Hale's Medications & Mothers' Milk **TM 2021** Oct 24 2019 Written by a world-renowned expert in perinatal pharmacology, this essential reference contains current, complete, and evidence-based information on the transmission of maternal drugs into human milk. Because so many women ingest medications while breastfeeding, one of the most common questions encountered in pediatrics is: Which drugs are safe and which are hazardous for the infant? This 2021 edition has been extensively revised, and now includes 50 completely new and 356 updated medications, and state-of-the-art coverage of multiple diseases, vaccines, and syndromes. It addresses the use of radiopharmaceuticals, chemotherapeutic agents, and vaccines in breastfeeding mothers, and covers adult concerns, methods of reducing risk to infants, and infant monitoring. New to the 2021 Edition: 50 New Drugs Added 356 Drugs Updated with new data 817 Drug References Updated An updated 7x10 trim size and streamlined design for ease of use in patient education The latest information on the impact of prescription medications, over-the-counter drugs, herbs, and street drugs Key Features: Evidence-based, current information on over 1300 drugs, diseases, vaccines, and syndromes Dr. Hale's renowned "Lactation Risk Categories" incorporate recent updates Key points and savvy tips about breastfeeding and medications for quick reference Common abbreviations and drugs listed in alphabetical order Adult concerns, adult dose, pediatric concerns, infant monitoring, and alternatives Succinct information on evaluation of the infant

The Metropolitan Museum of Art Guide Sep 22 2019 Illustrates and describes nine hundred works of art representing each of the Museum's eighteen departments

National School Library Standards for Learners, School Librarians, and School Libraries Mar 21 2022 School librarian's needs have changed-- and the standards that govern the profession must change with them. This book is not intended to be a curriculum, but rather to guide your interactions with learners and educators, and help you develop an effective professional practice.

This Book Is Not for You! Jan 27 2020 From New York Times bestselling and Newbery Honor-winning author Shannon Hale and award-winning illustrator Tracy Subisak, comes a zany picture book that pokes fun at overly gendered notions of "boy books" and "girl books" and celebrates the pleasure of a good book. Stanley's thrilled for bookmobile day—until the old man at the window refuses to lend him the story he wants, all because it features a girl. "Girl books" are only for girls, the book man insists, just like cat books are only for cats and robot books are only for robots. But when a dinosaur arrives at the bookmobile and successfully demands a book about ponies, Stanley musters the courage to ask for the tale he really wants—about a girl adventurer fighting pirates on the open seas. By speaking up, Stanley inspires the people, cats, robots, and goats around him to read more stories outside their experiences and enjoy the pleasure of a good book of their choosing.

Austenland Feb 08 2021 Jane is a young New York woman who can never seem to find the right man—perhaps because of her secret obsession with Mr. Darcy, as played by Colin Firth in the BBC adaptation of *Pride and Prejudice*. When a wealthy relative bequeaths her a trip to an English resort catering to Austen-obsessed women, however, Jane's fantasies of meeting the perfect Regency-era gentleman suddenly become more real than she ever could have imagined. Is this total immersion in a fake *Austenland* enough to make Jane kick the Austen obsession for good, or could all her dreams actually culminate in a Mr. Darcy of her own? In this addictive, charming and compassionate story, Shannon Hale brings out the Jane Austen obsessive in all of us.

Bonney's Place Nov 24 2019 When Johnny Lancaster comes into Bonney's Place, he hopes to find answers. Somebody stole a sum of money from his father and he wants retribution. At least, he wants the money back. It's his inheritance. And it surely looks as though the person doing the stealing was Bonney McCamey himself, except Bonney's not the type of person to steal from an old man, is he? Johnny decides to hang around awhile and find out. What Johnny discovers—along with the limits of his personal endurance—is that passing judgment is a perilous endeavor. This Texas tavern and the unforgettable characters for whom it provides recreation and, in some cases a reason for living, reflect a far more complex reality than Johnny had anticipated. And in the person of Bonney himself, Johnny finds a man who is more than capable of stretching small truths and shading small sins, in order to prevent a larger miscarriage of justice. This classic novel immerses the reader in a richly layered and vivid assemblage of rural Texas characters such as Rose- Mama, Turnip, Slat, Samuel Wilkerson Hobbs, Jr., and, of course, Bonney himself. Often hilariously funny, *Bonney's Place* is a world of obvious weaknesses, enduring strengths, and the many small exaltations of life. <http://www.leonhale.com/>

The Single Woman: Life, Love, and a Dash of Sass Sep 03 2020 Smart, strong, independent—single women can live a fabulous life.

Husband not required. Mandy Hale, also known by her many blog readers and Twitter fans as The Single Woman™, shares her stories, advice, and enthusiasm for living life as an empowered, confident, God-centered woman who doesn't just resign herself to being single—she enjoys it! Being single has had its stigmas, but Mandy proves it has its advantages too, and she uses wisdom and wit to inspire her fellow single ladies to celebrate and live fully in the life God has given them. Mandy encourages her readers on subjects such as taking chances, building friendships, letting go, and finding a greater purpose. With her help, readers can stop worrying about happily ever after and discover a happy life instead.

Carla's Sandwich Aug 22 2019 This charming story presents a new way for young children to understand how to creatively embrace who they are, no matter what others think. Carla's lunch box is filled with odd delights like the Olive, Pickle and Green Bean Sandwich, the Banana-Cottage-Cheese Delight, and the unforgettable Chopped Liver, Potato Chips, and Cucumber Combo. To Carla, they are delicious and creative lunches, but her teasing classmates are unconvinced and abandon her at the lunch table to eat her bizarre sandwiches alone. One day, however, tables turn when Buster—the worst tease of all—forgets his lunch on the day of the picnic and Carla thoughtfully offers him her extra sandwich. Her own spirited nature helps Carla teach her classmates that "unusual" can actually be good. Lively illustrations help showcase the book's messages of acceptance, tolerance, individuality, and creativity, and the funny plot and authentic dialogue are sure to make this tale a favorite among elementary school children. Carla's creative sandwich solutions provide young chefs-to-be with the inspiration to create sandwich masterpieces of their own.

Movies Are Prayers Apr 29 2020 Movies do more than tell a good story. Filmspotting co-host Josh Larsen brings a critic's unique perspective to how movies can act as prayers—expressing lament, praise, joy, confession, and more. When words fail, the perfect film might be just what you need to jump-start your conversations with the Almighty.

The Cider Revival Jun 19 2019 “From unraveling the history of the apple to exploring the intricacies of flavor, [Wilson] reveals the love and labor that goes into a timeless beverage.” —Bianca Bosker, *New York Times*—bestselling author of *Cork Dork* Cider is the quintessential American beverage. Drank by early settlers and founding fathers, it was ubiquitous and pervasive, but following Prohibition when orchards were destroyed and neglected, cider all but disappeared. In *The Cider Revival*, Jason Wilson chronicles what is happening now, an extraordinary rebirth that is less than a decade old. Following the seasons through the autumn harvest, winter fermentation, spring bottling, and summer festival and orchard work, Wilson travels around New York and New England, with forays to the Midwest, the West Coast, and Europe. He meets the new heroes of cider: orchardists who are rediscovering long lost apple varieties, cider makers who have the attention to craftsmanship of natural wine makers, and beverage professionals who see cider as poised to explode in popularity. What emerges is a deeply rewarding story, an exploration of cider's identity and future, and its cultural and environmental significance. A blend of history and travelogue, *The Cider Revival* is a toast to a complex drink. “Cider is America's great forgotten beverage. Jason Wilson's lively, anecdote-filled, passionate paean to what he says should properly be considered ‘apple win’ will go a long way toward giving this immensely varied and complex libation the recognition and appreciation it deserves.” —Colman Andrews, cofounder of *Saveur* and author of *The British Table*

Archer's Voice Feb 26 2020 Fall in love with this emotional *New York Times* bestselling romance between two tortured souls who find their chance at happiness in the most unexpected way. I wanted to lose myself in the small town of Pelion, Maine. To forget everything I had left behind. The sound of rain. The blood. The coldness of a gun against my skin. For six months, each breath has been a reminder that I survived -- and my dad didn't. I'm almost safe again. But the moment I meet Archer Hale, my entire world tilts on its axis . . . and never rights itself again. Until I trespass into his strange, silent, and isolated world, Archer communicates with no one. Yet in his whiskey-colored eyes, something intangible happens between us. There's so much more to him than just his beauty, his presence, or the ways his hands communicate with me. On me. But this town is mired in secrets and betrayals, and Archer is the explosive center of it all. So much passion. And so much hurt. But it's only in Archer's silence that we might just find what we need to heal . . . and live. Includes an exclusive extended epilogue from Archer's POV! Named one of the "Top Romance Novels of All Time" by Goodreads! A *New York Times*, *USA Today*, and *Wall Street Journal* bestseller!

Easy Going Jul 21 2019 What manner of man is Leon Hale? A "paper man," whose regular column in *The Houston Post* has been one of that newspaper's most popular features for more than two decades. A Texan, whose writing celebrates the state and the independent, individualistic people who populate it. An easygoing sort of fellow, whose pieces for the *Post* reflect his own personal style: straightforward, deceptively simple, unpretentious as a well broken-in boot. And Hale's travels too are an easy going, a relaxed ramble in which he uncovers the simple pleasures of the state and shares them with us. Here Hale goes 'on the road again,' taking us with him across the Grand Prairie, the Piney Woods, the Lower Rio Grande Valley, and other Texas territory as he records the sights and sounds of the state's back ways. Uncommon folk: a bridge-burning sheriff, a country blacksmith, hard-working illegal aliens, a young man dying with quiet grace. Old-time expressions. Tales passed along, of Uncle Rhodie's whiskey-swilling bear, iceskating jaybirds, and other curious animals. These are Hale's subjects as are his own "shirrtail days," his growing-up time in West Texas. Hale's theme is happiness - not strived for but come upon easily, naturally, when one lives with a relaxed openness and is alert to the infinite potential for joy in the commonplace.

Rural Rides Dec 26 2019 *Rural Rides* is the book for which the English journalist, agriculturist and political reformer William Cobbett is best known. At the time of writing *Rural Rides*, in the early 1820s, Cobbett was a radical anti-Corn Law campaigner. He embarked on a series of journeys by horseback through the countryside of Southeast England and the English Midlands. He wrote down what he saw from the points of view both of a farmer and a social reformer. The result documents the early 19th-century countryside and its people as well as giving free vent to Cobbett's opinions

Historic Plantations of Alabama's Black Belt Jan 19 2022 Once the center of agricultural prosperity in Alabama, the rich soil of the Black Belt still features beautiful homes that stand as a testimony to the region's proud heritage. Join author Jennifer Hale as she explores the history of seventeen of the finest plantation homes in Alabama's Black Belt. This book chronicles the original owners and slaves of the homes, and traces their descendants who continued to call these plantations home throughout the past two centuries. Discover why the families of an Indian chief and a chief justice feuded for over a century about the land on which Belvoir stands. Follow Gaineswood's progress as it grew from a humble log cabin into an opulent mansion. Learn how the original builder and subsequent owners of the Kirkwood Mansion are linked together by a legacy of exceptional and dedicated reservation. *Historic Plantations of Alabama's Black Belt* recounts the elegant past and hopeful future of a well-loved region of the South.

Rural Studio Apr 22 2022 Using salvaged lumber and bricks, discarded tires, hay and waste cardboard bales, concrete rubble, colored bottles, and old license plates, they create inexpensive buildings in a style Mockbee describes as "contemporary modernism grounded in Southern culture.""

The Courthouses of Texas Feb 20 2022 A county courthouse stands not only as the center of government, but also as the center of civic pride. Some with stately towers and arched doors or windows, some with high brick chimneys and mansard roofs, some in modern concrete and glass, the 254 courthouses of Texas provide an invitation to public life, a testament to the ideal of justice, and an introduction to period

architecture. It is no wonder, then, that many tourists each year visit these edifices. This new edition of a classic, indispensable, full-color guide—a true collector’s item for Texas history fans—will help travelers choose which courthouses they want to add to their trips and view them knowledgeably. For each county a color photograph pictures the courthouse and an account sketches the sequence of the seats of government, the location and style of the current building, and tidbits of fascinating lore about county and county seat names and history. Courthouses and the “squares” around many of them offer a bonanza for history buffs, antique collectors, genealogists, architecture enthusiasts, and photographers. Many of them house or are near local history museums, and many display historical markers that introduce the area to visitors. Especially in many smaller county seats, the courthouse square offers a genre scene of a special moment in Texas’ life. Included in this updated edition are the latest views of some of Texas’ most historic and architecturally significant courthouses, including those restored under the Texas Historical Commission’s Historic Courthouse Preservation Program. For all those who plan their travels to see courthouses, and all those who in their travels for other reasons enjoy detours into the heritage and pride of a people, this beautiful and informative book opens the way.

Rural Studio at Twenty Oct 28 2022 For two decades the students of Auburn University's Rural Studio have designed and built remarkable houses and community buildings for impoverished residents of Alabama's Hale County, one of the poorest in the nation. Our critically acclaimed bestseller *Rural Studio* (2002) showed how salvaged lumber, bricks, discarded tires, hay-and-waste cardboard bales, concrete rubble, colored bottles, carpet tiles, and old license plates were transformed into inexpensive buildings that were also models of sustainable architecture. *Rural Studio at Twenty* chronicles the evolution of the legendary program, founded by (MacArthur Genius Grant and AIA Gold Medal winner) Samuel Mockbee, and showcases an impressive portfolio of projects. Part monograph, part handbook, and part manifesto, *Rural Studio at Twenty* is a must-read for any architect, community advocate, professor, or student as a model for engaging place through design.

Viking Spy Dec 06 2020 Widower Holten Hansen was too young to fight in the first World War, but by the time the United States gets pulled into World War Two he's 38, and too old to enlist until the American Army created the independent 99th Battalion in 1942. Intended to liberate Norway from Hitler's tyrannical occupation, age wasn't a concern as long as the volunteer was fit. And fluent in Norwegian. Holt dusts off his Norsk and inquires about the opportunity. Hiding a devastating injury, he enlists that same day. He soon heads off to winter training at Camp Hale in the Colorado Rockies, leaving behind a bravely stoic Raleigh Burns, his first chance at love since his wife was killed. The high altitude regimen at Hale is brutal and Holt struggles daily to hide his infirmity, and pushes himself without mercy in spite of his pain. When the chance to join the Office of Security Services is presented, Holt applies to become an OSS spy and improve his odds for actually deploying into Norway.

Let Us Now Praise Famous Men May 23 2022 Words and photographs describe the daily lives of typical sharecropper families in the American South.

Enna Burning May 11 2021 This second book in award-winning, bestselling author Shannon Hale's beloved Books of Bayern series returns with a gorgeous brand new cover.

History of Greensboro, Alabama from Its Earliest Settlement Oct 16 2021

Kind of a Big Deal Nov 05 2020 “So many strange and wonderful things happen at every twist and turn, you'll be happy to wander with Josie . . . Each book she descends into seems to teach her something, and even if it's not obvious where the story is going, we're in it for the long haul.” —NPR From Shannon Hale, bestselling author of *Austenland*, comes *Kind of a Big Deal*: a story that will suck you in—literally. There's nothing worse than peaking in high school. Nobody knows that better than Josie Pie. She was kind of a big deal—she dropped out of high school to be a star! But the bigger you are, the harder you fall. And Josie fell. Hard. Ouch. Broadway dream: dead. Meanwhile, her life keeps imploding. Best friend: distant. Boyfriend: busy. Mom: not playing with a full deck? Desperate to escape, Josie gets into reading. Literally. She reads a book and suddenly she's inside it. And with each book, she's a different character: a post-apocalyptic heroine, the lead in a YA rom-com, a 17th century wench in a corset. It's alarming. But also . . . kind of amazing? It's the perfect way to live out her fantasies. Book after book, Josie the failed star finds a new way to shine. But the longer she stays in a story, the harder it becomes to escape. Will Josie find a story so good that she just stays forever?

Cotton Tenants Sep 15 2021 A re-discovered masterpiece of reporting by a literary icon and a celebrated photographer In 1941, James Agee and Walker Evans published *Let Us Now Praise Famous Men*, a 400-page prose symphony about three tenant farming families in Hale County, Alabama, at the height of the Great Depression. The book shattered journalistic and literary conventions. Critic Lionel Trilling called it the “most realistic and most important moral effort of our American generation.” The origins of Agee and Evans’s famous collaboration date back to an assignment for *Fortune* magazine, which sent them to Alabama in the summer of 1936 to report a story that was never published. Some have assumed that *Fortune*’s editors shelved the story because of the unconventional style that marked *Famous Men*, and for years the original report was presumed lost. But fifty years after Agee’s death, a trove of his manuscripts turned out to include a typescript labeled “*Cotton Tenants*.” Once examined, the pages made it clear that Agee had in fact written a masterly, 30,000-word report for *Fortune*. Published here for the first time, and accompanied by thirty of Walker Evans’s historic photos, *Cotton Tenants* is an eloquent report of three families struggling through desperate times. Indeed, Agee’s dispatch remains relevant as one of the most honest explorations of poverty in America ever attempted and as a foundational document of long-form reporting. As the novelist Adam Haslett writes in an introduction, it is “a poet’s brief for the prosecution of economic and social injustice.”

The Unplanned Life of Josie Hale Nov 17 2021 If you're looking for: Found family who always look out for you A second chance romance with your high school crush All the fried food that'll take your mind off your troubles A chance to start over and do things your own way Then *The Unplanned Life of Josie Hale* is exactly what you need! When Josie discovers that she's unexpectedly pregnant with her ex-husband's baby (darn that last attempt to save their marriage), she seeks comfort in deep-fried food at the county fair. There she runs into her two old friends, Ben and Kevin. While sharing their own disappointments with adult life, they devise a plan to move in together and turn their lives around. Soon Ben and Kevin make it their mission to prepare for Josie's baby, not least by making sure Josie always has the food she's craving. Maybe all together they can discover the true meaning of family and second chances in life...

Everything Is Cinema Apr 10 2021 A landmark biography explores the crucial resonances among the life, work, and times of one of the most influential filmmakers of our age When Jean-Luc Godard wed the ideals of filmmaking to the realities of autobiography and current events, he changed the nature of cinema. Unlike any earlier films, Godard's work shifts fluidly from fiction to documentary, from criticism to art. The man himself also projects shifting images—cultural hero, fierce loner, shrewd businessman. Hailed by filmmakers as a—if not the—key influence on cinema, Godard has entered the modern canon, a figure as mysterious as he is indispensable. In *Everything Is Cinema*, critic Richard Brody has amassed hundreds of interviews to demystify the elusive director and his work. Paying as much attention to Godard's technical inventions as to the political forces of the postwar world, Brody traces an arc from the director's early critical writing, through his

popular success with *Breathless*, to the grand vision of his later years. He vividly depicts Godard's wealthy conservative family, his fluid politics, and his tumultuous dealings with women and fellow New Wave filmmakers. *Everything Is Cinema* confirms Godard's greatness and shows decisively that his films have left their mark on screens everywhere.

Water Land Aug 02 2020 A lake turns into an island. A cozy bay into a secluded cape. A gulf with sea turtles transforms into a peninsula surrounded by pirate ships. This unique information book for the very young switches between bodies of water and corresponding land masses with the simple turn of a page. Readers will delight as the story of *Water Land* unfolds and will see just how connected the earth and the water really are. This book has Common Core connections.

Hale County -- Facts and Folklore Aug 26 2022

Dovey Coe Jun 24 2022 My name is Dovey Coe and I reckon it do't matter if you like me or not. I'm here to lay the record straight, to let you know them folks saying I done a terrible thing are liars. I aim to prove it, too. I hated Parnell Caraway as much as the next person, but I didn't kill him. Dovey Coe says what's on her mind, so it's no secret that she can't stand Parnell Caraway. Parnell may be the son of the richest man in town, but he's mean and snobby, and Dovey can't stand the fact that he's courting her sister, Caroline, or the way he treats her brother, Amos, as if he were stupid just because he can't hear. So when Parnell turns up dead, and Dovey's in the room where his body is discovered, she soon finds herself on trial for murder. Can the outspoken Dovey sit still and trust a city slicker lawyer who's still wet behind the ears to get her out of the biggest mess of her life?

Starting Your Career as an Interior Designer Jul 01 2020 *Starting Your Career as an Interior Designer* contains all the necessary tools and strategies to successfully launch and grow a professional design business in the competitive world of interior design. Drawing on the authors' extensive experience, this book includes case studies, and personal anecdotes that help teach you how to: - choose a design field - obtain and keep clients - garner referrals - market and position your business - bid competitively on projects - manage sales - organize a budget - manage start-up costs and cash flow - promote your business - branch out into product and architectural design - design within a retail environment - set pricing guidelines - sell to your target demographic - set up your office. Readers will find a history of the business side of interior design as well as various career tracks available to today's budding entrepreneur. Any early career interior designer or student looking for practical advice on the ins and outs of running a design firm will need this one-stop guide. Allworth Press, an imprint of Skyhorse Publishing, publishes a broad range of books on the visual and performing arts, with emphasis on the business of art. Our titles cover subjects such as graphic design, theater, branding, fine art, photography, interior design, writing, acting, film, how to start careers, business and legal forms, business practices, and more. While we don't aspire to publish a *New York Times* bestseller or a national bestseller, we are deeply committed to quality books that help creative professionals succeed and thrive. We often publish in areas overlooked by other publishers and welcome the author whose expertise can help our audience of readers.

River Secrets Mar 09 2021 War between Bayern and Tira is finally over. To cement the peace with their old sworn enemies, a group from each kingdom will cross to the other for a 'season of friendship'. At first all is well, but mysterious events in the Tiran capital arouse suspicions and anger bubbles just beneath the surface. Enna's friend Razo must find out who is masterminding these events before it's too late and they find themselves trapped in the heart of Tira as war breaks out.

Book of a Thousand Days Jan 07 2021 Fifteen-year-old Dashti, sworn to obey her sixteen-year-old mistress, the Lady Saren, shares Saren's years of punishment locked in a tower, then brings her safely to the lands of her true love, where both must hide who they are as they work as kitchen maids.

Blades of Freedom (Nathan Hale's Hazardous Tales #10) Oct 04 2020 Discover the story of the Haitian Revolution—the largest uprising of enslaved people in history—in this installment of the *New York Times* bestselling graphic novel series *Why would Napoleon Bonaparte sell the Louisiana Territory to the recently formed United States of America?* It all comes back to the island nation of Haiti, which Napoleon had planned to use as a base for trade with North America. While Napoleon climbed the ranks of the French army and government, enslaved people were organizing in Haiti under the leadership of François Mackandal, Dutty Boukman, Jean-Jacques Dessalines, and Touissant L'Ouverture, who in 1791 led the largest uprising of enslaved people in history—the Haitian Revolution. Nathan Hale's *Hazardous Tales* are graphic novels that tell the thrilling, shocking, gruesome, and TRUE stories of American history. Read them all—if you dare!

And Their Children After Them Mar 29 2020 Winner of the Pulitzer Prize for Nonfiction in 1990 In *And Their Children After Them*, the writer/photographer team Dale Maharidge and Michael Williamson return to the land and families captured in James Agee and Walker Evans's inimitable *Let Us Now Praise Famous Men*, extending the project of conscience and chronicling the traumatic decline of King Cotton. With this continuation of Agee and Evans's project, Maharidge and Williamson not only uncover some surprising historical secrets relating to the families and to Agee himself, but also effectively lay to rest Agee's fear that his work, from lack of reverence or resilience, would be but another offense to the humanity of its subjects. Williamson's ninety-part photo essay includes updates alongside Evans's classic originals. Maharidge and Williamson's work in *And Their Children After Them* was honored with the Pulitzer Prize for nonfiction when it was first published in 1990.

The Sovereignty of Quiet Jun 12 2021 African American culture is often considered expressive, dramatic, and even defiant. In *The Sovereignty of Quiet*, Kevin Quashie explores quiet as a different kind of expressiveness, one which characterizes a person's desires, ambitions, hungers, vulnerabilities, and fears. Quiet is a metaphor for the inner life, and as such, enables a more nuanced understanding of black culture. The book revisits such iconic moments as Tommie Smith and John Carlos's protest at the 1968 Mexico City Olympics and Elizabeth Alexander's reading at the 2009 inauguration of Barack Obama. Quashie also examines such landmark texts as Gwendolyn Brooks's *Maud Martha*, James Baldwin's *The Fire Next Time*, and Toni Morrison's *Sula* to move beyond the emphasis on resistance, and to suggest that concepts like surrender, dreaming, and waiting can remind us of the wealth of black humanity.

Hale County, Alabama Sep 27 2022

History of Clarke County May 31 2020 A written history devoted almost exclusively to Clarke County Alabama and its people. Quoting from books published before this (1923) and recording his own personal accounts, the author, a resident of Clarke County since 1875, gives his personal observation of Clarke County places and events. In the introduction, the author states, " This book will doubtless be read with much interest by the present generation living in Clarke, as well as by the generations to follow. If it should be preserved and handed down through the coming years, it may, in the far distant future, fall under the eye of some descendent of some Clarke countian and enable him or her to look back through the avenue of time and get a mental picture of Clarke County in the nineteenth and twentieth centuries."
