Topics covered include assessing presenting issues; developing a productive working alliance; establishing therapeutic goals; understanding and addressing diversity; working with resistant clients; using evidence-based practice in cognitive, emotive, and behavioral work with clients; dealing with transference and countertransference; and incorporating trends in integrative therapies. To encourage active learning, reflective exercises throughout the text provide readers with opportunities to put themselves in the role of therapist and client. "No one knows more about theory-based counseling than Gerald Corey, who has spent the past 50+ years helping us to gain real insight into multiple models. In this book, Corey takes readers from forming a working alliance with clients through the processes for setting and achieving goals. His skill at and understanding of the termination processes is worth the entire book. Not only will *The Art of Integrative Counseling* be the core text for counseling process and skills courses, it will provide the foundation for effective, truly integrated counseling throughout one's career." —James Robert Bitter, EdD, East Tennessee State University "Gerald Corey's fourth edition of *The Art of Integrative Counseling* provides important concepts to consider when developing an integrative

approach to working with clients. For beginning counselors, it demonstrates how one can be integrative whether one is behaviorally, cognitively, or affectively oriented. For more advanced counselors, it reminds them of the wealth of information that all theories offer and how techniques or theories can be synthesized into a more effective approach. Whether you are a new counselor trying to figure out how to integrate the many theories you learned about, or a seasoned professional seeking new ways of working with clients, this book has something for you." —Edward Neukrug, EdD, Old Dominion University \*Requests for digital versions from the ACA can be found on wiley.com. \*To request print copies, please visit the ACA website here. \*Reproduction requests for material from books published by ACA should be directed to permissions@wiley.com
