How Many Baby Animals? Oct 21 2021 All the mommies in this book are about to have babies. But how many little ones will they bring into this world? A sweet and funny book in rhyme about baby animals, with split pages. For children ages 2 and up.

**My First Book of Baby Animals (National Wildlife Federation)**

Sep 19 2021 A sweet tiger cub, padding softly on its paws across the ground. A little lion getting its head nuzzled by mama as they soak in the sun. Two young kangaroos—joeys—at play. An infant chimpanzee, clinging lovingly to its mother's back. Nothing's more irresistible than an animal baby, and with these magnificent photos, kids can meet the cutest ones of all, and their families, too. From two fox kits climbing on logs, to an adorable baby bunny, to a trio of polar bears huddling close to stay warm, to penguins, polar bears, eaglets, and foals, these precious creatures will fascinate human "cubs"—and entice them to look at the pictures over and over again.

**Baby Mammals** Oct 01 2022 Provides information about young mammals, including anatomy, habitat, and relatives.

Baby Animals Apr 14 2021 Young readers will love naming the baby animals in this illustrated concertina book.

final two-page spread completes this charming book with a clever surprise.

Homes in the Wild Jul 06 2020 As informative as it is lovely, Homes in the Wild is an adorable nonfiction picture book from author/illustrator Lita Judge that shows that wild creatures—from beavers to bobcats, and sloths to squirrels—aren't so different from us after all. Just like us, every baby animal has a home. Some live in complex burrows deep underground, others in simple nests high in the treetops. But all homes, regardless of where they are or how they're built, serve the same purpose: providing shelter where a baby can eat, sleep, learn, and stay safe while growing up. Animal lovers will delight in this gorgeously illustrated peek inside the homes—from burrows deep underground to nests high in the trees—where baby animals live and grow.
