This Thing of Darkness Sep 27 2019 "Hollywood, 1956. Journalist and war widow Evangeline Kilhooley is assigned to write a star profile of the fading actor Bela Lugosi, made famous by his role as Count Dracula. During a series of interviews, Lugosi draws Evi into his curious Eastern European background, gradually revealing the link between Old World shadows and the twilight realm of modern horror films. Along the way, Evi meets another English expatriate, Hugo Radelle, a movie buff who offers to help with her research. As their relationship deepens, Evi begins to suspect that he knows more about her and her soldier husband than he is letting on. Meanwhile, a menacing Darkness stalks all three characters as their histories and destinies mysteriously begin to intertwine."--Provided by publisher.
