Half the Church Nov 30 2019 Women comprise at least half the world, and usually more than half the church, but so often Christian teaching to women either fails to move beyond a discussion of roles or assumes a particular economic situation or stage of life. This all but shuts women out from contributing to God's kingdom as they were designed to do. Furthermore, the plight of women in the Majority World demands a Christian response, a holistic embrace of all that God calls women and men to be in his world. The loudest voices speaking into women's lives in the twenty-first century thus far come from either fundamentalist Islam or radical feminism. And neither can be allowed to carry the day. The Bible contains the highest possible view of women and invests women's lives with cosmic significance regardless of their age, stage of life, social status, or culture. Carolyn Custis James unpacks three transformative themes the Bible presents to women that raise the bar for women and calls them to join their brothers in advancing God's gracious kingdom on earth. These new images of what can be in Christ free women to embrace the life God gives them, no matter what happens. Carolyn encourages readers with a positive, kingdom approach to the changes, challenges, and opportunities facing women throughout the world today.

[The Gift of Giving Life Oct 29 2019](#) Pregnancy and childbirth are not to be feared; they are divinely appointed processes that can be joyful, spiritual, and bring families closer to God. The Gift of Giving Life: Rediscovering the Divine Nature of Pregnancy and Birth offers something that no other pregnancy book has before--a spiritual look at pregnancy and birth by and for LDS women and other women of faith. Through moving stories women in the scriptures, women from early Latter-day Saint history, and dozens of modern mothers, The Gift of Giving Life assures readers that God cares deeply about the entire procreative process. The Gift of Giving Life does not advocate for any one type of birth or approach to prenatal care, rather it intends to unify our families and communities in regard to the sacredness of birth. We also aim to provide you with resources, information, and inspiration that you may not have had access to all in one place before. Topics covered include: constant nourishment, meditation, fear, pain, healing from loss, the physical and spiritual ties between the Atonement and childbirth, the role of the Relief Society in postpartum recovery and more. Birthing women, birth attendants, childbirth educators, and interested readers of all faiths are invited to rediscover within these pages the divinity and gift of giving life.

The Hidden Help Meet Mar 27 2022 There is a battle raging. Our families are being fought over by the enemy. A godly woman's effect on the outcome of the war against the family is staggering. In order to fight the good fight, it is clearly important to know how Satan will come at you. In a brilliantly touching way, The Hidden Help Meet recounts the experiences of women who changed the course of history by supporting their men.

Helpmeet Prayers for Her King Aug 20 2021 This book of warfare prayers will not only decree and declare God's blessings over your husband but will also crush the head of satan. Too often, the Priest, Prophet, and King (PPK) of the home is not covered in prayer with honor and the authority of spiritual warfare. A Helpmeet suitable will always pray for the PPK God has entrusted her with (or will in the future). Declare these prayers often, boldly, and aloud over your King and watch God's Word form a kingdom man into existence.

In Love Jun 05 2020 NEW YORK TIMES BESTSELLER • A powerful memoir of a love that leads two people to find a courageous way to part—and a woman's struggle to go forward in the face of loss—that "enriches the reader's life with urgency and gratitude" (The Washington Post) "A pleasure to read . . . Rarely has a memoir about death been so full of life. . . . Bloom has a talent for mixing the prosaic and profound, the slapstick and the serious." —USA Today ONE OF THE BEST BOOKS OF THE YEAR: NPR Amy Bloom began to notice changes in her husband, Brian: He retired early from a new job he loved; he withdrew from close friendships; he talked mostly about the past. Suddenly, it seemed there was a glass wall between them, and their long walks and talks stopped. Their world was altered forever when an MRI confirmed what they could no longer ignore: Brian had Alzheimer's disease. Forced to confront the truth of the diagnosis and its impact on the future he had envisioned, Brian was determined to die on his feet, not live on his knees. Supporting each other in their last journey together, Brian and Amy made the unimaginably difficult and painful decision to go to Dignitas, an organization based in Switzerland that empowers a person to end their own life with dignity and peace. In this heartbreaking and surprising memoir, Bloom sheds light on a part of life we so often shy away from discussing—its ending. Written in Bloom's captivating, insightful voice and with her trademark wit and candor, In Love is an unforgettable portrait of a beautiful marriage, and a boundary-defying love.

Meet the Overs and the Unders May 17 2021 Meet the Overs and the Unders: Making Sense of Sensory Processing is appropriate for children, parents, families, teachers, and professionals. As an occupational therapist (OT) for many years I have found it challenging to talk to children about sensory processing. One of the hardest parts is finding a simple definition and way to discuss an important process of our body that helps us complete things we do every day. As a clinician, I have found the most important part of addressing sensory challenges is to first identify whether a child is over-responsive or under-responsive. Over-responsive (or over-reactive) individuals need LESS sensory information than most others. For example, if too many things are going on around them, they may try to run, hide or have a meltdown. Under-responsive (or under-reactive) individuals need MORE sensory information than most others. For example, they may not respond if their name is called or notice when they bump into someone else. A child's ability to make sense of their sensory processing style is an invaluable skill. Discovering whether someone is over- or under-responsive helps determine what sensory tools will best meet their sensory needs to help them feel more comfortable and confident. The good news is, with this interactive tool, children will now have help visualizing different areas of sensory processing, to help them understand that they are not alone and that they are able to find tools to help them throughout their days. In this book, your child will be introduced to two different families, the Overs and the Unders, as they explore the eight different sensory systems and their over- or under-reactions to different sensory input. Beautiful illustrations paired with just the right questions, this book will help open the lines of communication to start talking more easily about sensory processing with elementary school-age children. Your child will be able to return to this book if they ever need to revisit their sensory processing style, and we include a downloadable worksheet for your child to complete any time they want.

Helpmeet Or Hindrance Aug 27 2019 Help Meet or Hindrance: Which One Are You? From start to finish; through the laughter, tears, poignant, yet eye-opening truth, and sometimes shock, experience how one woman went from being a hindrance to a help meet, and how you can too. See yourself as she had to see herself—the good, the bad, and the not so together, and then allow the Lord to minister to you through the Holy Spirit, while changing you into being a true help meet to your husband. After all isn't that what you really want to do? Fannie A. Pierce is a first time author, with many more books to come. Through the power and anointed of the Holy Spirit, Fannie is called to the Ministry of Women, helping God's Daughters through the Word of God to become better women, wives and daughters for God and His Kingdom. She resides in Dothan, Alabama with her husband, Pete Pierce Jr., of sixteen wonderful years. Both she and Pete are Ordained Elders at Northview Christian Church, Dothan, Alabama.

Genesis, Zen and Quantum Physics - A Fresh Look at the Theology and Science of Evolution Jan 13 2021 Since ancient times man has sought to understand the origins of the universe around him, and his place within it. Such speculations were once the sole purview of religion, but since the Enlightenment, science and rationality have also attempted to explain these mysteries, but from an opposing perspective. Conflict resulted and both sides dug in, clinging to dogmas that precluded any consideration of the other side. "Genesis, Zen and Quantum Physics" enters the fray with a very unique approach. Believing that harmony, rather than conflict, defines the relationship between the Genesis account and modern science; the authors have retranslated the creation story according to the ancient Hebrew pictographic language and in the context of the nomadic culture from which the language and narratives arose. The resulting translation and its accompanying commentary challenge the common understanding of God, science, and the very reason for man's existence. By harmonizing an accurate biblical account with cutting edge scientific understanding, the authors present a mature religious ideal and an appreciation for the understanding of the ancients for modern scientific concepts. This is a book that will redefine your understanding of God, the world around you and your role within it.

Wisdom from Women in the Bible Mar 15 2021 You'll gain insights from:

Created to Be His Help Meet Jul 31 2022 Created to Be His Help Meet, first published 10 years ago, has sold over 500,000 copies in 12 languages. I am amazed, reading the testimonies of women in England, India, Saudi Arabia, China, Australia, and many other countries, as they share how their marriages have been saved and enriched through these biblical truths. Over the years I have learned from these many women, and, responding to their cries for help, have added TWO NEW CHAPTERS and other small revisions to address their needs. One of the new chapters is called, Servant or Servitude? There is a difference. One is godly, the other devilish. Did we fail to make that distinction clear enough the first time around? Some have indicated such. So we tackled the subject head on. May God continue to bless you as you read and obey the wonderful words of God.

Lord, Please Meet Me in the Laundry Room Jun 17 2021 Is your time with the Lord sometimes elbowed out by the demands of your family?

Help for the Helpmeet Jun 29 2022 Saying "I do" to a man makes a woman a wife but saying "I do" to God makes her a Helpmeet. The word of God says in Genesis 2:18 that it was not good for man to be alone, so God created a Helpmeet that was suitable for him. There are so many distractions and hinderances to marriages in the body of Christ. Learning to be a sanctified wife allows God to improve, restore and heal a marriage. As Helpmeets learn to submit to their own husband as God says in Ephesians 5:22 God will prevail. The strategies and information in this book sharpens the spiritual tools to become the suitable helper God intended for you to be.

You'll gain the tools to... understand the unique roles and responsibilities of husbands and wives recognize and resolve the conflicts you face with a heart of hope and compassion follow God's worthy command to love and cherish your spouse unconditionally Whether you're at the beginning of your journey or you've been on the road together for years, Your Marriage God's Way will provide the helpful and encouraging insights you need to experience marriage as God intends it.

In Search of a Help Meet May 29 2022 In Search of a Help Meet is a guide for young men searching for the perfect mate, as well as a guidebook for parents seeking wisdom in how to help their older children who are seeking. Married couples will love reading it together as a marriage study. Christian leaders will find this a great help in teaching on the subject of marriage. Young men sitting on the threshold of this glorious time in your life, I salute you. As an old man who has known the splendid wonder of marital bliss for over 40 years, I want you to know, it is all that Song of Solomon says it is and more. To be perfectly united to a woman is man's greatest fulfillment and his finest success, bar none. Unfortunately, few find their forever love-mate. This book is written to guide you in your quest. How do I discover potential spouses outside of my social circle? Is there only one person for me and how can I know who that person is? What traits should I look for in a spouse? What do I do if our parents want us to go through a long betrothal process? Should I trust the counsel of others or make the decision alone? What if I married the wrong person? - Back cover.

Created to Need a Help Meet Sep 01 2022 In recent years, men have been given a lot of mixed messages as to what it means to be a man, husband, or father. Men hate mixed messages. Just tell us like it is (or should be) without all of the extra verbiage. That's exactly what Mike Pearl does in eliminating the conflicting messages and getting to the meat of the matter. Discover God's design for a man and how you can find joy doing what you were designed to do. Learn how love your wife "even as Christ also loved the church." As always, Mike's presentation is direct with no holds barred and he is not afraid to hurt your feelings. With his more than fifty years of Bible study he presents God's perspective on the subject, and his more than years of marriage bears witness to its effectiveness. His wife, Debi Pearl, weighs in to add grace to Mike's to the point writing style.
