Tales of Soldiers and Civilians May 30 2022 This revised edition of Ambrose Bierce's 1892 collection of "Soldiers" and "Civilians" tales fills a void in American literature. A veteran of the Civil War and a journalist known for his integrity and biting satire, Ambrose Bierce was also a lively short-story writer of considerable depth and power. As San Francisco's most famous journalist during the late-nineteenth and early-twentieth centuries, Bierce was hired by William Randolph Hearst to write a column for San Francisco Examiner, where his "Soldiers" and "Civilians" tales first appeared during the late 1880s. By the standards of his day and ours, Bierce's journalism was often brilliantly insightful, viciously libelous, petty, and grand, frequently in the space of a single paragraph. This edition reveals the often compelling artistry of Bierce's original versions of the tales and the intentionally intricate design and scope of the original collection.

Wikipedia @ 20 Dec 01 2019 Wikipedia's first twenty years: how what began as an experiment in collaboration became the world's most popular reference work. We have been looking things up in Wikipedia for twenty years. What began almost by accident--a wiki attached to an nascent online encyclopedia--has become the world's most popular reference work. Regarded at first as the scholarly equivalent of a Big Mac, Wikipedia is now known for its reliable sourcing and as a bastion of (mostly) reasoned interaction. How has Wikipedia, built on a model of radical collaboration, remained true to its original mission of "free access to the sum of all human knowledge" when other tech phenomena have devolved into advertising platforms? In this book, scholars, activists, and volunteers reflect on Wikipedia's first twenty years, revealing connections across disciplines and borders, languages and data, the professional and personal.

DARK TALES (With Original Illustrations) Jul 08 2020 This carefully edited collection has been designed and formatted to the highest digital standards and adjusted for readability on all devices. Excerpts: "I am afraid this ghost story will bear a very faded aspect when transferred to paper. Whatever effect it had on you, or whatever charm it retains in your memory, is, perhaps, to be attributed to the favorable circumstances under which it was originally told." (The Ghost of Doctor Harris) "The aspect of the venerable mansion has always affected me like a human countenance, bearing the traces not merely of outward storm and sunshine, but expressive also, of the long lapse of mortal life, and accompanying vicissitudes that have passed within." (The House of the Seven Gables) American novelist and short story writer Nathaniel Hawthorne's (1804-1864) writing centers on New England, many works featuring moral allegories with a Puritan inspiration. His fiction works are considered to be part of the Romantic movement and, more specifically, Dark romanticism. His themes often centre on the inherent evil and sin of humanity, and his works often have moral messages and deep psychological complexity. Contents: Introduction: Biography of Nathaniel Hawthorne The House of the Seven Gables (A Novel) The Minister's Black Veil The Hollow of the Three Hills The White Old Maid Dr. Heidegger's Experiment The Birth-mark Young Goodman Brown Rappaccini's Daughter Roger Malvin's Burial The Artist of the Beautiful John Inglefield's Thanksgiving Wives of the Dead An Old Woman's Tale Antique Ring Graves and Goblins The Ghost of Doctor Harris Apparitions

Disability Visibility Feb 24 2022 "Disability rights activist Alice Wong brings tough conversations to the forefront of society with this anthology. It sheds light on the experience of life as an individual with disabilities, as told by none other than authors with these life experiences. It's an eye-opening collection that readers will revisit time and time

again.” —Chicago Tribune One in five people in the United States lives with a disability. Some disabilities are visible, others less apparent—but all are underrepresented in media and popular culture. Activist Alice Wong brings together this urgent, galvanizing collection of contemporary essays by disabled people, just in time for the thirtieth anniversary of the Americans with Disabilities Act, From Harriet McBryde Johnson’s account of her debate with Peter Singer over her own personhood to original pieces by authors like Keah Brown and Haben Girma; from blog posts, manifestos, and eulogies to Congressional testimonies, and beyond: this anthology gives a glimpse into the rich complexity of the disabled experience, highlighting the passions, talents, and everyday lives of this community. It invites readers to question their own understandings. It celebrates and documents disability culture in the now. It looks to the future and the past with hope and love.

The Year's Best Fantasy and Horror Mar 04 2020

The Quarterly Review (London) Feb 01 2020

Inferno Mar 16 2021 As stated in her introduction to *Inferno*, Ellen Datlow asked her favorite authors for stories that would "provide the reader with a frisson of shock, or a moment of dread so powerful it might cause the reader outright physical discomfort; or a sensation of fear so palpable that the reader feels compelled to turn on the bright lights and play music or seek the company of others to dispel the fear." Mission accomplished. Datlow has produced a collection filled with some of the most powerful voices in the field: Pat Cadigan, Terry Dowling, Jeffrey Ford, Christopher Fowler, Glen Hirshberg, K. W. Jeter, Joyce Carol Oates, and Lucius Shepard, to name a few. Each author approaches fear in a different way, but all of the stories' characters toil within their own hell. An aptly titled anthology, *Inferno* will scare the pants off readers and further secure Ellen Datlow's standing as a preeminent editor of modern horror. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.
