Down to Earth Sociology Jun 16 2021 A latest edition of readings for the Introductory Sociology college market features thirty percent new articles that address current issues of contemporary sociology, from gender and politics to religion and AIDS, in a collection complemented by correlating charts that list key introductory textbooks. Original. 20,000 first printing.

Drawdown Aug 07 2020 • New York Times bestseller • The 100 most substantive solutions to reverse global warming, based on meticulous research by leading scientists and policymakers around the world “At this point in time, the Drawdown book is exactly what is needed; a credible, conservative solution-by-solution narrative that we can do it. Reading it is an effective inoculation against the widespread perception of doom that humanity cannot and will not solve the climate crisis. Reported by-effects include increased determination and a sense of grounded hope.” —Per Espen Stoknes, Author, *What We Think About When We Try Not To Think About Global Warming* “There’s been no real way for ordinary people to get an understanding of what they can do and what impact it can have. There remains no single, comprehensive, reliable compendium of carbon-reduction solutions across sectors. At least until now. . . . The public is hungry for this kind of practical wisdom.” —David Roberts, *Vox* “This is the ideal environmental sciences textbook—only it is too interesting and inspiring to be called a textbook.” —Peter Kareiva, Director of the Institute of the Environment and Sustainability, UCLA In the face of widespread fear and apathy, an international coalition of researchers, professionals, and scientists have come together to offer a set of realistic and bold solutions to climate change. One hundred techniques and practices are described here—some are well known; some you may have never heard of. They range from clean energy to educating girls in lower-income countries to land use practices that pull carbon out of the air. The solutions exist, are economically viable, and communities throughout the world are currently enacting them with skill and determination. If deployed collectively on a global scale over the next thirty years, they represent a credible path forward, not just to slow the earth’s warming but to reach drawdown, that point in time when greenhouse gases in the atmosphere peak and begin to decline. These measures promise cascading benefits to human health, security, prosperity, and well-being—giving us every reason to see this planetary crisis as an opportunity to create a just and livable world.

Social Problems Jan 24 2022 Revised edition of the author's Social problems, [2014]

Long Way Down Jun 04 2020 “An intense snapshot of the chain reaction caused by pulling a trigger.” —Booklist (starred review) “Astonishing.” —Kirkus Reviews (starred review) “A tour de force.” —Publishers Weekly (starred review) A Newbery Honor Book A Coretta Scott King Honor Book A Printz Honor Book A Time Best YA Book of All Time (2021) A Los Angeles Times Book Prize Winner for Young Adult Literature Longlisted for the National Book Award for Young People’s Literature Winner of the Walter Dean Myers Award An Edgar Award Winner for Best Young Adult Fiction Parents’ Choice Gold Award Winner An Entertainment Weekly Best YA Book of 2017 A Vulture Best YA Book of 2017 A Buzzfeed Best YA Book of 2017 An ode to Put the Damn Guns Down, this is New York Times bestselling author Jason Reynolds’s electrifying novel that takes place in sixty potent seconds—the time it takes a kid to decide whether or not he’s going to murder the guy who killed his brother. A cannon. A strap. A piece. A biscuit. A burner. A heater. A chopper. A gat. A hammer A tool for RULE Or, you can call it a gun. That’s what fifteen-year-old Will has shoved in the back waistband of his jeans. See, his brother Shawn was just murdered. And Will knows the rules. No crying. No snitching. Revenge. That’s where Will’s now heading, with that gun shoved in the back waistband of his jeans, the gun that was his brother’s gun. He gets on the elevator, seventh floor, stoked. He knows who he’s after. Or does he? As the elevator stops on the sixth floor, on comes Buck. Buck, Will finds out, is who gave Shawn the gun before Will took the gun. Buck tells Will to check that the gun is even loaded. And that’s when Will sees that one bullet is missing. And the only one who could have fired Shawn’s gun was Shawn. Huh. Will didn’t know that Shawn had ever actually USED his gun. Bigger huh. BUCK IS DEAD. But Buck’s in the elevator? Just as Will’s trying to think this through, the door to the next floor opens. A teenage girl gets on, waves away the smoke from Dead Buck’s cigarette. Will doesn’t know her, but she knew him. Knew. When they were eight. And stray bullets had cut through the playground, and Will had tried to cover her, but she was hit anyway, and so what she wants to know, on that fifth floor elevator stop, is, what if Will, Will with the gun shoved in the back waistband of his jeans, MISSES. And so it goes, the whole long way down, as the elevator stops on each floor, and at each stop someone connected to his brother gets on to give Will a piece to a bigger story than the one he thinks he knows. A story that might never know an END...if Will gets off that elevator. Told in short, fierce staccato narrative verse, Long Way Down is a fast and furious, dazzlingly brilliant look at teenage gun violence, as could only be told by Jason Reynolds.

So You Want to be a Medium? Feb 10 2021 Demonstrates how to enhance one's spiritual senses for working between worlds, explaining what the different kinds of spirit guides and elemental energies are, how to get in touch with them, and how to interpret their messages. Original. 10,000 first printing.

Essentials of Sociology Aug 31 2022

A Down Home Christmas Apr 14 2021 A rising star, a down-to-earth teacher, and a Christmas touched by wonder... Country music star Kris Trabeau heads to Charming, Mississippi, to convince his aging aunt to sell her farm and move into a nice retirement community. She’s not having it, and she enlists her neighbor Tory Odom to help her remind Kris why the farm means so much...especially at Christmas. After being dumped by her longtime boyfriend, Tory’s not feeling the holiday spirit. Still, she agrees to co-chair a children’s concert and silent auction to benefit the after-school center

where she volunteers. As Kris helps her with the concert and spends time with the kids, the attraction between them becomes harder and harder to ignore. Can he trade spotlights and city lights for the place where the music began? This funny, emotional romance includes a free Hallmark original recipe for Jingle Bell Fruitcake Cookies.

A Down-To-Earth Guide To SDLC Project Management (2nd Edition) Nov 09 2020 This book has been crafted for both the project management novice who is ready to confront their first real project, through to the seasoned veteran with several project battle campaigns under their belt. This book is based on many years of “real-world” System Development Life Cycle (SDLC) project management, as well as the Project Management Body Of Knowledge (PMBOK®), the blending of the useful elements from other management practices & principles, and the incorporation of the past experiences & the lessons learnt from the various industrial backgrounds of those persons who graciously contributed to this book’s creation. Described within is the practical application of field-tested project management techniques to actual situations and prevailing circumstances where the realities of commercial necessities have to be given serious consideration. Additionally, this book does cover some topics and ugly truths that are often not acknowledged in academic textbooks on project management. Contains over 100 explanatory diagrams, real example cases, candid comments from project / program managers, and over 100 cartoons to emphasize the key points.

A-ha: Down To The Tracks Nov 29 2019 Against all the odds, a-ha scored a huge hit in 1985 with "Take on Me." Seemingly overnight, the Norwegian band were topping charts all over the world; a success propelled in part by an innovative video that captured the imagination of an MTV-loving generation. In truth, however, their success had been the culmination of years of hard work and financial struggle; from their origins in bands such as Bridges and Souldier Blue, through to a period of relative squalor in London as they determinedly sought their breakthrough. At their commercial peak, a-ha recorded the theme song for the James Bond blockbuster, *The Living Daylights*, and, since their formation in September 1982, have sold over 35 million albums worldwide, influencing bands such as Coldplay, Keane, and Radiohead along the way. Aside from showcasing each a-ha album in track by track detail, the book includes a comprehensive look at both the band's pre-fame years and each of the three members' side projects, up to and including the release of Magne Furuholmen's revered new solo album, *White Xmas Lies*. Told from a number of different perspectives, this fresh take on the story mixes archived interviews and reviews, along with exclusive new input from a wide-ranging number of contributors.

21: Bringing Down the House - Movie Tie-In Sep 27 2019 Recounts the story of how a notorious gang of MIT blackjack savants devised and received backing for a system for winning at the world's most sophisticated casinos, an endeavor that earned them more than three million dollars. Originally published as *Bringing Down the House*. Reissue. (A Columbia Pictures film, written by Peter Steinfeld & Allan Loeb, directed by Robert Luketic, releasing March 2008, starring Kevin Spacey, Kate Bosworth, Laurence Fishburne, Jim Sturgess, & others) (Current Affairs)

Down by the Riverside Aug 19 2021 When her husband leaves her for a younger woman, Rose Franklin buys a camper and sets off—away from her heartache and anger. She finds herself spending a couple of days in Shady Grove, a camp site along the Mississippi River in West Memphis, Arkansas. While there, a respected and well-liked man in the community seems to commit suicide for no apparent reason. Could it somehow be connected to the ancient slave burial ground that he was researching? As Rose comes to know the characters of this small community she begins to unravel the mystery of why a man loses his faith and the consequences of his loss.

System of a Down Jul 06 2020

Been Down So Long It Looks Like Up to Me Jun 24 2019 A witty, psychedelic, and telling novel of the 1960s Richard Fariña evokes the Sixties as precisely, wittily, and poignantly as F. Scott Fitzgerald captured the Jazz Age. The hero, Gnossus Pappadopoulos, weaves his way through the psychedelic landscape, encountering—among other things—mescaline, women, art, gluttony, falsehood, science, prayer, and, occasionally, truth. For more than seventy years, Penguin has been the leading publisher of classic literature in the English-speaking world. With more than 1,700 titles, Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines. Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors, as well as up-to-date translations by award-winning translators. From the Trade Paperback edition.

Down and Rising Mar 14 2021 The debut novel from award-winning filmmaker Rohith S. Katbamna, tells the powerful story of a brave few who venture for truth in the aftermath of a global uprising. In the year 2027, society has fallen. Mass revolts and warring nations have claimed countless lives and destroyed vast lands. Forced into a dark slumber, the world now draws fewer breaths and hosts infinite graveyards. In England, ten survivors who have journeyed many miles are on a path ready to converge. With histories soaked in the blood of betrayal, lies and deceit, one common thread binds them. The human instinct to seek a greater truth. Over six days, these ten souls will come to find that the ruined world around them is reawakening. As a presence emerges, bringing with it a merciless intention to eliminate any and all beating bodies, this company of strangers will confront a series of hardships in a tale of underdogs, oppressors and the human condition. *Down and Rising* is an immersive reading experience. An imaginative multi-story arc intricately woven together by striking imagery, reference materials and finely crafted characters.

Essentials of Sociology Mar 26 2022

Down by the River Oct 28 2019 Recently widowed grandmother Grace moves into an beautiful old house in the Smokey Mountains with her college-aged daughter, and the two of them soon catch the eye of a local ladies man and a handsome young minister. Original.

Sociology Oct 01 2022 This best selling comprehensive text shares the excitement of sociology with the acclaimed "down-to-earth" approach that highlights the sociology of everyday life. The 8th Edition of this highly regarded text retains all the features that have made previous editions so successful. The author has a unique ability to engage students without sacrificing content or talking down to them. With wit, personal reflection, and illuminating examples, Henslin shares his passion for sociology with his readers like no other author of an introductory text can.

Revel for Sociology: A Down-To-Earth Approach -- Access Card Dec 23 2021 A down-to-earth approach to sociology REVEL(TM) for Sociology: A Down-to-Earth Approach, Thirteenth Edition highlights the sociology of everyday life and its relevance to students' lives. Throughout the text, author James Henslin shares the excitement of sociology through his acclaimed down-to-earth approach and personal writing style. Six central themes help stimulate students' sociological imaginations: a down-to-earth approach, globalization, cultural diversity, critical thinking, the new technology, and the influence of the mass media on our lives. The Thirteenth Edition has been extensively revised to include contemporary examples and fresh topics that bring sociology to life. REVEL is Pearson's newest way of delivering our respected content. Fully digital and highly engaging, REVEL replaces the textbook and gives students everything they need for the course. Informed by extensive research on how people read, think, and learn, REVEL is an interactive learning environment that enables students to read, practice, and study in one continuous experience -- for less than the cost of a traditional textbook. NOTE: REVEL is a fully digital delivery of Pearson content. This ISBN is for the standalone REVEL access card. In addition to this access card, you will need a course invite link, provided by your instructor, to register for and use REVEL.

The Council of Animals Aug 26 2019 From national bestselling author Nick McDonell, *The Council of Animals* is a captivating fable for humans of all ages—dreamers and cynics alike—who believe (if nothing else) in the power of timeless storytelling. “‘Now,’ continued the cat, ‘there is nothing more difficult than changing an animal’s mind. But I will say, in case I can change yours: humans are more useful to us outside our bellies than in.’” Perhaps. After *The Calamity*, the animals thought the humans had managed to do themselves in. But, it turns out, a few are cowering in makeshift villages. So the animals—among them a cat, a dog, a crow, a baboon, a horse, and a bear—have convened to debate whether to help the last human stragglers . . . or to eat them. Rest assured, there is a happy ending. Sort of. Featuring illustrations by Steven Tabbutt

It All Comes Down to This Apr 02 2020 A JUNE INDIE NEXT PICK "A smart and lively novel." —Jess Walter, #1 New York Times bestselling author of *Beautiful Ruins* "Austen-esque...this goes down as easily as an Aperol spritz." —Publishers Weekly Meet the Geller sisters: Beck, Claire, and Sophie, a trio of strong-minded women whose pragmatic, widowed mother, Marti, will be dying soon and taking her secrets with her. Marti has ensured that her modest estate is easy for her family to deal with once she's gone—including a provision that the family's summer cottage on Mount Desert Island, Maine, must be sold, the proceeds split equally between the three girls. Beck, the eldest, is a freelance journalist whose marriage looks more like a sibling bond than a passionate partnership. In fact, her husband Paul is hiding a troubling truth about his love life. For Beck, the Maine cottage has been essential to her secret wish to write a novel—and to remake the terms of her relationship. Despite her accomplishments as a pediatric cardiologist, Claire, the middle daughter, has always felt like the Geller misfit. Recently divorced, Claire's secret unrequited love for the wrong man is slowly destroying her, and she's finding that her expertise on matters of the heart unfortunately doesn't extend to her own. Youngest daughter Sophie appears to live an Instagram-ready life, filled with glamorous work and travel, celebrities, fashion, art, and sex. In reality, her existence is a cash-strapped house of cards that may crash at any moment. Enter C.J. Reynolds, an enigmatic southerner ex-con with his own hidden past, who complicates the situation. All is not what it seems, and everything is about to change.

Down to You Sep 19 2021 One girl. Twin brothers. An uncommon triangle. When college student Olivia Townsend returned home to help her father run his business, she never imagined a complication like Cash and Nash Davenport—twin brothers different in so many ways but with one thing in common: an uncontrollable desire for Olivia. Cash is dangerous, sexy, and bad to the bone—a man whose kisses make Olivia forget she is playing with fire. Nash is successful, reliable and intensely passionate—and already taken. But all it takes is one soft stroke to make Olivia forget he belongs to someone else. However, Olivia is in for a surprise. These boys have a secret that should make her run away as far and as fast as she can. If only it wasn't too late. A sensual game between three players has begun, and it's about to spin deliriously out of control. Includes a teaser for *The Wild Ones*
Hurry Up! Dec 11 2020 A busy boy and his dog learn to slow down and enjoy life together in this lyrical, rhyming picture book perfect for hurried families everywhere. For one busy boy, life is all hurry up, hurry down, hurry round and round and round! That is until he takes a big breath...and a big break...and slows down to see all the wonderful things in the world around him. From celebrated picture book creators Kate Dopyrak and Christopher Silas Neal, this playful yet powerful picture book reminds us to be present, to be mindful, and to appreciate each moment.

Social Problems Apr 26 2022 Revised edition of the author's *Social problems*, [2014]

The Law of Attraction in Action Jul 18 2021 An engaging, accessible guide to personal empowerment. The phenomenal success of *The Secret* points to the great hunger for answers, hope, and change. But what if books like that seem a little too 'out there' for you? Enter Deanna Davis, whose down-to-earth approach stems from her own change of heart (it happened at the Olive Garden). In this fun, quirky, and decidedly straightforward guide, Deanna shares the science, strategy, and stories of how to create your ideal life using a universal key to success called the Law of Attraction, whether you seek health, wealth, happiness, success, or anything else, large or small. The book blends cutting-edge research, practical techniques, and a conversational, light, funny tone to make the information both meaningful and memorable. Like a talk by your favorite college professor, it provides brilliant concepts in a down-to-earth manner—an uncommon blend of wisdom, creativity, inspiration, and practical strategies that work.

Turn Up the Volume Nov 21 2021 Turn Up the Volume equips journalism students, professionals, and others interested in producing audio content with the know-how necessary to launch a podcast for the first time. It addresses the unique challenges beginner podcasters face in producing professional level audio for online distribution. Beginners can learn how to handle the technical and conceptual challenges of launching, editing, and posting a podcast. This book exposes readers to various techniques and formats available in podcasting. It includes the voices of industry experts as they recount their experiences producing their own podcasts and podcast content. It also examines how data analytics can help grow an audience and provide strategies for marketing and monetization. Written accessibly, Turn Up the Volume gives you a clear and detailed path to launching your first podcast.

Living up in a Down World Jan 12 2021 Living Up in a Down World explores the experience of life, our attitudes and perspective from a Biblical viewpoint, and provides a basic outline for the path to achieving a lifetime of peace and fulfillment. Pastor and counselor Dr. Bob Edwards has observed the damaged emotions of others for over two decades and offers a step-by-step approach to overcoming the emptiness created by a culture permeated with negativity and relativism. Dr. Bob draws inspiration from Scripture and personal anecdotes to encourage positive change as he shares healing methods intended to relieve the inner hurts created by being "just plain human." For those who may try to fill an empty void with unhealthy relationships, fame, fortunes, sex, alcohol or food, Dr. Bob leads the way to discovering a simple, humorous approach to living a fulfilling and purposeful existence surrounded with God-created peace. For those looking for inspiration and a deeper understanding of themselves, this guide will help spiritual seekers apply Christian principles and learn to view the world through upward thinking and eternal eyes, ultimately setting a new course in life to live UP in a down world!

Sociology Jul 30 2022 ALERT: Before you purchase, check with your instructor or review your course syllabus to ensure that you select the correct ISBN. Check with the seller prior to purchase. -- A Down-to-Earth Approach James Henslin shares the excitement of sociology in *Essentials of Sociology: A Down-to-Earth Approach*, 11/e. With his acclaimed "down-to-earth" approach and personal writing style, the author highlights the sociology of everyday life and its relevance to students' lives. With wit, personal reflection, and illuminating examples, Henslin stimulates students' sociological imagination so they can better perceive how the pieces of society fit together. In addition to this trademark down-to-earth approach, other distinctive features include: comparative perspectives, the globalization of capitalism, and visual presentations of sociology. MySocLab is an integral part of the Henslin learning program. Engaging activities and assessments provide a teaching a learning system that helps students see the world through a sociological lens. With MySocLab, students can develop critical thinking skills through writing, explore real-world data through the new Social Explorer, and watch the latest entries in the Core Concept Video Series. This title is available in a variety of formats - digital and print. Pearson offers its titles on the devices students love through Pearson's MyLab products, CourseSmart, Amazon, and more. 0133810607 / 9780133810608 *Essentials of Sociology Plus NEW MySocLab with Pearson eText* -- Access Card Package Package consists of 0133803546 / 9780133803549 *Essentials of Sociology* 0205206530 / 9780205206537 *NEW MySocLab with Pearson eText* -- Valuepack Access Card

Woolly Jan 30 2020 The bestselling author of *The Accidental Billionaires* and *The 37th Parallel* tells the fascinating Jurassic Park-like story of the genetic restoration of an extinct species—the woolly mammoth. "Paced like a thriller...Woolly reanimates history and breathes new life into the narrative of nature" (NPR). With his "unparalleled" (Booklist, starred review) writing, Ben Mezrich takes us on an exhilarating and true adventure story from the icy terrain of Siberia to the cutting-edge genetic labs of Harvard University. A group of scientists work to make fantasy reality by splicing DNA from frozen woolly mammoth into the DNA of a modern elephant. Will they be able to turn the hybrid cells into a functional embryo and potentially bring the extinct creatures to our modern world? Along with this team of brilliant scientists, a millionaire plans to build the world's first Pleistocene Park and populate a huge tract of the Siberian tundra with ancient herbivores as a hedge against an environmental ticking time bomb that is hidden deep within the permafrost. More than a story of genetics, this is a thriller illuminating the real-life race against global warming, of the incredible power of modern technology, of the brave fossil hunters who battle polar bears and extreme weather conditions, and the ethical quandary of

cloning extinct animals. This “rollercoaster quest for the past and future” (Christian Science Monitor) asks us if we can right the wrongs of our ancestors who hunted the woolly mammoth to extinction and at what cost?

Social Problems Nov 02 2022 A sociological understanding of social problems. *Social Problems: A Down to Earth Approach*, 11/e is a theoretically balanced text that provides the latest research and a consistent structure to help students analyze critical social problems facing the United States. The author presents both sides of an argument with a neutral voice and uses a “down-to-earth” writing style. By using this text, not only do students gain a sociological understanding of social problems, but also they are able to explore and evaluate their own opinions about specific social problems. They will gain a greater awareness of the social forces that shape their orientations to social problems and their perspectives on social life. The ideas in this book penetrate students’ thinking and help give shape to their views of the world. MySocLab for Social Problems features an engaging student experience including an interactive eText, the New Core Concepts Video Series, the New Social Explorer. Teaching & Learning Experience Personalize Learning – MySocLab is an online homework, tutorial, and assessment program. It helps students prepare for class and instructor gauge individual and class performance. Improve Critical Thinking – Thinking Critically About the Chapter – At the end of each chapter are several questions designed to help students evaluate what they have read. These questions also lend themselves well for stimulating class discussions. Engage Students – Opening Vignette – Intended to arouse student interest in the social problem and to stimulate the desire to read more, this brief opening story presents essential elements of the social problem. Explore Research – Spotlight on Research boxes – Major researchers in social problems share an insider’s perspective of how they became interested in a social problem and how they did their research Explore Theory – The three basic theories – Symbolic interaction theory, functional theory, and conflict theory— are introduced early in the text; giving students the opportunity to immediately grasp the differences of these theories. Support Instructors – MySocLab, Instructor’s eText, Instructor’s Manual, Test Item File, Electronic “MyTest” Test Bank, PowerPoint Presentation Slides, and Pearson Custom course material are available. Note: MySocLab does not come automatically packaged with this text. To purchase MySocLab, please visit: www.mysoclab.com or you can purchase a ValuePack of the text + NEW MySocLab (at no additional cost): ValuePack ISBN-10: 0205965121 / ValuePack ISBN-13: 9780205965120.

Down to Earth Sep 07 2020 The present ecological mutation has organized the whole political landscape for the last thirty years. This could explain the deadly cocktail of exploding inequalities, massive deregulation, and conversion of the dream of globalization into a nightmare for most people. What holds these three phenomena together is the conviction, shared by some powerful people, that the ecological threat is real and that the only way for them to survive is to abandon any pretense at sharing a common future with the rest of the world. Hence their flight offshore and their massive investment in climate change denial. The Left has been slow to turn its attention to this new situation. It is still organized along an axis that goes from investment in local values to the hope of globalization and just at the time when, everywhere, people dissatisfied with the ideal of modernity are turning back to the protection of national or even ethnic borders. This is why it is urgent to shift sideways and to define politics as what leads toward the Earth and not toward the global or the national. Belonging to a territory is the phenomenon most in need of rethinking and careful redescription; learning new ways to inhabit the Earth is our biggest challenge. Bringing us down to earth is the task of politics today.

Building Soil: A Down-to-Earth Approach Dec 31 2019 If you want methods that won’t break your back, are good for the environment, and create high-yielding, beautiful gardens of all shapes and sizes, this is the book for you!

Studyguide for Sociology Jun 28 2022 Never HIGHLIGHT a Book Again! Includes all testable terms, concepts, persons, places, and events. Cram101 Just the FACTS101 studyguides gives all of the outlines, highlights, and quizzes for your textbook with optional online comprehensive practice tests. Only Cram101 is Textbook Specific. Accompanies: 9780133828009. This item is printed on demand.

Down by the River Jul 26 2019 One beautiful autumn day, Art sets out with his mother and grandfather for a fishing trip. Fishing days are Art’s favorite. He loves learning the ropes from Grandpa—the different kinds of flies and tackle and the trout that frequent their favorite river. Art especially appreciates Grandpa’s stories. But, this time, hearing the story about Mom’s big catch on her first cast ever makes Art feel insecure about his own fishing skills. But, as Art hooks a beautiful brown trout, he finds reassurance in Grandpa’s stories and marvels in the sport and a day spent with family, promising to continue the tradition with his own grandkids generations later. Illustrated with lush imagery by rising star April Chu, *Down by the River* celebrates fishing, family, and fun.

The Book of Revelation Made Clear May 04 2020 A fun and fascinating way to learn about the book of Revelation. The Bible’s final book, Revelation, can seem intimidating or downright impossible to comprehend, even for serious students of the Scriptures. Filled with complex imagery, vivid depictions of violence, and challenging spiritual references, Revelation is often set aside by readers in favor of more straightforward, easier-to-digest biblical material. Yet the capstone of the canon need not remain a mystery. In this refreshingly accessible book, Bible scholar and best-selling author Tim LaHaye (originator of the Left Behind series) and renowned puzzle master Timothy E. Parker (editor of the USA Today Crossword, and founder of The Universal Crossword, King James Games, and Master Puzzles) demystify Revelation for your benefit. Absorb this book and discover afresh—or for the first time—the richness of Revelation and its God-breathed, life-changing power to deepen your walk of faith.

Down on Their Luck Oct 21 2021 David Snow and Leon Anderson show us the wretched face of homelessness in late twentieth-century America in countless cities across the nation. Through hundreds of hours of interviews, participant observation, and random tracking of homeless people through social service agencies in Austin, Texas. Snow and Anderson reveal who the homeless are, how they live, and why they have ended up on the streets. Debunking current stereotypes of the homeless. *Down on Their Luck* sketches a portrait of men and women who are highly adaptive, resourceful, and pragmatic. Their survival is a tale of human resilience and determination, not one of frailty and disability.

Life in Society Feb 22 2022 This brief and economical reader, edited by Jim Henslin, is specifically designed to be used as a companion to “Sociology: A Down-to-Earth Approach,” Eighth Edition. There is one reading per text chapter, including a selection to accompany the online chapter, “The Sociology of Human Sexuality.” Readings New To This Edition The Hmong Meet the Melting Pot / Anne Fadiman Diary of a Homeless Man / John R. Coleman Fraternities and Rape Culture / A. Ayres Boswell and Joan Z. Spade The Uses of Poverty: The Poor Pay All / Herbert J. Gans How the Jews Became White Folks / Karen Brodtkin College Athletes and Role Conflict / Peter Adler and Patricia A. Adler Border Blues: The Dilemma of Illegal Immigration / Farai Chideya

Down by the Pond Mar 02 2020 Fox tries to slink through the farmyard without being noticed, but the cow, the pig, the dog and the cat soon show him who’s boss. This is a rhyming story with three surprise cut pages by the author of *Circling the Triangle*, *A Monster Called Charlie*, and *S.K.U.N.K.* and the *Ozone Conspiracy*.

Call Me Debbie May 16 2021 Internationally beloved opera star Deborah Voigt recounts her harrowing and ultimately successful private battles to overcome the addictions and self-destructive tendencies that nearly destroyed her life. *Call Me Debbie* is one of the most electrifying performances of Deborah Voigt’s life. The brilliantly gifted opera soprano takes us behind the velvet curtains to tell her compelling story—a tale of success, addiction, music, and faith as dramatic as any role she has performed. For the first time, she talks about the events that led to her dangerous gastric bypass surgery in 2004 and its shocking aftermath: her substantial weight loss coupled with the “cross addiction” that led to severe alcoholism, frightening all-night blackouts, and suicide attempts. Ultimately, Voigt emerged from the darkness to achieve complete sobriety, thanks to a twelve-step program and a recommitment to her Christian faith. Colored by hilarious anecdotes and juicy gossip that illuminate what really goes on backstage, Voigt paints diverting portraits of the artists with whom she’s worked, her most memorable moments onstage, and her secrets to great singing. She also offers fascinating insight into the roles she’s played and the characters she loves, including Strauss’s Ariadne and Salome, Puccini’s Minnie, and Wagner’s Sieglinde, Isolde, and Brünnhilde, sharing her intense preparation for playing them. Filled with eight pages of color photos, *Call Me Debbie* is an inspirational story that offers a unique look into the life of a modern artist and a remarkable woman.

Down by the Bay Oct 09 2020 Raffi’s hilarious version of the classic song about strange events that happen down by the bay, where the watermelons

grow... Singing supports and encourages even the youngest child's speech and listening skills, which makes Down by the Bay perfect for early learning. In this friendly board book edition, irresistible art by Nadine Bernard Westcott depicts wonderfully amusing creatures such as a bear combing his hair, a goose kissing a moose, and a whale with a polka-dot tail. Very young children will find this book both entertaining and instructive in early language skills such as rhyme, rhythm, and repetition, and will delight in hearing it read or sung aloud to them.
