the face of tragedy, from Wally Lamb, the New York Times bestselling author of *The Hour I First Believed* and *I Know This Much Is True*. After 27 years of marriage and three children, Anna Oh—wife, mother, outsider artist—has fallen in love with Viveca, the wealthy Manhattan art dealer who orchestrated her success. They plan to wed in the Oh family's hometown of Three Rivers in Connecticut. But the wedding provokes some very mixed reactions and opens a Pandora's Box of toxic secrets—dark and painful truths that have festered below the surface of the Ohs' lives. *We Are Water* is a layered portrait of marriage, family, and the inexorable need for understanding and connection, told in the alternating voices of the Ohs—nonconformist, Anna; her ex-husband, Orion, a psychologist; Ariane, the do-gooder daughter, and her twin, Andrew, the rebellious only son; and free-spirited Marissa, the youngest. It is also a portrait of modern America, exploring issues of class, changing social mores, the legacy of racial violence, and the nature of creativity and art. With humor and compassion, Wally Lamb brilliantly captures the essence of human experience and the ways in which we search for love and meaning in our lives.

**Human Resource Management and Occupational Health and Safety** Sep 19 2021

Occupational Health and Safety (OHS) is a complex area which interacts widely with a broader spectrum of business interests and concerns. To date OHS has been confined to the periphery of Human Resource Management (HRM), where its role, influence and importance have been overlooked. This text sets out to reposition OHS in HRM and business agendas. This book unravels the complex range of factors affecting OHS policy, practice and outcomes. These factors are then placed into context within the international airline, call centre and nuclear power industries. The author presents a wide range of primary and secondary research in order to offer an accessible framework for OHS in contemporary occupational settings. This book will be essential reading for students, practitioners and professional academic audiences who seek a broader understanding of the relationship and interaction between HRM principles, policies and practices and OHS.

*Two Bits and Odd Days* Aug 19 2021 *Two Bits and Odd Days* presents a collection of poetry written by author Thomas Springer over a thirty five year span. It consists of previously unpublished material, printed as a collection for the first time. Springer seeks to share his thoughts and insights through original poetry, recalling images and experiences as he has bumbled through his first fifty years. There is no controlling theme, intended or implied. From paying two bits for some candy to remembering the beauty of the Puget Sound, he relates sights and sounds from the mundane to the magnificent. *Two Bits and Odd Days* offers a deeper understanding of life and language and gives us the chance to take a moment to stop, look around, and wonder.

*Exes and Ohs* Oct 01 2022 exit the groom... Child psychologist Gwen Traynor has learned the hard way that "perfect" men aren't always what they seem. After being dumped the night before her wedding, she's understandably wary of diving back into the dating pool. But when she meets Alex Coughlin, she's convinced her luck is changing. He's smart, handsome, funny -- an ideal rebound guy. She doesn't intend to fall in love with him, but scintillating dates and mind-blowing physical chemistry have a way of winning a girl over. enter the ex... Just as things are heating up with Alex, Gwen meets her newest patient -- a precocious preschooler whose chaotic soap opera-actress of a mother, Harmony, sounds an awful lot like one of Alex's crazy ex-girlfriends. Mostly because she is one of Alex's crazy ex-girlfriends. Unfortunately for Gwen, Harmony has a secret that plunges them all into a real-life daytime drama, complete with sex, lies, and Vegas elopements. With Harmony determined to reunite with Alex and Gwen's ex-fiancé begging for a second chance, only one thing is certain: New loves and old flames are an explosive combination.

**Neighbor Dearest** Dec 11 2020 A STANDALONE NOVEL that does NOT need to be read in

conjunction with any other book. From New York Times bestselling author, Penelope Ward, comes a friends-to-lovers story with sexy new characters. After getting dumped, the last thing I needed was to move next door to someone who reminded me of my ex-boyfriend, Elec. Damien was a hotter version of my ex. The neighbor I'd dubbed "Angry Artist" also had two massive dogs that kept me up with their barking. He wanted nothing to do with me. Or so I thought until one night I heard laughter coming through an apparent hole in my bedroom wall. Damien had been listening to all of my phone sessions with my therapist. The sexy artist next door now knew all of my deepest secrets and insecurities. We got to talking. He set me straight with tips to get over my breakup. He became a good friend, but Damien made it clear that he couldn't be anything more. Problem was, I was falling hard for him anyway. And as much as he pushed me away, I knew he felt the same...because his heartbeat didn't lie. I thought my heart had been broken by Elec, but it was alive and beating harder than ever for Damien. I just hoped he wouldn't shatter it for good. Author's note - Neighbor Dearest is a full-length standalone novel.

**Safe Work in the 21st Century** Jul 18 2021 Despite many advances, 20 American workers die each day as a result of occupational injuries. And occupational safety and health (OSH) is becoming even more complex as workers move away from the long-term, fixed-site, employer relationship. This book looks at worker safety in the changing workplace and the challenge of ensuring a supply of top-notch OSH professionals. Recommendations are addressed to federal and state agencies, OSH organizations, educational institutions, employers, unions, and other stakeholders. The committee reviews trends in workforce demographics, the nature of work in the information age, globalization of work, and the revolution in health care delivery—exploring the implications for OSH education and training in the decade ahead. The core professions of OSH (occupational safety, industrial hygiene, and occupational medicine and nursing) and key related roles (employee assistance professional, ergonomist, and occupational health psychologist) are profiled—how many people are in the field, where they work, and what they do. The book reviews in detail the education, training, and education grants available to OSH professionals from public and private sources.

**My Favorite Mistake** Jan 30 2020 FIRST LOVE ISN'T FOREVER... Exhibit A: Faith's little sister, Skye, who muddled through her first divorce at the tender age of twenty-one. Faith has always provided damage control when Skye's love life gets too reminiscent of a daytime drama. But now that Faith has finally found the job, if not the man, of her dreams -- as a culinary writer, currently living la dolce vita in Italy -- she can't just jet back to small-town Minnesota to help her suddenly pregnant little sister heal her broken heart and anemic bank account. BUT NEVER SAY NEVER! Faith has been putting off this homecoming for years, ever since her dad left her family in the lurch, her mother left her in charge of Skye, and a sub-zero case of cold feet led her to call off the engagement to her high school sweetheart, Flynn. But a return to the amber fields of grain might just be what Faith needs to gain some perspective on her past -- and figure out her future. It's been way too long since her last love affair...memories of Flynn still get in the way of every man she meets. But if she and Flynn are really meant to be, why does the path to happily-ever-after have so many potholes?
