The Jack-Roller Oct 01 2022 Vivid, authentic, this is the autobiography of a delinquent—his experiences, influences, attitudes, and values. The Jack-Roller helped to establish the life-history or "own story" as an important instrument of sociological research. The book remains as relevant today to the study and treatment of juvenile delinquency and maladjustment as it was when originally published in 1930.

I'm Jack and I'm Back Nov 29 2019 I'M JACK & I'M BACK: The Basement Pit is a suspenseful revenge-driven thriller about reckless choices and consequence. Jack's family clings to memories of security as they bond from the knowledge that perseverance is life. They learn by adversity how loyalty is as rare as it is priceless. This intense story of reckless justification lends itself to an unfolding awareness surrounding the gameness of a family pet. The plot uncovers extreme courage and the will to do whatever it takes to get to the other side of adversity. Raw truths emerge during each character's ongoing struggle. In this gritty, meandering tale illustrating non-traditional integrity and dysfunctional passions, colorful players morph as pressures steadily build. A battle of one's moral compass versus repressed inner-demons facilitates a collective downward spiral to a door of self-discovery in this unconventional look at retribution and redemption.

Shared Beginnings, Divergent Lives Oct 09 2020 ably the longest longitudinal study of age, crime, and the life course to date.

The Chicago School of Criminology, 1914-1945 May 28 2022

Originally published: 1923-1942 as six separate works.

The Stickup Kids Oct 21 2021 Randol Contreras came of age in the South Bronx during the 1980s, a time when the community was devastated by cuts in social services, a rise in arson and abandonment, and the rise of crack-cocaine. For this riveting book, he returns to the South Bronx with a sociological eye and provides an unprecedented insider's look at the workings of a

group of Dominican drug robbers. Known on the streets as 'Stickup Kids,' these men raided and brutally tortured drug dealers storing large amounts of heroin, cocaine, marijuana, and cash. As a participant observer, Randol Contreras offers both a personal and theoretical account for the rise of the Stickup Kids and their violence. He mainly focuses on the lives of neighborhood friends, who went from being crack dealers to drug robbers once their lucrative crack market opportunities disappeared. The result is a stunning, vivid, on-the-ground ethnographic description of a drug robbery's violence, the drug market high life, the criminal life course, and the eventual pain and suffering experienced by the casualties of the Crack Era. Provocative and eye-opening, *The Stickup Kids* urges us to explore the ravages of the drug trade through weaving history, biography, social structure, and drug market forces. It offers a revelatory explanation for drug market violence by masterfully uncovering the hidden social forces that produce violent and self-destructive individuals. Part memoir, part penetrating analysis, this book is engaging, personal, deeply informed, and entirely absorbing.

Statistics in Criminal Justice Dec 11 2020 Statistics in Criminal Justice takes an approach that emphasizes the application and interpretation of statistics in research in crime and justice. This text is meant for both students and researchers who want to gain a basic understanding of common statistical methods used in this field. In general, the text relies on a building-block approach, meaning that each chapter helps to prepare the student for the chapters that follow. It also means that the level of sophistication of the text increases as the text progresses. Throughout the text there is an emphasis on comprehension and interpretation, rather than computation. However, as the statistical methods discussed become more complex and demanding to compute, there is increasing use and integration of statistical software. This approach is meant to

provide the reader with an accessible, yet sophisticated understanding of statistics that can be used to examine real-life criminal justice problems with popular statistical software programs. The primary goal of the text is to give students and researchers a basic understanding of statistical concepts and methods that will leave them with the confidence and the tools for tackling more complex problems on their own. New to the 4th Edition · New chapter on experimental design and the analysis of experimental data. · New chapter on multi-level models, including growth-curve models. · New computer exercises throughout the text to illustrate the use of both SPSS and Stata. · Revision of exercises at the end of each chapter that places greater emphasis on using statistical software. · Additional resources on the text's web site for instructors and students, including answers to selected problems, syntax for replicating text examples in SPSS and Stata, and other materials that can be used to supplement the use of the text.

The Jack-Roller Aug 31 2022 2013 Reprint of 1930 Edition. Exact facsimile of the original edition, not reproduced with Optical Recognition Software. In nineteenth and early Twentieth Century America a Jack Roller was a guy who hung around the skid row sections of big cities and robbed those unwise enough to get visibly drunk by beating them up and stealing their valuables. Vivid, engaging and authentic, this is the autobiography of a delinquent-his experiences, influences, attitudes, and values. The "Jack-Roller" helped to establish the life-history or "own story" as an important instrument of sociological research. The book remains as relevant today to the study and treatment of juvenile delinquency and maladjustment as it was when originally published in 1930. CONTENTS; I. Value of Delinquent Boy's Own Story II. History of Stanley's Behavior Difficulties III. Stanley's Social and Cultural Background Stanley's Own Story IV. Starting Down Grade V. The Baby Bandhouse VI. Getting Educated VII. The Lure of the Underworld VIII. Mingling in High Society IX.

In the Deep Blue Sea Sep 07 2020 New York Times–bestselling authors Bill Nye the Science Guy and Gregory Mone take middle-grade readers on a scientific adventure in Book 2 of the exciting new Jack and the Geniuses series. The series combines real-world science along with a mysterious adventure that will leave kids guessing until the end, making the books ideal for STEM education. In the second installment, *In the Deep Blue Sea*, Jack, his genius siblings Ava and Matt, and inventor Dr. Hank Witherspoon travel to the Hawaiian island home of Ashley Hawking, a technology billionaire. Hawking and engineer Rosa Morris have built a revolutionary electricity plant that harvests energy from the deep ocean, but someone has been sabotaging the project. In their search for the culprit, Jack and crew navigate an unusual world of characters and suspects, including Hawking and her obnoxiously intelligent son, Steven; a family of surfers who accuse the billionaire of trespassing on sacred land; an ex-Navy SEAL with a fondness for cat photos; and a cigar-chomping man who calls himself the Air-Conditioning King of Hawaii. Readers will learn about the mysteries of the deep ocean, the scientific process, and the potential of green energy as Jack and his brilliant siblings use all their brainpower to survive. Integrating real science facts with humor and suspense and featuring a multiethnic cast of boy and girl characters, this engaging series is an irresistible combination for middle-grade readers. With easy-to-read language presented in a fun and accessible way, these books are great for both inquisitive kids and reluctant readers. *In the Deep Blue Sea: Jack and the Geniuses Book 2* includes information about the science discussed and used

to solve the mystery, as well as a cool project that kids can do at home or in the classroom. Bill Nye's brand-new talk show series for Netflix, *Bill Nye Saves the World*, premieres on April 21, 2017.

Thunderbird Jun 04 2020 The Nebula Award-winning author of the Alex Benedict novels and the Priscilla Hutchins novels returns to the world of Ancient Shores in a startling and majestic epic. A working stargate dating back more than ten thousand years has been discovered in North Dakota, on a Sioux reservation near Devils Lake. Travel through the gate currently leads to three equally mysterious destinations: (1) an apparently empty garden world, quickly dubbed Eden; (2) a strange maze of underground passageways; or (3) a space station with a view of a galaxy that appears to be the Milky Way. The race to explore and claim the stargate quickly escalates, and those involved divide into opposing camps who view the teleportation technology either as an unprecedented opportunity for scientific research or a disastrous threat to national—if not planetary—security. In the middle of the maelstrom stands Sioux chairman James Walker. One thing is for certain: Questions about what the stargate means for humanity's role in the galaxy cannot be ignored. Especially since travel through the stargate isn't necessarily only one way...

Hole in My Life Apr 14 2021 The author relates how, as a young adult, he became a drug user and smuggler, was arrested, did time in prison, and eventually got out and went to college, all the while hoping to become a writer. An ALA Notable Book. Reprint.

All Good Things Mar 02 2020 Jack Hart is a young attorney trying to escape a troubled past as he climbs the ladder at a big Seattle law firm. The demands and indignities of associate life have been softened by his interest in his mentor, Harmony Piper, granddaughter of the firm's founder. When Harmony disappears, Jack learns firm secrets and dangers that he could not have imagined - and may not survive.

of twenty-year-old Carrie Love by her boss, Jesse Pratt, detailing his obsession with her, the way she was killed, and the trail of evidence left behind that landed him on death row.

28 Dec 31 2019 A brutally honest memoir that completely rethinks what it means to be a man. 'Like Andre Agassi's Open, this is a transformative book; it is going to change our way of seeing' Malcolm Knox 'Brandon Jack is a force for good' Michelle Andrews and Zara McDonald, hosts of the Shameless podcast Continually told he was born with footballing blood, Brandon Jack has spent his life uncertain of the relationship he holds with the games he's played. Now a writer and musician, he sits in his apartment and reflects upon the years spent pursuing what felt like an inevitability - the footballing life. This is a unique and darkly poetic fly-on-the-wall account of a world that is usually shown in bright lights. Filled with relentlessly driven diary entries, vivid details of life at the fringe, and memories of binge-drinking into oblivion as an escape during his playing days at the Sydney Swans, 28 is a portrayal of the sporting psyche in a way that has never been done before. But the true beauty of this book lies in the space outside football. Laid bare on these pages is a searingly honest deep dive into sport, addiction, art, sexuality, masculinity, love, family and identity. 'Searingly honest, unflinching' Peter FitzSimons 'Brandon Jack has talent and daring in abundance' Christos Tsiolkas

In Their Own Words Aug 26 2019 Understanding the "criminal mind" (tactics, motives, psychology) is essential to the effective control and prevention of crime. Yet few undergraduates ever encounter a "real" criminal during their studies. How can students be expected to develop proper measures for the prevention of crime without first understanding the person behind the crime? Bridging this gap, *In Their Own Words: Criminals on Crime*, Fifth Edition, provides students with access to the perspective of "the offender." The only book of its kind, this anthology presents ethnographic accounts of gang members,

burglars, shoplifters, pimps, prostitutes, killers, robbers, addicts, rapists, drug smugglers, and white-collar offenders--all of whom discuss their motives, perceptions, decision-making strategies, and rationalizations for crime. In order to help students become more careful, critical practitioners of criminology, the researchers of this volume frame each reading with a helpful introduction that places the criminal's words into a relevant theoretical context. An insightful analysis and conclusion follow each article. Ideal for courses in criminology, behavior profiling, criminal behavior, and criminal psychology, *In Their Own Words: Criminals on Crime*, Fifth Edition, provides students with a nuanced perspective on how--and why--offenders make decisions that lead them to commit crimes. FEATURES OF THE FIFTH EDITION · Twelve new chapters (four of which are original contributions)--featuring current material that resonates with students · New and expanded coverage of many timely topics including terrorism, identity theft, computer hacking, and drug smuggling · A Test Bank containing multiple-choice, essay, and true/false questions for each chapter

Jack's Back Sep 27 2019 Jack's Back is a fast-paced, rollercoaster of a crime thriller with an incredibly explosive finale, perfect for fans of Peter James, Stuart MacBride and Mark Billingham. It's been one hundred and eleven years since Jack the Ripper terrorised the gas lit streets of Victorian London, but now the grisly killings have started all over again. When the mutilated corpse of a local prostitute is discovered on a building site in Whitechapel during the early hours of Sunday 31st October 1999, it quickly becomes apparent to DCI Jack Tyler and his team of homicide detectives that someone has taken up the Ripper's mantle and is seeking to emulate the terrible atrocities that gained his namesake such notoriety. 'Be afraid. This is only the start. Jack's back...' The chilling message, left by the killer on a wall near the body, and written in the victim's own blood, catapults the detectives into a race against time as they strive to

discover the New Ripper's identity and stop him from striking again. With his every move being closely monitored by the media, and the top brass at the Yard breathing down his neck to get a quick result, Jack Tyler begins to worry that if he doesn't catch the killer soon, the case will be taken away from him and his career will be left in tatters. *Jack's Back*, the debut novel by former homicide detective, Mark Romain, is a fast moving and gritty crime thriller that pits DCI Jack Tyler against a modern-day serial killer, a psychopath who is convinced the original Ripper was an occultist, and that the murders he committed, far from being random, were a series of sacrificial rituals designed to bring him power and influence. And like his namesake, the New Ripper plans to kill five women and then disappear forever.

Practice and Research Nov 09 2020 Practice and Research is an overview of Professor Ian Shaw's analysis of the complexity and challenges of the practice/research relationship in social work - a theme that has been the focus of much of his writing over his career. Introduced with a new essay that reflects on the 'serendipity, misfires and occasional patterns' in his work, the book is grouped into five sections. It covers the following themes, each of which is fully contextualized: ϕ Perspectives on Social Work Research ϕ Evaluation ϕ Qualitative Social Work Research ϕ Practice and Research ϕ The Receiving End: Service Users and Research This book has much to say about the relationship between social work practice and research and is a must-read for any social work student or practitioner.

Everything I Never Told You Jan 12 2021 The acclaimed debut novel by the author of *Little Fires Everywhere* and *Our Missing Hearts* "A taut tale of ever deepening and quickening suspense." —O, the Oprah Magazine "Explosive . . . Both a propulsive mystery and a profound examination of a mixed-race family." —Entertainment Weekly "Lydia is dead. But they don't know this yet." So begins this exquisite novel about a Chinese American family living in 1970s small-town Ohio. Lydia is the favorite child

of Marilyn and James Lee, and her parents are determined that she will fulfill the dreams they were unable to pursue. But when Lydia's body is found in the local lake, the delicate balancing act that has been keeping the Lee family together is destroyed, tumbling them into chaos. A profoundly moving story of family, secrets, and longing, *Everything I Never Told You* is both a gripping page-turner and a sensitive family portrait, uncovering the ways in which mothers and daughters, fathers and sons, and husbands and wives struggle, all their lives, to understand one another.

Broken Ink Apr 02 2020 Carrying a tattoo on your skin no longer just comes with a risk of infection. Get the composition right, you have the latest mind-control drug on the market. It's the sex-traders? dream, or worst nightmare, depending on the concentrated dose of the ink and just who's wearing it. For Kiyen, the ink means he's able to strip raw the minds of the best and worst of society. He's one of MI7's top killers and never more driven to select and take down a target. For Falen, the ink has ensured he's spent his early years as a willing sex slave and low-grade empath. Hiding out in a small town and trying to bury the needs running through his body, Fal's hoping to stay under the radar of MI7 and their specialist killers.

The Trouble in Me Dec 23 2021 "Fourteen-year-old Jack falls under the spell of a delinquent Florida neighbor and gets way more trouble than he bargained for"--

No Matter How Loud I Shout May 04 2020 Now updated with a new introduction and afterword, this award-winning examination of the nation's largest juvenile criminal justice system in Los Angeles by a Pulitzer Prize-winning journalist is "an important book with a message of great urgency, especially to all concerned with the future of America's children" (Booklist). In an age when violence and crime by young people is again on the rise, *No Matter How Loud I Shout* offers a rare look inside the juvenile court system that deals with these children and the impact

decisions made in the courts had on the rest of their lives. Granted unprecedented access to the Los Angeles Juvenile Court, including the judges, the probation officers, and the children themselves, Edward Humes creates an unforgettable portrait of a chaotic system that is neither saving our children in danger nor protecting us from adolescent violence. Yet he shows us there is also hope in the handful of courageous individuals working tirelessly to triumph over seemingly insurmountable odds. Weaving together a poignant, compelling narrative with razor-sharp investigative reporting, *No Matter How Loud I Shout* is a convincingly reported, profoundly disturbing discussion of the Los Angeles juvenile court's failings, providing terrifying evidence of the system's inability to slow juvenile crime or to make even a reasonable stab at rehabilitating troubled young offenders. Humes draws an alarming portrait of a judicial system in disarray.

Escape to Prison Jan 24 2022 The resurrection of former prisons as museums has caught the attention of tourists along with scholars interested in studying what is known as dark tourism. Unsurprisingly, due to their grim subject matter, prison museums tend to invert the "Disneyland" experience, becoming the antithesis of "the happiest place on earth." In *Escape to Prison*, the culmination of years of international research, noted criminologist Michael Welch explores ten prison museums on six continents, examining the complex interplay between culture and punishment. From Alcatraz to the Argentine Penitentiary, museums constructed on the former locations of surveillance, torture, colonial control, and even rehabilitation tell unique tales about the economic, political, religious, and scientific roots of each site's historical relationship to punishment.

True Believer Aug 07 2020 Former Navy SEAL James Reece's skill, cunning, and heroism put the US government back in his debt and [has] set him on another path of revenge. When a string of horrific terrorist attacks plagues the Western world during the holiday season, the broader markets fall into a tailspin. The attacks are being coordinated by a shadowy former Iraqi commando who has disappeared into Europe's underground. The United States government has an asset who can turn the Iraqi against his masters: James Reece, the most-wanted domestic terrorist alive. After avenging the deaths of his family and team members, Reece emerges deep in the wilds of Mozambique, protected by the family of his estranged best friend and former SEAL Team member. When a series of events uncovers his whereabouts, the CIA recruits him, using a Presidential pardon for Reece and immunity for the friends who helped him in his mission of vengeance. Now a reluctant tool of the United States government, Reece travels the globe, targeting terrorist leaders and unraveling a geopolitical conspiracy that exposes a traitorous CIA and uncovers a sinister assassination plot with worldwide repercussions.

In Jack's Arms Jan 30 2020 When pawn broker Abby Kirkwood discovers the evidence of a chilling drug cartel hit on one of the video cameras hocked in her store, she turns to the only man she can trust—Jack Connolly. The smolderingly sexy former Marine runs a successful gym down the street and coaches her brother's special needs baseball team. He's the one man who is always there when she needs him. If anyone can protect her family, it's commanding, capable Jack. The moment he learns someone is threatening Abby and her brother, Jack sees red. To save the

woman he's secretly loved for years, he'll do whatever it takes, even if it means facing off with a Mexican drug cartel and making deals with the same Albanian mob outfit that tried to ruin his family. He finally has sweet, feisty Abby right where she was always meant to be—writhing with pleasure in his bed and safely sheltered in his arms. The vicious cartel assassin hot on her heels has no idea what he's up against. The Connolly brothers are standing strong together—and no one touches their family. Alpha male, Marine romance, military hero, interracial romance, bwwm romance, mob, fighter romance, suspense, sexy, fighting connollys, her Russian protector, roxie rivera

Criminals in the Making Jul 18 2021 Why do individuals exposed to the same environment turn out so differently, with some engaging in crime and others abiding by societal rules and norms? Why are males involved in violent crime more often than females? And why do the precursors of serious pathological behavior typically emerge in childhood? This fascinating text addresses key questions surrounding criminal propensity by discussing studies of the life-course perspective—criminological research that links biological factors associated with criminality with the social and environmental agents thought to cause, facilitate, or otherwise influence a tendency towards criminal activity. The book provides comprehensive, interdisciplinary coverage of the current thinking in the field about criminal behavior over the course of a lifetime. Additionally, it highlights interventions proven effective and illustrates how the life-course perspective has contributed to a greater understanding of the causes of crime.

Jack of Spades Feb 22 2022 An exquisite, psychologically complex thriller about opposing forces within the mind of one ambitious writer and the delicate line between genius and madness. Andrew J. Rush has achieved the kind of critical and commercial success most authors only dream about: He has a top agent and publisher in New York, and his twenty-eight mystery

Downloaded from

novels have sold millions of copies. Only Stephen King, one of the few mystery writers whose fame exceeds his own, is capable of inspiring a twinge of envy in Rush. But Rush is hiding a dark secret. Under the pseudonym “Jack of Spades,” he pens another string of novels—noir thrillers that are violent, lurid, and masochistic. These are novels that the upstanding Rush wouldn’t be caught reading, let alone writing. When his daughter comes across a Jack of Spades novel he has carelessly left out, she picks it up and begins to ask questions. Meanwhile, Rush receives a court summons in the mail explaining that a local woman has accused him of plagiarizing her own self-published fiction. Before long, Rush’s reputation, career, and family life all come under threat—and in his mind he begins to hear the taunting voice of the Jack of Spades. “Sleek and suspenseful . . . Readers are sure to be gripped and unsettled by [Oates’s] depiction of a seemingly mild-mannered character whose psychopathology simmers frighteningly close to the surface.” —Publishers Weekly, starred review “Just when you think you’ve got her all figured out, Joyce Carol Oates sneaks up behind and confounds you yet again. She does it with a wicked flourish in Jack of Spades.” —The New York Times Book Review

The Jack-Roller at Seventy Mar 26 2022

Lenin's Roller Coaster Feb 10 2021 Winter 1917: As a generation of Europe's young men perish on the fronts, British spy Jack McColl is assigned a dangerous sabotage mission deep in Central Asia where German influence is strong. Meanwhile, the woman he loves, Caitlin, is in Bolshevik Russia, thrilled to cover the Revolution. Caitlin knows Moscow is where she is meant to be - even if she is putting her life at risk. But years of bloody war have taken their toll on all of Europe, and Jack and Caitlin's relationship may become another casualty. Can a revolutionary love a spy? And if she does, will it cost one of them their lives?

York Times and #1 international bestselling author weaves a breathless thriller starring Jack West, Jr. that's "a clever mix of history, mythology, and geography" (Associated Press). A shadow world behind the real world... When Jack West, Jr. won the Great Games, he threw the four legendary kingdoms into turmoil. A world with its own history, rules and prisons... Now these dark forces are coming after Jack...in ruthless fashion. That is reaching into our world—explosively... With the end of all things rapidly approaching, Jack must find the Three Secret Cities, three incredible lost cities of legend. It's an impossible task by any reckoning, but Jack must do it while he is being hunted...by the greatest hunters in history. With Matthew Reilly's signature "wave after wave of nonstop action" (Booklist), *The Three Secret Cities* is an electrifying rollercoaster ride of a thriller.

Psychosocial Criminology Apr 26 2022 'This is a well written, thought provoking, and highly challenging book for anyone who claims to be a criminologist or for whom crime is of central concern. It should be required reading on all undergraduate and post-graduate criminology courses. A truly innovative take on some well established criminological dilemmas.' - Sandra Walklate, Eleanor Rathbone Chair of Sociology, University of Liverpool What makes people commit crime? *Psychosocial Criminology* demonstrates how a psychosocial approach can illuminate the causes of particular crimes, challenging readers to re-think the similarities and differences between themselves and those involved in crime. The book critiques existing psychological and sociological theories before outlining a more adequate understanding of the criminal offender. It sheds new light on a series of crimes - rape, serial murder, racial harassment , 'jack-rolling' (mugging of drunks), domestic violence - and contemporary criminological issues such as fear of crime, cognitive-behavioural interventions and restorative justice. Gadd and Jefferson bring together theories about identity, subjectivity and gender to provide the first comprehensive account of their

psychoanalytically inspired approach. For each topic, the theoretical perspective is supported by individual case studies, which are designed to facilitate the understanding of theory and to demonstrate its application to a variety of criminological topics. This important and lucid book is written primarily for upper level undergraduates, postgraduates and teachers of criminology. It is particularly useful for students undertaking a joint degree in criminology and psychology. It will also appeal to critical psychologists, psychoanalysts, students of biographical methods and those pursuing social work training. David Gadd is Senior Lecturer in Criminology at Keele University. Tony Jefferson is Professor of Criminology at Keele University.

General Jack and the Battle of the Five Kingdoms Jun 24 2019 The times were hopelessly dark. In a green land before time, all animals of the world laboured under the repressive rule of King Roar the Lion and the fierce Felines. Miaow, the timid and inconsequential chief of the cats befriends a ten-year-old mysterious explorer, Jack. These two unlikely heroes engage in the impossible struggle for liberty of the repressed animals. The conflict reaches its apogee with an epic but disastrous battle. Although the two protagonists were aware their survival was at stake, little did they know their enduring friendship would radically alter the destiny of the Animal World forever. This book will appeal to fans of "The Hobbit" and "The Chronicles of Narnia."

The Five Sep 19 2021 Miscast in the media for nearly 130 years, the victims of Jack the Ripper finally get their full stories told in this eye-opening and chilling reminder that life for middle-class women in Victorian London could be full of social pitfalls and peril.
