Family Jul 22 2022 I have always been broken. I could have died. And maybe it would have been better if i had. It is a day like any other when seventeen-year-old Melinda hits the road for San Francisco, leaving behind her fractured home life and a constant assault on her self-esteem. Henry is the handsome, charismatic man who comes upon her, collapsed on a park bench, and offers love, a bright new consciousness, and—best of all—a family. One that will embrace her and give her love. Because family is what Mel has never really had. And this new family, Henry's family, shares everything. They share the chores, their bodies, and their beliefs. And if Mel truly wants to belong, she will share in everything they do. No matter what the family does,

or how far they go. Told in episodic verse, *Family* is a fictionalized exploration of cult dynamics, loosely based on the Manson Family murders of 1969. It is an unflinching look at people who are born broken, and the lengths they'll go to to make themselves "whole" again.

So when the Manor seems to have turned against its inhabitants, needless to say, the Halliwell sisters start to worry. It begins simply: The hot water heater is broken. Thankfully, the Book of Shadows has created a safe zone for itself in the attic. But the Charmed Ones can hardly live up there forever. . . .
