of government, Bill and his nemesis, Juanita Alvarez, become entangled in a roller-coaster ride of stress and emotional involvement, bordering on a criminal conspiracy of their own. What appears to be wrong becomes right, what appears to be bad becomes good, and what appears to be legal becomes truly illegal. In this epic battle of right and wrong, our character's moral and physical strengths are tested to the breaking point. In the end, the never-ending struggle of all living things to exist and prosper is confirmed without regard for mankind's concept of right or wrong. Open the front cover, immerse yourself

in the unfolding story, and pray for a revelation. I think you will find it very hard to put down.
