But Margery never lost her resolve to help the sick. The village she'd hoped to serve as banfasa, caring for the ill and injured, is long gone. Humans captured the young shifters and killed the adults. Finally rescued, she has a chance

at her dreams—at least for meaningful work. With her leg crippled and her face scarred, she knows she has no hope of ever finding love. Tynan is ready to find their mate. After years away from his littermate as a police officer among humans, Tynan is finally home, a beta in the wolf pack, and serving his people as a law officer. Assigned as Margery's mentor in the pack, he patiently works to earn the skittish little wolf's trust. Her captivity has left her with problems, including a fear of uniforms. But he's a fixer at heart—and he's starting to want more from the gentle female than just friendship. Donal has no intention of making a family. Separated from his littermate for years, Donal has remained unmated, devoting his energies to healing. Believing ugly rumors about their new neighbor—a banfasa—he won't have her in his clinic or his life—no matter what his newly returned brother wants. But a feral shifter's attack on Tynan shows Margery in a whole different light. She's levelheaded, compassionate, sweet—and far too appealing. What male could resist her? But even as the brothers work to win their mate, cruel forces move to crush their entire clan.

She's in my veins, and this is one war I cannot afford to lose against her. He's a battle I'm willing to fight. I don't want to be saved; I want to destroy everything and everyone that ever hurt me. I want the world to feel my pain, to taste my rage. I'm not their savior; I'm their damnation. I am Erie, and I'm going to set the world on fire and walk through the ashes of those who have wronged me. Warning: Erie isn't a hero; she's the antihero in this story. This isn't a love story. So if you're not into dark re-telling of twisted love stories, this isn't for you. Thank you for looking, but I'm an unapologetic author of alpha-holes and the women who fight back against them. I don't believe in insta-love. I believe in putting them through hell and making them earn it first.

How You Get the Girl Jan 30 2020 As Hollywood's hottest actor, getting a woman in my bed is never a challenge. Then I spotted her at a bar—she wanted a man for the night, and I jumped at the chance to fill the role. I gave her Joel Kline's best, and she smacked my pretty face. But don't worry, that's not the end of our story. Her brand of crazy inspired me, and I had to see her again, no matter the cost. Now, Alessandra Rose is my lead makeup artist for the next four months. Literally, her job is to touch me every day for the duration of filming. Sounds like a win, right? Nope, she stops me at every hint of a flirt. I'm in uncharted waters for once. Joel Kline's famous techniques to get the girl are failing me. It's no longer about those sexy Brazilian lips, or her fiery spirit that gives me a hard-on. It's about making her banana pancakes after she spends the night in my home. It's about knocking down those walls around her, claiming her as mine. She's going to fight me, of course, unwilling to accept that it's not all an act. But I'm not going anywhere; that's how you get the girl.

Kushiel's Dart Apr 02 2020 A nation born of angels, vast and intricate and surrounded by danger... a woman born to servitude, unknowingly given access to the secrets of the realm... Born with a scarlet mote in her left eye, Phédre nó Delaunay is sold into indentured servitude as a child. When her bond is purchased by an enigmatic nobleman, she is trained in history, theology, politics, foreign languages, the arts of pleasure. And above all, the ability to observe, remember, and analyze. Exquisite courtesan, talented spy... and unlikely heroine. But when Phédre stumbles upon a plot that threatens her homeland, Terre d'Ange, she has no choice. Betrayed into captivity in the barbarous northland of Skaldia and accompanied only by a disdainful young warrior-priest, Phédre makes a harrowing escape and an even more harrowing journey to return to her people and deliver a warning of the impending invasion. And that proves only the first step in a quest that will take her to the edge of despair and beyond. Phédre nó Delaunay is the woman who holds the keys to her realm's deadly secrets, and whose courage will decide the very future of her world. Not since Dune has there been an epic on the scale of Kushiel's Dart—a massive tale about the violent death of an old age and the birth of a new. It is a novel of grandeur, luxuriance, sacrifice, betrayal, and deeply laid conspiracies. A world of cunning poets, deadly courtiers, deposed rulers and a besieged Queen, a warrior-priest, the Prince of Travelers, barbarian warlords, heroic traitors, and a truly Machiavellian villainess... all seen through the unflinching eyes of an unforgettable heroine. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

The BEARly Controlled Grizzly (Bear Clan, 1) May 04 2020 That first time I saw her—my mate—I'd been ready to kick some guy's ass for even looking at her. I made no apologies for my possessive, territorial side. I was a grizzly bear shifter, after all. It was my nature to be over the top. Bethany hadn't known what to do at first—being mated to a shifter—one who was grouchy and burly and made no apologies for how rugged he really was. But she wanted me, my sweet little human mate who could have brought a beast like me to my knees with just a look. I'd wanted nothing more than to throw her over my shoulder and take her back to my lair like a caveman. But I let her take the lead, even if my bear wasn't happy, even if the alpha in me wanted to have my way with her right then and there. And I would have my way with her. All the ways that counted, in fact. I'd claim her, mark her, and before it was all said and done, there'd be no doubt in anyone's mind that Bethany was owned by a grizzly. Warning: Holy moly, this hero's crazy for his mate, but who wouldn't want one OTT alpha bear shifter obsessed with you? This story is sweet and sexy, and oh so very filthy. Of course, you get a happily ever after ... and a little somethin'-somethin' at the end to wrap it up nicely.

I think I have to lose it all, to gain what is missing inside of me. How do you eradicate self, when self is what you've been fighting for? Throw everything you think you know about the fae away. Nothing is sacred, and no one is safe from the monsters we're about to become.

The Horde King thinks he has me exactly where he wants me. He thinks he has taken all of my options away. I still have choices. Embracing what destiny has planned for me, or escaping it.
