*Futures Made Simple* Sep 30 2019 The essential guide to trading futures, without all the fuss This uncomplicated guide for beginners proves that you don't have to be a financial wizard to successfully trade futures . . . and you don't have to hire a financial advisor to tell you what to do either. Instead, Futures Made Simple outlines the basic strategies that even novice investors can use to make money with futures. The book lays just what you need to know—what futures are, how the exchanges work, how to analyse the markets, and how to trade futures either on- or offline. An excellent entry-level guide to futures trading Written by a successful trader with almost two decades of experience in equities, futures, options, and other vehicles Features easy-to-understand examples and bulleted summaries of key points to make learning simple For investors at any level of experience who want to move into futures trading, Futures Made Simple offers expert advice and fundamental guidance for profitable investing.

**Economics** May 19 2021 Economics: Made Simple, 14th Edition covers all the basic aspects of the economic organization of free-enterprise societies, with special reference to Great Britain's position in the European Community. The book tackles the production, distribution, and exchange of goods and services, both within a country and internationally. The text also discusses the basic ideas on production; the factors, scale, and location of production; and the types of business units. The theory of price determination, the money system, the importance of the distribution theory, and the theory of international trade are also discussed. The book describes macroeconomics and the problems associated with it; national income; the development of economic theory; and money, monetary policy, and monetarism. The part played by governments in controlling abuses, promoting social progress, and managing prosperity and the historical development of Economics are considered as well. Students reading books on Economics as a liberal study and practicing economists will find the book useful.

[Charts Made Simple](#) Jun 27 2019 This title teaches knitters how to read charts - and better yet, how to make the most of them: to see the a chart is a picture of knitted fabric; to make sense of the symbols in a chart without being tied to its key; and to handle chart quirks.

**DBT Made Simple** Apr 05 2020 Presents therapists with an overview of dialectical behavior therapy, discussing its four basic principles, its techniques, and the ways in which it differs from other methods of cognitive behavior therapy.

**German Made Simple** Sep 22 2021 Explains the rudiments of German grammar and provides vocabulary exercises for self-study.

**Business Made Simple** Oct 04 2022 Is this blue book more valuable than a business degree? Most people enter their professional careers not understanding how to grow a business. At times, this makes them feel lost, or worse, like a fraud pretending to know what they're doing. It's hard to be successful without a clear understanding of how business works. These 60 daily readings are crucial for any professional or business owner who wants to take their career to the next level. New York Times and Wall Street Journal bestselling author, Donald Miller knows that business is more than just a good idea made profitable – it's a system of unspoken rules, rarely taught by MBA schools. If you are attempting to profitably grow your business or career, you need elite business knowledge—knowledge that creates tangible value. Even if you had the time, access, or money to attend a Top 20 business school, you would still be missing the practical knowledge that propels the best and brightest forward. However, there is another way to achieve this insider skill development, which can both drastically improve your career earnings and the satisfaction of achieving your goals. Donald Miller learned how to rise to the top using the principles he shares in this book. He wrote Business Made Simple to teach others what it takes to grow your career and create a company that is healthy and profitable. These short, daily entries and accompanying videos will add enormous value to your business and the organization you work for. In this sixty-day guide, readers will be introduced to the nine areas where truly successful leaders and their businesses excel: Character: What kind of person succeeds in business? Leadership: How do you unite a team around a mission? Personal Productivity: How can you get more done in less time? Messaging: Why aren't customers paying more attention? Marketing: How do I build a sales funnel? Business Strategy: How does a business really work? Execution: How can we get things done? Sales: How do I close more sales? Management: What does a good manager do? Business Made Simple is the must-have guide for anyone who feels lost or overwhelmed by the modern business climate, even if they attended business school. Learn what the most successful business leaders have known for years through the simple but effective secrets shared in these pages. Take things further: If you want to be worth more as a business professional, read each daily entry and follow along with the free videos that will be sent to you after you buy the book.

**SIBO Made Simple** Dec 02 2019 If you're one of the 25 to 45 million Americans living with IBS, finding an accurate diagnosis, treatment, and ultimately good health can feel like an impossible mystery. SIBO Made Simple brings you answers. Small Intestinal Bacterial Overgrowth (SIBO) is a common cause of unwanted bloating, abdominal pain, weight fluctuations, and GI distress. In this guide for achieving long-term healing, health advocate, chef, and SIBO sufferer Phoebe Lapine covers everything you need to know about SIBO and how to thrive in spite of it. Lapine answers all your questions, from what SIBO is (and what it isn't) to related conditions (Hashimoto's thyroiditis, Celiac disease, and more) to practical strategies for on-going prevention. With expert medical advice from dozens of top SIBO practitioners, SIBO Made Simple provides resources for all phases of treatment, offering a clear culinary road map that can be customized to fit a large variety of gut-healing diets, such as the Bi-Phasic Diet, GAPS, SCD, SIBO Specific Food Guide, and more. With 90 delicious, easy, low FODMAP recipes that make a notoriously tough diet doable and delicious, SIBO Made Simple is a one-of-a-kind toolkit for learning about your condition and tailoring your diet toward healing. Every recipe adds anti-inflammatory ammunition to your diet, while offering suggestions for how to add problematic ingredients back in as you diversify your plate. Getting healthy and feeling great doesn't have to be punitive. SIBO Made Simple offers a clear path forward, from someone who's been there.

**Data Visualization Made Simple** Nov 12 2020 Data Visualization Made Simple is a practical guide to the fundamentals, strategies, and real-world cases for data visualization, an essential skill required in today's information-rich world. With foundations rooted in statistics, psychology, and computer science, data visualization offers practitioners in almost every field a coherent way to share findings from original research, big data, learning analytics, and more. In nine appealing chapters, the book: examines the role of data

graphics in decision-making, sharing information, sparking discussions, and inspiring future research; scrutinizes data graphics, deliberates on the messages they convey, and looks at options for design visualization; and includes cases and interviews to provide a contemporary view of how data graphics are used by professionals across industries Both novices and seasoned designers in education, business, and other areas can use this book's effective, linear process to develop data visualization literacy and promote exploratory, inquiry-based approaches to visualization problems.

**Statistics Made Simple for School Leaders** Jan 03 2020 The chief executive officer of a corporation is not much different from a public school administrator. While CEOs base many of their decisions on data, for school administrators, this type of research may conjure up miserable memories of searching for information to meet a graduate school requirement. However, the value of data-based decision making will continue to escalate and the school community—students, teachers, parents and the general public—expect this information to come from their administrators. Administrators are called on to be accountable, but few are capable of presenting the mountain of data that they collect in a cohesive and strategic manner. Most statistical books are focused on statistical theory versus application, but *Statistics Made Simple for School Leaders* presents statistics in a simple, practical, conceptual, and immediately applicable manner. It enables administrators to take their data and manage it into strategic information so the results can be used for action plans that benefit the school system. The approach is 'user friendly' and leaves the reader with a confident can-do attitude to communicate results and plans to staff and the community.

**Breastfeeding Made Simple** Jan 27 2022 Breastfeeding is natural, but it's not always easy. It is the biological norm, but it is not the cultural norm. By learning the seven basic principles in this book, mothers can dramatically increase their likelihood of success and make breastfeeding the enjoyable experience it should be. The seven laws taught in *Breast Feeding Made Simple* are easy for mothers to understand and are sure to help them avoid some of the pitfalls that they might otherwise face. The seven principles include: Babies Have the Urge to Self-Attach Use the Power of Skin-to-Skin: A Baby's Natural Habitat Breastfeed Ad Lib Reach for the Comfort Zone Expect Cluster Nursing More Milk Out = More Milk Made Babies Outgrow Breastfeeding The book also addresses how to solve common problems and deal with special situations such as breast reductions and babies with special needs. The authors describe some of the social, psychological, and cultural reasons why breastfeeding is not currently the norm, and what this implies for mothers. In all, this is an easy-to-use breastfeeding resource for new mothers, which includes all the latest research and techniques used by those in the lactation field.

**Spirituality Made Simple** Jul 29 2019 This book makes universal spiritual laws of awareness and purpose available in the simplest language possible in the form of a dialogue between Suraj and Cathy. It makes cosmic principles easy to understand and practice in our daily lives. The importance of relationships in our spiritual growth is emphasized. The author has explained how two people can accept each other and thereby become more fulfilled, happy and complete individuals. Happiness must not be a mere concept which should only be discussed and debated, but a true value which should be apparent in our lives and must pervade our interactions with people.

**Bookkeeping Made Simple** Mar 05 2020 A streamlined introduction to record keeping, accounting, and more, *Bookkeeping Made Simple* takes the mystery out of financial jargon for small-business owners and students. Completely up to date, this comprehensive edition now covers the complete accounting cycle, making it easier than ever to master the math of commerce. Topics covered include: \* assets and equities \* individual accounts \* the journal \* adjustments to accounts \* preparing statements \* merchandising accounts \* control of cash \* petty cash \* payroll \* partnership \* closing the books

**Sign Language Made Simple** Dec 26 2021 *Sign Language Made Simple* will include five Parts: Part One: an introduction, how to use this book, a brief history of signing and an explanation of how signing is different from other languages, including its use of non-manual markers (the use of brow, mouth, etc in signing.) Part Two: Fingerspelling: the signing alphabet illustrated, the relationship between signing alphabet and ASL signs Part Three: Dictionary of ASL signs: concrete nouns, abstractions, verbs, describers, other parts of speech—approx. 1,000 illustrations. Will also include instructions for non-manual markers, where appropriate. Part Four: Putting it all together: sentences and transitions, includes rudimentary sentences and lines from poems, bible verses, famous quotes—all illustrated. Also, grammatical aspects, word endings, tenses. Part Five: The Humor of Signing: puns, word plays and jokes. *Sign Language Made Simple* will have over 1,200 illustrations, be easy to use, fun to read and more competitively priced than the competition. It's a knockout addition to the *Made Simple* list.

**Artisan Sourdough Made Simple** Feb 25 2022 Many bakers speak of their sourdough starter as if it has a magical life of its own, so it can be intimidating to those new to the sourdough world; fortunately with *Artisan Sourdough Made Simple*, Emilie Raffa removes the fear and proves that baking with sourdough is easy, and can fit into even a working parent's schedule Any new baker is inevitably hit with question after question. Emilie has the answers. As a professionally trained chef and avid home baker, she uses her experience to guide readers through the science and art of sourdough. With step-by-step master recipe guides, readers learn how to create and care for their own starters, plus they get more than 60 unique recipes to bake a variety of breads that suit their every need. Sample specialty recipes include Roasted Garlic and Rosemary Bread, Golden Sesame Semolina Bread, Blistered Asiago Rolls with Sweet Apples and Rosemary, No-Knead Tomato Basil Focaccia, Make-Ahead Stuffed Spinach and Artichoke Dip Braid and Raspberry Gingersnap Twist. With the continuing popularity of the whole foods movement, home cooks are returning to the ancient practice of bread baking, and sourdough is rising to the forefront. Through fermentation, sourdough bread is easier on digestion—often enough for people who are sensitive to gluten—and healthier. *Artisan Sourdough Made Simple* gives everyone the knowledge and confidence to join the fun, from their first rustic loaf to beyond. This book has 65 recipes and 65 photos.

**Windows 7 Made Simple** Aug 29 2019 *Windows 7* is more than an operating system. It's your gateway to email, the Web, work, entertainment, and fun. **Cft Made Simple: A Clinician's Guide to Practicing Compassion-Focused Therapy** May 07 2020 Compassion-focused therapy (CFT) is extremely effective in helping clients work through painful feelings of shame and self-criticism. However, the theoretical aspects of this therapy such as evolutionary psychology, attachment theory, and affective neuroscience can make CFT difficult to grasp. Using the easy-to-apply tools outlined in this comprehensive guide to CFT, professionals can help clients develop self-compassion and, learn mindfulness skills, and balance difficult emotions for greater treatment outcomes."

**Homework Made Simple** Nov 24 2021 Provides homework tips, tools, and solutions for parents and their children customized by the child's homework profile: the disorganized, the rusher, the procrastinator, the avoider, the inattentive, and the easily frustrated.

**EMDR Made Simple** Jul 01 2022 Despite the numerous studies touting EMDR's efficacy, it is still largely regarded as too complicated to understand, a major factor in why many who have been trained in EMDR no longer use it. EMDR Made Simple: 4 Approaches to Using EMDR with Every Client offers a fresh approach to understanding, conceptualizing, and ultimately implementing EMDR into clinical settings. Dr. Jamie Marich brings in her clinical experience from other modalities and disciplines to show that EMDR is more than just a series of protocols that need to be mastered in order for it to be effective. Using common sense language, clinical cases, and practical example, EMDR Made Simple will give you the tools to build on your existing clinical knowledge and make EMDR work for you and your clients.

**Spanish Made Simple** Oct 24 2021 With more than 2.5 million copies in print, Spanish Made Simple is the bestselling title in the Made Simple series. For years, this trusted guide has led students, tourists, and business travelers step-by-step through the basic vocabulary and grammar of this most-studied foreign language. Thoroughly revised and updated for our increasingly bilingual world, this new edition features verb conjugation and pronunciation charts, modern vocabulary including new idioms, review chapters, reading exercises, a complete answer section, and English-Spanish and Spanish-English dictionaries—tools that make mastering the language fun. With Spanish Made Simple, learning a language is as easy as uno, dos, tres.

**Complex Made Simple** Aug 22 2021 Perhaps uniquely among mathematical topics, complex analysis presents the student with the opportunity to learn a thoroughly developed subject that is rich in both theory and applications. Even in an introductory course, the theorems and techniques can have elegant formulations. But for any of these profound results, the student is often left asking: What does it really mean? Where does it come from? In Complex Made Simple, David Ullrich shows the student how to think like an analyst. In many cases, results are discovered or derived, with an explanation of how the students might have found the theorem on their own. Ullrich explains why a proof works. He will also, sometimes, explain why a tempting idea does not work. Complex Made Simple looks at the Dirichlet problem for harmonic functions twice: once using the Poisson integral for the unit disk and again in an informal section on Brownian motion, where the reader can understand intuitively how the Dirichlet problem works for general domains. Ullrich also takes considerable care to discuss the modular group, modular function, and covering maps, which become important ingredients in his modern treatment of the often-overlooked original proof of the Big Picard Theorem. This book is suitable for a first-year course in complex analysis. The exposition is aimed directly at the students, with plenty of details included. The prerequisite is a good course in advanced calculus or undergraduate analysis.

**Pharmacology Made Simple - E-Book** Feb 02 2020 Master the pharmacology essentials that health professionals need in practice! Pharmacology Made Simple: An Introduction for the Health Professions makes it easy to understand and apply pharmacology concepts in healthcare careers. Clear and concise, this text uses colorful illustrations, case scenarios, and memory devices to simplify learning and review questions to aid comprehension. An Evolve companion website includes animations of body systems, two practice exams for more self-testing, and printable drug tables. This exciting and practical new text helps you build professional skills and ensures your readiness for the workplace. Essential information is logically organized and easy to read, focusing on what you need to know. Engaging, reader-friendly format breaks down pharmacology into manageable chunks of information, accompanied by "flashcard" boxes and memory devices. Mini case studies in each chapter demonstrate real-world healthcare applications, with scenarios from a variety of health professions settings. Chapter review questions provide opportunities to assess your comprehension as you move forward. Full-color illustrations bring complex pharmacology concepts to life with realistic figures and drawings. Clinical Application and Alert features stress critical thinking and effective job preparation. Scenario and Alert features stress clinical application and safety. Focus on patient education helps you learn and practice key skills in professionalism. Chapter key terms and back-of-book glossary includes pharmacology terms cross-referenced to the chapters in which they are introduced and discussed. Additional learning resources include a study guide (available separately) and an Evolve companion website with animations, practice exams, and more. Chapter objectives guide your study by listing the chapter's most important concepts.

**The End Times Made Simple** Oct 31 2019 Rapture? A Pre-Trib? A Post-Trib? A Millennium? A Confused? You should be! A In today's Evangelical Christian world, eschatology a€"" the study of the "Last Things" - has been turned into a sort of pseudo-science with a plethora of authors claiming to know exactly the scenario of events that are to take place just prior to the Lord Jesus Christ's

return, as well as what the eternal state will be like. Often, these authors come to rather bizarre and unbiblical conclusions. Piece by piece, Samuel E. Waldron strips away years of false teaching and faulty exegesis thrust upon the church to reveal what the Bible, in its own simple but profound way, says about what will happen at the end of this present age.

**Mass Made Simple** Jul 21 2021 *Mass Made Simple* is a concise guidebook for muscle building with a program designed to increase strength in adult men who need to gain size for athletics. This book includes a six-week typeset training journal is heavy-weight and spiral bound to lay flat.

**Fresh Made Simple** Apr 29 2022 Each of the 75 recipes in *Fresh Made Simple* is a charming full-page illustration showing, rather than telling, how to make the dish described. Each meal or snack begins with one delicious ingredient, and the cook builds around that to make a simple yet elegant creation. An avocado, seasoned with lime and salt, elevates a fried egg on toast; fresh-picked blueberries and an ear of corn add sweetness and texture to standard pancakes. From pineapple cilantro salsa and asparagus apple salad to a kale egg scramble, tortilla soup, and crostini, these simple recipes celebrate the unbeatable flavors of fresh ingredients.

**Droids Made Simple** Feb 13 2021 If you have a Droid series smartphone—Droid, Droid X, Droid 2, or Droid 2 Global—and are eager to get the most out of your device, *Droids Made Simple* is perfect for you. Authors Martin Trautschold, Gary Mazo and Marziah Karch guide you through all of the features, tips, and tricks using their proven combination of clear instructions and detailed visuals. With hundreds of annotated screenshots and step-by-step directions, *Droids Made Simple* will transform you into a Droid expert, improving your productivity, and most importantly, helping you take advantage of all of the cool features that come with these powerful smartphones.

**Refinishing Furniture Made Simple** Apr 17 2021 *Furniture Restoration*.

**Law Made Simple** Jan 15 2021 This fourteenth edition of *Law Made Simple* marks the fiftieth year of the publication for one of the best-selling UK Law books. It is the perfect introduction to the English Legal System, and combines an overview of both the legislation and case law relating to all the foundation subjects, including Contract, Torts, Land, Trusts, Criminal, Public and EU. Fully updated, this book acts as a clear and concise guide for students studying law at any level, and takes into account developments across the curriculum. It is suitable for students studying law at A-Level, or as an excellent background for students thinking of embarking on the study of law or related course at degree level.

**Marketing Made Simple** Nov 05 2022 This guide from New York Times bestselling author Donald Miller, is a must-have for any marketing professional or small business owner who wants grow their business. It will teach you how to create and implement a sales funnel that will increase traffic and drive sales. Every day, your company is losing sales simply because you do not have a clear path to attract new customers. You're not alone. Based on proven principles from *Building a StoryBrand*, this 5-part checklist is the ultimate resource for marketing professionals and business owners as they cultivate a sales funnel that flows across key customer touchpoints to effectively develop, strengthen, and communicate their brand's story to the marketplace. In this book, you will learn: The three stages of customer relationships. How to create and implement the one marketing plan you will never regret. How to develop a sales funnel that attracts the right customers to your business. The power of email and how to create campaigns that result in customer traffic and a growth in brand awareness. The keys to wireframing a website that commands attention and generates conversions. The inability to attract and convert new customers is costing business owners valuable opportunities to grow their brand. This prevents companies, both big and small, from making the sales that are crucial to their survival. With *Marketing Made Simple*, you will learn everything you need to know to take your business to the next level.

**Philosophy Made Simple** Oct 12 2020 An unforgettable novel about a man's search for meaning.
