**The Diary of a Young Girl** Aug 08 2020 THE DEFINITIVE EDITION • Discovered in the attic in which she spent the last years of her life, Anne Frank’s remarkable diary has since become a world classic—a powerful reminder of the horrors of war and an eloquent testament to the human spirit. Updated for the 75th Anniversary of the Diary’s first publication with a new introduction by Nobel Prize–winner Nadia Murad “The single most compelling personal account of the Holocaust ... remains astonishing and excruciating.”—The New York Times Book Review In 1942, with Nazis occupying Holland, a thirteen-year-old Jewish girl and her family fled their home in Amsterdam and went into hiding. For the next two years, until their whereabouts were betrayed to the Gestapo, they and another family lived cloistered in the “Secret Annex” of an old office building. Cut off from the outside world, they faced hunger, boredom, the constant cruelties of living in confined quarters, and the ever-present threat of discovery and death. In her diary Anne Frank recorded vivid impressions of her experiences during this period. By turns thoughtful, moving, and amusing, her account offers a fascinating commentary on human courage and frailty and a compelling self-portrait of a sensitive and spirited young woman whose promise was tragically cut short.

*Adventure Time: Sugary Shorts* Oct 10 2020 Collects the adventures of such Land of Ooo residents as Finn the Human, Jake the Dog, Princess Bubblegum, and Marceline the Vampire Queen.

**Athletic Shorts** Nov 22 2021 These six powerful short stories chronicle bits of the lives of characters, major and minor, who have walked the rugged terrain of Chris Crutcher's earlier works. They also introduce some new and unforgettable personalities who may well be heard from again in future books. As with all Crutcher's work, these are stories about athletes, and yet they are not sport stories. They are tales of love and death, bigotry and heroism, of real people doing their best even when that best isn't very good. Crutcher's straightforward style and total honesty have earned him an admiring audience and made readers of many nonreaders.

**The Everything Store** Jun 05 2020 The authoritative account of the rise of Amazon and its intensely driven founder, Jeff Bezos, praised by the Seattle Times as "the definitive account of how a tech icon came to life." Amazon.com started off delivering books through the mail. But its visionary founder, Jeff Bezos, wasn't content with being a bookseller. He wanted Amazon to become the everything store, offering limitless selection and seductive convenience at disruptively low prices. To do so, he developed a corporate culture of relentless ambition and secrecy that's never been cracked. Until now. Brad Stone enjoyed unprecedented access to current and former Amazon employees and Bezos family members, giving readers the first in-depth, fly-on-the-wall account of life at Amazon. Compared to tech's other elite innovators -- Jobs, Gates, Zuckerberg -- Bezos is a private man. But he stands out for his restless pursuit of new markets, leading Amazon into risky new ventures like the Kindle and cloud computing, and transforming retail in the same way Henry Ford revolutionized manufacturing. The Everything Store is the revealing, definitive biography of the company that placed one of the first and largest bets on the Internet and forever changed the way we shop and read.

The U.S. Constitution Jun 17 2021 The U.S. Constitution: A Very Short Introduction explores the major themes of American constitutional history—federalism, the balance of powers, property, representation, equality, rights, and security. Informed by the latest scholarship, each theme illustrates how the Constitution has served as a dynamic framework for legitimating power and advancing liberty.

**Adventure Time: Sugary Shorts Vol. 2 Mathematical Edition** Jun 25 2019 More silly shorts from the Land of Ooo to tickle your funny bone! Based on the popularity of the first Adventure Time collection of short stories, we've collected a second edition of the mini adventures produced for the smash hit KaBOOM! comic series! ADVENTURE TIME fans can continue to cherish interpretations of Finn and Jake and the Land of Ooo produced to date in a second stunning, over-sized collectible hardcover!

**The Short Second Life of Bree Tanner** Feb 11 2021 Newly turned vampire Bree Tanner lives in terror -- and must find her way out of untold danger -- in this pulse-pounding novella, a companion to Eclipse. Bree Tanner, a self-described "vampire nerd" first introduced in Eclipse, lives in terror in a coven of newborn vampires. She is a member of Victoria's vampire army, and as that army closes in on Bella Swan and the Cullens, she finds her first friend and discovers a truth about daylight. While fans may know how it ends, they don't yet have the full story: Bree's tale of danger, mystery, and romance is one for the books. It's here! #1 bestselling author Stephenie Meyer makes a triumphant return to the world of Twilight with the highly anticipated companion, Midnight Sun: the iconic love story of Bella and Edward told from the vampire's point of view. "People do not want to just read Meyer's books; they want to climb inside them and live there." -- Time "A literary phenomenon." -- The New York Times

**A Short History of the United States** Sep 01 2022 In A Short History of the United States, National Book Award winner Robert V. Remini offers a much-needed, concise history of our country. This accessible and lively volume contains the essential facts about the discovery, settlement, growth, and development of the American nation and its institutions, including the arrival and migration of Native Americans, the founding of a republic under the Constitution, the emergence of the United States as a world power, the outbreak of terrorism here and abroad, the Obama presidency, and everything in between.

**Cartoons in Hard Times** May 17 2021 Cartoons in Hard Times provides a comprehensive analysis of the short subject animation released by the Walt Disney and Warner Brothers from 1932 and 1945, one of the most turbulent periods in Unites States history. Through a combination of content analysis, historical understanding and archival research, this book sheds new light on a hitherto unexplored area of animation, suggesting the ways in which Disney and Warner Brothers animation engaged with historical, social, economic and political changes in this era. The book also traces the development of animation into a medium fit for propaganda in 1941 and the changes in characters, tone, music and narrative that took place to facilitate this transition. Animation transformed in this era from a medium of entertainment, to a socio-political commentator before finally undertaking government sponsored propaganda during the Second World War.

The TB12 Method Apr 15 2021 The #1 New York Times bestseller by the 6-time Super Bowl champion The first book by Tampa Bay Buccaneers and former New England Patriots quarterback Tom Brady—the 6-time Super Bowl champion who is still reaching unimaginable heights of excellence at 42 years old—a gorgeously illustrated and deeply practical “athlete’s bible” that reveals Brady’s revolutionary approach to sustained peak performance for athletes of all kinds and all ages. In this new edition of The TB12 Method, Tom Brady further explains and details the revolutionary training, conditioning, and wellness system that has kept him atop the NFL at an age when most players are deep into retirement. Brady—along with the expert Body Coaches at TB12, the performance lifestyle brand he cofounded in 2013 with Alex Guerrero—explain the principles and philosophies of pliability, a paradigm-shifting fitness concept that focuses on a more natural, healthier way of exercising, training, and living. Filled with lessons from Brady’s own training regimen, The TB12 Method provides step-by-step guidance on how develop and maintain one’s own peak performance while dramatically decreasing injury risks. This illustrated, highly visual manual also offers more effective approaches to functional strength & conditioning, proper hydration, supplementation, cognitive fitness, restorative sleep, and nutritious, easy-to-execute recipes to help readers fuel-up and recover. Brady steadfastly believes that the TB12 approach has kept him competitive while extending his career, and that it can make any athlete, male or female, in any sport and at any level achieve his or her own peak performance and do what they love, better and for longer. With instructions, drills, photos, in-depth case studies that Brady himself has used, along with personal anecdotes and experiences from his legendary career, The TB12 Method gives you a better way to train and get results with Tom Brady himself as living proof.

**Jeffrey Dahmer** Nov 30 2019 Some evils are meant to belong to the land of lore: where horrible monsters exist only to bewitch and unsettle the mind. But there are real horrors in this world, and the thing of nightmares can often exist right outside your door. Unfortunately, the only way to extinguish this kind of darkness, is to examine it in the light. For the name Jeffrey Dahmer still exists in the lexicon of American history as an example of pure evil and the proof that monsters truly do exist. Having murdered and dismembered seventeen men and boys between 1978 and 1991, the legacy of the cannibal next door still fascinates many who seek to understand where such brutality could come from, and how it managed to operate unchecked for so long. In Jeffrey Dahmer: The Milwaukee Cannibal, history takes a discerning eye to the life and behaviors of one of the world's most infamous serial killers. Giving consideration to Jeffrey's upbringing as well as his legacy, this biography offers new ways to consider and condemn the man inside the monster.

**Leviathan** Jan 13 2021 Written by one of the founders of modern political philosophy, Thomas Hobbes, during the English civil war, Leviathan is an influential work of nonfiction. Regarded as one of the earliest examples of the social contract theory, Leviathan has both historical and philosophical importance. Social contract theory prioritizes the state over the individual, claiming that individuals have consented to the surrender of some of their freedoms by participating in society. These surrendered freedoms help ensure that the government can be run easily. In exchange for their sacrifice, the individual is protected and given a place in a steady social order. Articulating this theory, Hobbes argues for a strong, undivided government ruled by an absolute sovereign. To support his argument, Hobbes includes topics of religion, human nature and taxation. Separated into four sections, Hobbes claims his theory to be the resolution of the civil war that raged on as he wrote, creating chaos and taking causalities. The first section, Of Man discusses the role human nature and instinct plays in the formation of government. The second section, Of Commonwealth explains the definition, implications, types, and rules of succession in a commonwealth government. Of a Christian Commonwealth imagines the religion's role government and societal moral standards. Finally, Hobbes closes his argument with Of the Kingdom of Darkness. Through the use of philosophical theory and historical study, Thomas Hobbes attempts to convince citizens to consider the cost and reward of being governed. Without an understanding of the sociopolitical theories that keep government bodies in power, subjects can easily become complicit or allow society to slip into anarchy. Created during a brutal civil war, Hobbes hoped to educate and persuade his peers. Though Leviathan was a work of controversy in its time, Hobbes' theories and prose has survived centuries, shaping the ideas of modern philosophy. This edition of Leviathan by Thomas Hobbes is now presented with a stunning new cover design and is printed in an easy-to-read font. With these accommodations, Leviathan is accessible and applicable to contemporary readers.

*The Daily Show (The Book)* Dec 24 2021 NEW YORK TIMES BESTSELLER The complete, uncensored history of the award-winning The Daily Show with Jon Stewart, as told by its correspondents, writers, and host. For almost seventeen years, The Daily Show with Jon Stewart brilliantly redefined the borders between television comedy, political satire, and opinionated news coverage. It launched the careers of some of today's most significant comedians, highlighted the hypocrisies of the powerful, and garnered 23 Emmys. Now the show's behind-the-scenes gags, controversies, and camaraderie will be chronicled by the players themselves, from legendary host Jon Stewart to the star cast members and writers-including Samantha Bee, Stephen Colbert, John Oliver, and Steve Carell - plus some of The Daily Show's most prominent guests and adversaries: John and Cindy McCain, Glenn Beck, Tucker Carlson, and many more. This oral history takes the reader behind the curtain for all the show's highlights, from its origins as Comedy Central's underdog late-night program to Trevor Noah's succession, rising from a scrappy jester in the 24-hour political news cycle to become part of the beating heart of politics—a trusted source for not only comedy but also commentary, with a reputation for calling bullshit and an ability to effect real change in the world. Through years of incisive election coverage, passionate debates with President Obama and Hillary Clinton, feuds with Bill O'Reilly and Fox, and provocative takes on Wall Street and racism, The Daily Show has been a cultural touchstone. Now, for the first time, the people behind the show's seminal moments come together to share their memories of the last-minute rewrites, improvisations, pranks, romances, blow-ups, and moments of Zen both on and off the set of one of America's most groundbreaking shows.

**American Gods** Jan 31 2020 Shadow is a man with a past. But now he wants nothing more than to live a quiet life with his wife and stay out of trouble. Until he learns that she's been killed in a terrible accident. Flying home for the funeral, as a violent storm rocks the plane, a strange man in the seat next to him introduces himself. The man calls himself Mr. Wednesday, and he knows more about Shadow than is possible. He warns Shadow that a far bigger storm is coming. And from that moment on, nothing will ever be the same...

**A Short History of Tractors in Ukrainian** Apr 27 2022 Nominated for the Man Booker Prize "A charming comedy of eros... A ride that, despite the bumps and curves in the road, never feels anything less than jaunty." — Los Angeles Times With this wise, tender, and deeply funny novel, Marina Lewycka takes her place alongside Zadie Smith and Monica Ali as a writer who can capture the unchanging verities of family. When an elderly and newly widowed Ukrainian immigrant announces his intention to remarry, his daughters must set aside their longtime feud to thwart him. For their father's intended is a voluptuous old-country gold digger with a proclivity for green satin underwear and an appetite for the good life of the West. As the hostilities mount and family secrets spill out, A Short History of Tractors in Ukrainian combines sex, bitchiness, wit, and genuine warmth in its celebration of the pleasure of growing old disgracefully.

**A Short History of the United States** May 29 2022 Robert V. Remini's A Short History of the United States is an abbreviated, accessible, lively, and erudite narrative history that contains the essential facts about the discovery, settlement, growth, and development of the American nation and its institutions. Racing across the centuries—from the arrival and migration of Native Americans and the discovery of the New World by Europeans, the American Revolution, the Civil War, the Great Depression, up to the global conflicts of the twentieth and twenty-first centuries—it is a fascinating overview of a great nation's epochs and missteps, and a celebration of its achievements, its unique and enduring strengths, and its abiding commitment to individual freedoms.

*The Martian Chronicles* Mar 15 2021 The tranquility of Mars is disrupted by humans who want to conquer space, colonize the planet, and escape a doomed Earth.

**The Black Dahlia** Jan 01 2020 The highly acclaimed novel based on America's most infamous unsolved murder case. Dive into 1940s Los Angeles as two cops spiral out of control in their hunt for The Black Dahlia's killer in this powerful thriller that is "brutal and at the same time believable" (New York Times). On January 15, 1947, the torture-ravished body of a beautiful young woman is found in a Los Angeles vacant lot. The victim makes headlines as the Black Dahlia -- and so begins the greatest manhunt in California history. Caught up in the investigation are Bucky Bleichert and Lee Blanchard: Warrants Squad cops, friends, and rivals in love with the same woman. But both are obsessed with the Dahlia -- driven by dark needs to know everything about her past, to capture her killer, to possess the woman even in death. Their quest will take them on a hellish journey through the underbelly of postwar Hollywood, to the core of the dead girl's twisted life, past the extremes of their own psyches -- into a region of total madness.

**Cuba (Winner of the Pulitzer Prize)** Jul 07 2020 The epic history of Cuba from before Columbus arrived to modern times and its complex relationship with the United States

**Pompeii** Mar 27 2022 Pompeii was one of most advanced cities of its time; it had a complex water system, gymnasium, and an amphitheater. Despite its advancements, there was one thing it wasn't ready for: Mount Vesuvius—the volcano that led to its ultimate doom. The 79 AD eruption of Mount Vesuvius was one of the worst disasters in all of European history. In a near instant, over 15,000 people were dead and a city was completely destroyed. This book looks at the rise, fall, and rediscovery of the great city of Pompeii.

**Tall Tales and Short Shorts** Sep 20 2021 In basketball, just as in American culture, the 1970s were imperfect. But it was a vitally important time in the development of the nation and of the National Basketball Association. During this decade Americans suffered through the war in Vietnam and Nixon's Watergate cover-up (not to mention disco music and leisure suits) while the NBA weathered the arrival of free agency and charges that its players were "too black." Despite this turmoil, or perhaps because of it, the NBA evolved into a cultural phenomenon. Tall Tales and Short Shorts: Dr. J, Pistol Pete, and the Birth of the Modern NBA traces the evolution of the NBA from the retirement of Bill Russell in 1969 to the arrival of Larry Bird and Magic Johnson ten years later. Sandwiched between the youthful league of the sixties and its mature successor in the eighties, this book reveals the awkward teenage years of the NBA in the seventies. It examines the many controversies that plagued the league during this time, including illicit drug use, on-court violence, and escalating player salaries. Yet even as attendance dwindled and networks relegated playoff games to tape-delayed, late-night broadcasts, fans still pulled on floppy gray socks like "Pistol Pete" Maravich, emulated Kareem Abdul-Jabbar's sweeping skyhook, and grew out mushrooming afros à la "Dr. J" Julius Erving. The first book-length treatment of pro basketball in the 1970s, Tall Tales and Short Shorts brings to life the players, teams, and the league as a whole as they dealt with expansion, a merger with the ABA, and transitioning into a new era. Sport historians and basketball fans will enjoy this entertaining and enlightening survey of an often-overlooked time in the development of the NBA.

*The "S" Word* Jun 29 2022 In response to the recent political red-baiting by some conservatives, the author offers a history of American socialism, highlighting such prominent socialists as Eugene V. Debs, Horace Greeley and Helen Keller and arguing that the United States owes many of its basic institutions, such as Social Security, to the ideas and efforts of American socialists. Original.

**World History Shorts 2** Oct 02 2022 Includes 30 one-page "shorts" about key events in world history, reproducible activity sheets, map, graph, and chart activities, extension activities, and assessments.

**Power Basics United States History** Nov 10 2020

US History Shorts Nov 03 2022

**Making It Big in Shorts** Sep 28 2019 Each year 8,000+ short films compete to fill 60 slots at the Sundance Film Festival. On an average day, 792 film and video projects vie for funding on Kickstarter. And every minute 300 hours of video are uploaded to YouTube. In this competitive environment, a short filmmaker can no longer invest time, money, and dreams of glory in the theory that if you build it, they will come. The challenge is making the right kind of short: one that will make a splash. Covering the nuts-and-bolts of production while stressing the importance of artistic expression, this invaluable handbook shows a first-time filmmaker how to make a buzzworthy little film that could launch a lucrative Hollywood career. Packed with over 75 photos and insider advice from dozens of high-profile professionals, including Sundance and Tribeca festival programmers and Academy Award(r) winners and nominees, Making It Big in Shorts puts the emphasis on making films shorter, faster, and cheaper."

*Short Lessons in U.S. History* Jul 31 2022 "Formerly known as 'How This Nation Became Great', 'Short Lessons in U.S. History offers bite-sized, easy-to-use lessons that are student-friendly and relevant for today's student. Each short lesson includes map skills and biographies of U.S. leaders, as well as review quizzes and student-paced assessment. Updated sections include new challenges for the United States from 1955-1982, and a look at modern times through 1999." --P. [4] of cover.

*The Story of My Life* Aug 20 2021 When she was 19 months old, Helen Keller (1880–1968) suffered a severe illness that left her blind and deaf. Not long after, she also became mute. Her tenacious struggle to overcome these handicaps — with the help of her inspired and inspiring teacher, Anne Sullivan — is one of the great stories of human courage and dedication. The Story of My Life, first published in 1903, is Helen Keller's classic autobiography detailing the first 22 years of her life, including the magical moment at a water pump when, recognizing the connection between the word "water" and the cold liquid flowing over her hand, she realized that objects had names. She had many experiences which were equally thrilling and noteworthy including her joy at eventually learning to speak so that by the time she was 16, she could speak well enough to attend preparatory school followed by her education at Radcliffe, from which she graduated cum laude, and of course, her extraordinary relationship with Miss Sullivan who had shown a remarkable gift and genius for communicating with her eager and quick-to-learn pupil. Keller also writes of her friendships with Oliver Wendell Holmes, Edward Everett Hale and other notables. Keller first began to write The Story of My Life in 1902, when she was still a student at Radcliffe College. The book is dedicated to inventor Alexander Graham Bell, and the dedication reads, "To ALEXANDER GRAHAM BELL Who has taught the deaf to speak and enabled the listening ear to hear speech from the Atlantic to the Rockies, I dedicate this Story of My Life."

**Stuff You Should Know** Sep 08 2020 From the duo behind the massively successful and award-winning podcast Stuff You Should Know comes an unexpected look at things you thought you knew. Josh Clark and Chuck Bryant started the podcast Stuff You Should Know back in 2008 because they were curious—curious about the world around them, curious about what they might have missed in their formal educations, and curious to dig deeper on stuff they thought they understood. As it turns out, they aren't the only curious ones. They've since amassed a rabid fan base, making Stuff You Should Know one of the most popular podcasts in the world. Armed with their inquisitive natures and a passion for sharing, they uncover the weird, fascinating, delightful, or unexpected elements of a wide variety of topics. The pair have now taken their near-boundless "whys" and "hows" from your earbuds to the pages of a book for the first time—featuring a completely new array of subjects that they've long wondered about and wanted to explore. Each chapter is further embellished with snappy visual material to allow for rabbit-hole tangents and digressions—including charts, illustrations, sidebars, and footnotes. Follow along as the two dig into the underlying stories of everything from the origin of Murphy beds, to the history of facial hair, to the psychology of being lost. Have you ever wondered about the world around you, and wished to see the magic in everyday things? Come get curious with Stuff You Should Know. With Josh and Chuck as your guide, there's something interesting about everything (...except maybe jackhammers).

**Best Debut Short Stories 2021** Apr 03 2020 The annual—and essential—collection of the newest voices in short fiction, selected this year by Nana Kwame Adjei-Brenyah, Kali Fajardo-Anstine, and Beth Piatote. Who are the most promising short story writers working today? Where do we look to discover the future stars of literary fiction? This book will offer a dozen answers to these questions. The stories collected here represent the most recent winners of the PEN/Robert J. Dau Short Story Prize for Emerging Writers, which recognizes twelve writers who have made outstanding debuts in literary magazines in the previous year. They are chosen by a panel of distinguished judges, themselves innovators of the short story form: Nana Kwame Adjei-Brenyah, Kali Fajardo-Anstine, and Beth Piatote. Each piece comes with an introduction by its original editors, whose commentaries provide valuable insight into what magazines are looking for in their submissions, and showcase the vital work they do to nurture literature's newest voices.

**A Cowboy Unmatched (Ebook Shorts) (The Archer Brothers Book #3)** Mar 03 2020 Neill isn't sure who hired him to repair Clara's roof--he only knows Clara desperately needs his help. Can he convince this stubborn widow to let down her guard and take another chance on love?

**A Brief History of Seven Killings** Oct 29 2019 A tale inspired by the 1976 attempted assassination of Bob Marley spans decades and continents to explore the experiences of journalists, drug dealers, killers and ghosts against a backdrop of period social and political turmoil. By the award-winning author of *The Book of Night Women*. 25,000 first printing.

**The War for Afghanistan: A Very Brief History** Feb 23 2022 When it invaded Afghanistan in 2001, the United States sought to do something previous foreign powers had never attempted: to create an Afghani state where none existed. More than a decade on, the new regime in Kabul remains plagued by illegitimacy and ineffectiveness. What happened? As Thomas Barfield shows, the history of previous efforts to build governments in Afghanistan does much to explain the difficulties besetting this newest experiment.

Princeton Shorts are brief selections taken from influential Princeton University Press books and produced exclusively in ebook format. Providing unmatched insight into important contemporary issues or timeless passages from classic works of the past, Princeton Shorts enable you to be an instant expert in a world where information is everywhere but quality is at a premium.

**The Short Story of Art** May 05 2020 The Short Story of Art is a new and innovative introduction to the subject of art. Simply constructed, the book explores 50 key works, from the wall paintings of Lascaux to contemporary installations, and then links these to sections on art movements, themes, and techniques. The design of the book allows the student or art enthusiast to easily navigate their way around key periods, artists and styles. Accessible and concise, it simplifies and explains the most important and influential concepts in art, and shows how they are linked. The book explains how, why, and when art changed, who introduced certain things, what they were, where they were produced, and whether they matter. It demystifies artistic jargon, giving readers a thorough understanding and broad enjoyment of art.

**Animated Personalities** Jul 19 2021 Mickey Mouse, Betty Boop, Donald Duck, Bugs Bunny, Felix the Cat, and other beloved cartoon characters have entertained media audiences for almost a century, outliving the human stars who were once their contemporaries in studio-era Hollywood. In *Animated Personalities*, David McGowan asserts that iconic American theatrical short cartoon characters should be legitimately regarded as stars, equal to their live-action counterparts, not only because they have enjoyed long careers, but also because their star personas have been created and marketed in ways also used for cinematic celebrities. Drawing on detailed archival research, McGowan analyzes how Hollywood studios constructed and manipulated the star personas of the animated characters they owned. He shows how cartoon actors frequently kept pace with their human counterparts, granting “interviews,” allowing “candid” photographs, endorsing products, and generally behaving as actual actors did—for example, Donald Duck served his country during World War II, and Mickey Mouse was even embroiled in scandal. Challenging the notion that studios needed actors with physical bodies and real off-screen lives to create stars, McGowan demonstrates that media texts have successfully articulated an off-screen existence for animated characters. Following cartoon stars from silent movies to contemporary film and television, this groundbreaking book broadens the scope of star studies to include animation, concluding with provocative questions about the nature of stardom in an age of digitally enhanced filmmaking technologies.

**Crinkle Shorts** Dec 12 2020 From holiday parties and cozy nights at home to discovering new worlds or long days at the office, incorrigible road racers to that vacation that just refuses to work out as planned, Crinkle Shorts explores the possibilities of the world of Babyfurs and Furry AB\DL relationships in all its diapered goodness. So settle down with your favorite plushie, kick up your paws, and let me tell you a story...

**Islamic History: A Very Short Introduction** Jan 25 2022 Does history matter? This book argues not that history matters, but that Islamic history does. This Very Short Introduction introduces the story of Islamic history; the controversies surrounding its study; and the significance that it holds - for Muslims and for non-Muslims alike. Opening with a lucid overview of the rise and spread of Islam, from the seventh to twenty first century, the book charts the evolution of what was originally a small, localised community of believers into an international religion with over a billion adherents. Chapters are also dedicated to the peoples - Arabs, Persians, and Turks - who shaped Islamic history, and to three representative institutions - the mosque, jihad, and the caliphate - that highlight Islam's diversity over time. Finally, the roles that Islamic history has played in both religious and political contexts are analysed, while stressing the unique status that history enjoys amongst Muslims, especially compared to its lowly place in Western societies where history is often seen as little more than something that is not to be repeated. Some of the questions that will be answered are: · How did Islam arise from the obscurity of seventh century Arabia to the headlines of twenty first century media? · How do we know what we claim to know about Islam's rise and development? · Why does any of this matter, either to Muslims or to non-Muslims? ABOUT THE SERIES: The Very Short Introductions series from Oxford University Press contains hundreds of titles in almost every subject area. These pocket-sized books are the perfect way to get ahead in a new subject quickly. Our expert authors combine facts, analysis, perspective, new ideas, and enthusiasm to make interesting and challenging topics highly readable.

**The Queen of Sheba (Ebook Shorts) (The Loves of King Solomon Book #4)** Aug 27 2019 The Queen of Sheba has unparalleled power and wealth, but when King Solomon offers her the one thing her heart still desires, what will she risk to obtain it?

**Marley and the Family Band** Jul 27 2019 A picture book that celebrates music, love, and family from author Cedella Marley. A poetic story about a young girl who moves to a new country and learns to make friends—inspired by a childhood growing up with the musician Bob Marley as a father. When Marley and her family move from Jamaica to Delaware, she knows life is about to change in big ways. And she's got the perfect plan to help her and her siblings make friends: an outdoor concert for the whole neighborhood! But when weather ruins their plans, she discovers help in the most unlikely places as her new neighbors quickly become the kindest of friends. In this joyful, vibrant picture book inspired by her childhood and iconic father, Cedella Marley assures children that nothing can stop the music as long as they have community.

**Zen Shorts (A Stillwater Book)** Oct 22 2021 Stillwater, the beloved Zen panda, now in his own Apple TV+ original series! This Caldecott Honor Book presents wondrous Zen tales to light up your life.... When a giant panda named Stillwater moves into Michael, Addy, and Karl's neighborhood, he tells them the most amazing stories! To Addy, he tells a tale of a poor man who gives gifts to a robber. To Michael, he tells of a farmer who learns not to judge luck. And to Karl, he tells the tale of a monk who continues to carry the weight of a burden long past. With vibrant watercolors and elegant ink drawings, Jon J Muth--and Stillwater the bear--imaginatively present three classic Zen stories that abound with enlightenment and love.
