Zealot Mar 29 2022 #1 NEW YORK TIMES BESTSELLER •

“A lucid, intelligent page-turner” (Los Angeles Times) that challenges long-held assumptions about Jesus, from the host of Believer Two thousand years ago, an itinerant Jewish preacher walked across the Galilee, gathering followers to establish what he called the “Kingdom of God.” The revolutionary movement he launched was so threatening to the established order that he was executed as a state criminal. Within decades after his death, his followers would call him God.

Sifting through centuries of mythmaking, Reza Aslan sheds new light on one of history’s most enigmatic figures by examining Jesus through the lens of the tumultuous era in which he lived. Balancing the Jesus of the Gospels against the historical sources, Aslan describes a man full of conviction and passion, yet rife with contradiction. He explores the reasons the early Christian church preferred to promulgate an image of Jesus as a peaceful spiritual teacher rather than a politically conscious revolutionary. And he grapples with the riddle of how Jesus understood himself, the mystery that is at the heart of all subsequent claims about

his divinity. Zealot yields a fresh perspective on one of the greatest stories ever told even as it affirms the radical and transformative nature of Jesus' life and mission. Praise for Zealot "Riveting . . . Aslan synthesizes Scripture and scholarship to create an original account."—The New Yorker "Fascinatingly and convincingly drawn . . . Aslan may come as close as one can to respecting those who revere Jesus as the peace-loving, turn-the-other-cheek, true son of God depicted in modern Christianity, even as he knocks down that image."—The Seattle Times "[Aslan's] literary talent is as essential to the effect of Zealot as are his scholarly and journalistic chops. . . . A vivid, persuasive portrait."—Salon "This tough-minded, deeply political book does full justice to the real Jesus, and honors him in the process."—San Francisco Chronicle "A special and revealing work, one that believer and skeptic alike will find surprising, engaging, and original."—Jon Meacham, Pulitzer Prize-winning author

of Thomas Jefferson: The Art of Power "Compulsively readable . . . This superb work is highly recommended."—Publishers Weekly (starred review) **Zealots for Souls** Jun 19 2021 Zealots for souls draws attention to the impact of the Observant reforms within the Order of Preachers, and ambitiously stirs up a broad scope of questions pertaining to the institutional narratives produced within the order between c. 1388 and 1517. Through the narratives and the forms of remembrance they fostered, the author traces the development of contemporary characteristics of the Dominican self-understanding. The book shows the fluid boundaries between the genres (order chronicles, convent chronicles, collective biographies), highlights the interplay between the narrative and the intended audience, addresses the complex question of authorship, and assesses the indebtedness of 'modern' (printed) narratives to older chronicles or biographical collections. The

book demonstrates that the majority of the extant institutional narratives were written by Observant Dominicans, who strived for the internal reform of their order. They wrote history to justify their own reform agenda and therefore produced invariably partisan chronicles. The work's method is widely applicable and contributes to further reassessment of institutional narratives as sources for the analysis of religious and intellectual transformations.

All the Apostles of the Bible Jan 15 2021 Examines the biblical record to provide facts about the lives of the twelve apostles, proving information about each apostle's family, character, personality, ministry, and the unique aspect of his service to God.

Primalbranding Nov 05 2022 Identifies seven components that can enable companies to brand effectively for greater market shares, citing the examples of such top companies as Starbucks, Apple, and Nike to reveal the

commonalities of successful brands. 40,000 first printing.

Diseasing of America Nov 24 2021 A courageous indictment of the destructive belief that all deviant behavior is a disease, this book offers alternatives to those suffering from addictions, and to the professionals seeking to help them. In this plainspoken critique of America's whole approach to addiction, Peele attacks the "addiction as disease" model promoted by AA and NA drug treatment centers.

The Zealots May 31 2022 In this classic study of the Zealots Marlin Hengel draws on Josephus, the discoveries of the Qumran texts, the pseudepigrapha, and later rabbinic traditions, to examine the religious, social and political context which led to the Jewish insurrections of 66 A.D. This meticulous and illuminating work makes a major contribution to our understanding of the era which witnessed an eclipse of Judaism and the birth of Christianity.

The Zealots Jun 07 2020 In a nation that is shifting and

opposition against Christianity on the rise, anyone who claims to be a believer is labeled as a "Zealot" and in danger of breaking new hate crime laws. Fifteen year old John Mann is faced with a decision to believe in what he has been taught his whole life about religion or go another way. His decision to answer God's call, proves to be very costly and possibly fatal. Will John question his decision to take the path of Christianity? Since his conversion things have only gotten worse for him. As the plot thickens the question becomes can John stop what is about to happen in his school?

The Zealots Oct 04 2022

Murderous events cause two friends to take different paths. Their lives are changed forever.

Zealot Aug 02 2022 #1 NEW YORK TIMES BESTSELLER • "A lucid, intelligent page-turner" (Los Angeles Times) that challenges long-held assumptions about Jesus, from the host of *Believer* Two thousand years ago, an itinerant Jewish preacher

[A Delightful Compendium of Consolation](#) Aug 29 2019
Having learned to read and write, Karimah is put to work by her merchant father, Dunash HaCohen al-Tustari, for whom she does bookkeeping. She is sent to work with Ismail, the son of her father's partner, and they fall in love. Unfortunately, their parents, although colleagues and friends, will not smile upon the union: Ismail is Muslim and Karimah is a Karaite, member of a sect of Jews who adhere solely to the law as it is understood from the written Bible, rejecting rabbinical interpretation.
[Jesus and the Zealots](#) Aug 22 2021
[The Zealot and the Emancipator](#) Jul 01 2022 From the acclaimed historian and bestselling author: a page-turning account of the epic struggle over slavery as embodied by John Brown and Abraham Lincoln—two men moved to radically different

acts to confront our nation's gravest sin. John Brown was a charismatic and deeply religious man who heard the God of the Old Testament speaking to him, telling him to destroy slavery by any means. When Congress opened Kansas territory to slavery in 1854, Brown raised a band of followers to wage war. His men tore pro-slavery settlers from their homes and hacked them to death with broadswords. Three years later, Brown and his men assaulted the federal arsenal at Harpers Ferry, Virginia, hoping to arm slaves with weapons for a race war that would cleanse the nation of slavery. Brown's violence pointed ambitious Illinois lawyer and former officeholder Abraham Lincoln toward a different solution to slavery: politics. Lincoln spoke cautiously and dreamed big, plotting his path back to Washington and perhaps to the White House. Yet his caution could not protect him from the vortex of violence Brown had set in motion. After Brown's arrest, his righteous dignity on

the way to the gallows led many in the North to see him as a martyr to liberty. Southerners responded with anger and horror to a terrorist being made into a saint. Lincoln shrewdly threaded the needle between the opposing voices of the fractured nation and won election as president. But the time for moderation had passed, and Lincoln's fervent belief that democracy could resolve its moral crises peacefully faced its ultimate test. The Zealot and the Emancipator is the thrilling account of how two American giants shaped the war for freedom.

[Zealots for Zion](#) Jan 27 2022
"With his sensitive reporter's eyes, Mr. Friedman takes us inside the settlement movement, to the synagogues, kitchen tables and television rooms where ordinary people talk of extraordinary things This is a chilling book. The contrast drawn between charming suburban lawns of settlement communities and the political threat they represent is sobering. The

current Labor government in Israel, and American diplomats pursuing the peace process, minimize the movement as an irritant that can be managed when the time comes. Anyone who knows about the tenacity of the settlers, as described by Mr. Friedman, dares not be so confident."--Peter Grose, The New York Times Book Review "[Zealots for Zion] is among a new genre of works on Israel that . . . appears to be setting a higher standard of objectivity for studies of the Palestinian-Israeli conflict. . . . It is not only a penetrating look at the violence-prone Israeli zealots who are behind the aggressive establishment of Jewish settlements on Palestinian land in the occupied territories, but also at the Jewish Americans who encourage, justify and help fund them."--Donald Neff, The Washington Post Book World "Above all else, Friedman documents the extent to which Israeli political figures have used the settler movement for their own purposes. He also argues convincingly that the general

unwillingness of many Israelis to thwart the zealots poses a grave threat to the future of Palestinian-Israel relations and the tenuous chance of negotiating a peace between Israel and its Arab neighbors."--Rita E. Hauser, Tikkun "The mystical mythology, yuppie yearnings, willful naivete and raw prejudices of those staking a claim to what they consider to be 'Greater Israel' have rarely been this revealingly and comprehensively documented."--Nisid Hajari, Newsday The peace agreement between Israel and the Palestine Liberation Organization gives us hope for the future of the West Bank, but no one expects the transition to be easy. Who are the zealots who care so deeply about retaining that land for their own? Robert Friedman, a prize-winning writer, takes a hard, close look at the legacy of the controversial policy of building settlements in the Occupied Territories. Zealots for Zion is a shocking investigation of the movement by militant right-wing Zionists

to reinstitute the ancient civilization of Eretz Yisrael (Greater Israel) on lands seized in the 1967 Six-Day War.

Maccabees, Zealots, and Josephus Apr 17 2021

Spiritual Profiling Apr 05 2020

Jesus' world was far more religiously pluralistic than most of us imagine. He grew up and headquartered His ministry in "Galilee of the Gentiles." He regularly rubbed shoulders with polytheistic and superstitious Romans, with philosophical and sophisticated Greeks, with hard-partying pagans, and with God-fearing Africans. The Bible tells us that Jesus, unlike His fellow countrymen, did not avoid the despised and syncretistic Samaritans. Nor did Jesus shun the Jews who were considered persona non grata in the local synagogues, like those who worked for the occupying government, or who rejected Hebrew ways in favor of Greek, or who lived hellion lifestyles. Moreover, Jesus interacted with individuals representing all of the major sects of Judaism--Sadducees, Pharisees,

Zealots, and Essenes. And these included a huge variety of spiritual expression from the emotional to the contemplative, from the spontaneous to the staid, from Bible-thumpers to compassion-lovers, from those who push religion to the four corners of their lives while others passionately seek to push it to the four corners of the globe. Is there some way to categorize, organize and understand the varieties of spiritual expression that Jesus encountered? Is it possible that the kinds of people Jesus dealt with in His day are similar to the ones we face today? Are there prototypical and stereotypical religious patterns to which people gravitate? And why do we do so? If we lived in Jesus' day, what spiritual "camp" would be most like ours? How would Jesus approach us? What would he do with us? What would our Spiritual Profile be?

The Lost Revelation Dec 02 2019 Providing us with the only known revelation of the Gospel according to substitution-a new and exciting interpretation of

biblical truth-Ira Messenger is probably the most controversial theologian of our day. Author of the books "The Wrong Turn," "The Fourth Dimension," and "The Indictment," Messenger is also a radio and television talk show host. "The Lost Revelation" offers answers to questions that his listening audience has submitted. What makes Messenger so controversial is his attack on the mantra of present-day Christianity. Messenger brings a different perspective to biblical interpretation, one in which God takes the initiative in His relationship with humankind rather than simply observing and judging its actions. Do yourself a favor and add the revelation of the Gospel of Substitution to your religious perspective. You may find yourself questioning much of what you believed to be true about Christianity.

Zealots Oct 12 2020 A page-turning account of often misunderstood events which draws attention to the bloodshed caused by religious

extremism in Britain's history.

It now lives on at LIFE.com, the largest, most amazing collection of professional photography on the internet. Users can browse, search and view photos of today's people and events. They have free access to share, print and post images for personal use.

The Zealot and the Emancipator Sep 30 2019 From the acclaimed historian and bestselling author: a page-turning account of the epic struggle over slavery as embodied by John Brown and Abraham Lincoln—two men moved to radically different acts to confront our nation's gravest sin. John Brown was a charismatic and deeply religious man who heard the God of the Old Testament speaking to him, telling him to destroy slavery by any means. When Congress opened Kansas territory to slavery in 1854, Brown raised a band of followers to wage war. His men

tore pro-slavery settlers from their homes and hacked them to death with broadswords. Three years later, Brown and his men assaulted the federal arsenal at Harpers Ferry, Virginia, hoping to arm slaves with weapons for a race war that would cleanse the nation of slavery. Brown's violence pointed ambitious Illinois lawyer and former officeholder Abraham Lincoln toward a different solution to slavery: politics. Lincoln spoke cautiously and dreamed big, plotting his path back to Washington and perhaps to the White House. Yet his caution could not protect him from the vortex of violence Brown had set in motion. After Brown's arrest, his righteous dignity on the way to the gallows led many in the North to see him as a martyr to liberty. Southerners responded with anger and horror to a terrorist being made into a saint. Lincoln shrewdly threaded the needle between the opposing voices of the fractured nation and won election as president. But the time for moderation

had passed, and Lincoln's fervent belief that democracy could resolve its moral crises peacefully faced its ultimate test. The Zealot and the Emancipator is the thrilling account of how two American giants shaped the war for freedom.

Masada; Herod's Fortress and the Zealot's Last Stand

Jul 21 2021 Numerous pictures aid this description of the findings of the 2-year archaeological excavation of the Judean desert rock-fortress of Masada

Half-Life of a Zealot Dec 26 2021 An autobiography by Swanee Hunt, daughter of the legendary oil magnate H. L. Hunt, Bill Clinton's Ambassador to Austria, and internationally renowned philanthropist.

Zealot Sep 03 2022 'a smart, daring and refreshing book.' - Weekend Australian 'deliciously sinister' - Herald Sun Why would anyone join a cult? Maybe they're unhappy with their current religion, or they want to change the world, or they're disappointed with

their lives and want to find something bigger or holier that makes sense of this confusing, chaotic and dangerous world. Or maybe they just want to give themselves the best possible chance of having sex with aliens. Whatever the reason, once people are in, it's usually very difficult for them to leave. Cults have ways of making their followers do loopy, dangerous stuff to prove their loyalty, and in return they get a chance to feel secure within the cult's embrace, with an added bonus of being utterly terrified of the outside world. From the tragic JONESTOWN Kool-Aid drinkers to the Australian cult THE FAMILY to the fiery Waco climax of THE BRANCH DAVIDIANS, this book is a wide-sweeping look at cults around the world, from the host of the popular podcast ZEALOT. 'a piss-taker of rare boldness.' - Weekend Australian
Elite: Reclamation Jun 27 2019
Written by Drew Wagar under official license from the creators of, and based in the

vast universe of, the seminal space trading computer game Elite: Dangerous. Lady Kahina Loren, born into the Prism system's powerful ruling family, is desperate to throw off the shackles of her privileged lifestyle and discover herself, but ambition crumbles when she faces death at the hands of the one person she thought she could trust. With the advanced technology of the 3rd millennium, death is not always as final as it seems, but when that technology malfunctions, is death the better option... 10% of the proceeds of this book will be donated to the Ashford Dyslexia Centre, a charity who do wonderful work with sufferers of dyslexia including one to one tuition, workshops and presentations providing tools to maximise potential.
The Underground Zealot Collection Feb 13 2021 This collection bundles the entire 3 volumes of Jerry Jenkins' popular Underground Zealot series together in one e-book, for one low price! #1
Soon Paul Stepola, an agent working

for the National Peacekeeping Organization (NPO), has been assigned to enforce compliance with the world government's prohibition on religion. Paul relishes his job and is good at it. He is determined to expose underground religion—flush it out, expose it, and kill it—until his life is turned upside down and he is forced to look at life in a different way. As Paul begins to unravel the truth about what he has found, events taking place around the world are starting to make sense. Something big is coming—something that can't be stopped. And it is coming soon. #2 Silenced Enter the continuing story of double agent Paul Stepola as he works to protect his fellow believers from the government that is trying to eliminate Christians. The underground church is in mortal peril following the apocalyptic events in Los Angeles, which have only cast further suspicion upon Christians. Meanwhile, Paul struggles with how to tell his family about his newfound faith without raising the suspicions

of his ruthless father-in-law. A gripping, futuristic thriller that will keep you glued to the page. #3 Shadowed After God intervenes with a miracle of global proportions, the tide is turned on international atheism and the National Peace Organization (NPO). The underground church has grown to the extent that Christians are becoming the majority. Agent Paul Stepola and his wife Jae are exposed and forced to become international fugitives. The NPO will stop at nothing to capture Paul and eliminate the underground church—until God intervenes and the final judgment is at hand.

If you just said, "Mrgh?" you're ready to dust off your gifts, face the light, and emerge from the shadows to manifest the right path for your most brilliant contributions. Let these pages call to you and ask yourself if now is time to Reawaken, Remember, Reconnect, or Rehumanize your organization. It matters not where you begin or end, this easy read is an inspirational companion for wherever your journey takes you.

Dear Zealots Apr 29 2022 The acclaimed author presents "three passionate lectures about the state of politics in Israel" in this "humorous, mournful, enraged, and

uplifting" volume (Kirkus). A National Jewish Book Award Finalist Israeli author Amos Oz has won numerous awards for his novels capturing the cultural and political complexities of his country, including the Frankfurt Peace Prize, the Primo Levi Prize, and the National Jewish Book Award. But these essays on the universal nature of fanaticism and its possible cures, on the Jewish roots of humanism and the need for a secular pride in Israel, and on the geopolitical standing of Israel in the wider Middle East and internationally, "may contain his most urgent message yet." (Ruth Eglash, Washington Post). These essays were written, Oz states, "first and foremost" for his grandchildren: they are a patient, learned telling of history, religion, and politics, to be thumbed through and studied, clung to even, as we march toward an uncertain future. "Concise, evocative . . . Dear Zealots is not just a brilliant book of thoughts and ideas—it is a depiction of one

man's struggle, who for decades has insisted on keeping a sharp, strident and lucid perspective in the face of chaos and at times of madness." —David Grossman, winner of the Man Booker International Prize

The Adventures of Yadel the Dreidel

Sep 22 2021 From the editor: "I thoroughly enjoyed the book because of its mix of humor, Jewish history, and pathos. The narrator of the book has a wicked sense of humor but is also able to convey vast swathes of Jewish history with poignancy—the pogroms, the othering, and the sufferings and tribulations, as well as the rise of zealotry and how it destroyed the Jewish people and drove them out of their own land. The message of peace and harmony, of humans uniting, of religion dividing people, the dangers of adhering blindly to rituals while forgetting humaneness, the perils of fanaticism . . . all this had been put forward in an engaging manner."

[A Funny Thing Happened on the Way to Heaven](#) Nov 12

2020 Slipknot and Stone Sour singer Corey Taylor's New York Times bestselling journey into the world of ghosts and the supernatural Corey Taylor has seen a lot of unbelievable things. However, many of his most incredible experiences might just shock you. For much of his life, the Grammy Award-winning singer of Slipknot and Stone Sour and New York Times bestselling author of *Seven Deadly Sins* has brushed up against the supernatural world. Those encounters impacted his own personal evolution just as much as headlining at Castle Donington in front of 100,000 people at Download Festival or debuting at #1 on the Billboard Top 200. Since growing up in Iowa, his own curiosity drew him into situations that would've sent most people screaming scared and running for the hills. He's ballsy enough to go into the darkness and deal with the consequences, though. As a result, he's seen ghosts up close and personal, whether while combing through an abandoned house in his native

Iowa as a child or recording an album in the fabled Houdini Hollywood Hills mansion. He's also got the memories (and scars) to prove it. For some reason, he can't seem to shake these spectral stories, and that brings us to this little tome right here... At the same time, being an erudite, tattooed, modern Renaissance Man, he was never one for Sunday Service. Simply put, he's seen ghosts, but he hasn't seen Jesus. Taylor especially can't find a reason why people do the insane things they do in HIS name. That's where everything gets really interesting. His second book, *A Funny Thing Happened on the Way to Heaven*, compiles Taylor's most intimate, incredible, and insane moments with the supernatural. His memories are as vivid as they are vicious. As he recounts these stories, he questions the validity of religious belief systems and two-thousand-year-old dogma. As always, his rapid-fire writing, razor sharp sense of humor, unbridled honesty, and

cozy anecdotes make quite the case for his point. You might end up believing him or not. That's up to you, of course. Either way, you're in for a hell of a ride.

[From Traitor to Zealot](#) Mar 17 2021 What makes a neo-Nazi become a convinced anti-fascist or a radical left-winger become a devout Salafist? How do they manage to fit into their new environment and gain acceptance as a former enemy? The people featured in this book made highly puzzling journeys, first venturing into extremist milieus and then deciding to switch to the opposite side. By using their extraordinary life-stories and their own narratives, this book provides the first in-depth analysis of how and why people move between seemingly opposing extremist environments that can sometimes overlap and influence each other. It aims to understand how these extremists manage to convince their new group that they can be trusted, which also allows us to dive deep into the

psychology of extremism and terrorism. This fascinating work will be of immense value to those studying radicalization and counter-radicalization in terrorism studies, social psychology and political science.

The Blood of Zealots Sep 10 2020 Can your very DNA upend assumptions about the person you are? Author William J. Atkins probes this question and many others in his groundbreaking debut novel, *The Blood of Zealots*. Splicing the genres of science-fiction, global espionage, and good old-fashioned romance, this ingenious, high-velocity novel follows a trail of DNA to shed fascinating light on how we're all connected-and implicated-in today's fraught international arena. More than just an action-adventure, *The Blood of Zealots* plumbs the divisions between cultures and nation states where one man's terrorist is another man's patriot. Inspired by his own search for a biological parent, Atkins takes readers on a fascinating trek across

continents and into a hauntingly realistic story-world where zealotry and ideology collide and coalesce on multiple fronts. Painted against the backdrop current global crises, this modern, international fiction is sure to have readers questioning what they think they know about themselves and the world around them.

Metropolitically Visitation of the most Reverend Father in God, William, Lord Arch-bishop of Canterbury Aug 10 2020

The Gentile and the Jew in the Courts of the Temple of Christ: The religions of the west: Etruria-Rome-Gaul-Germany Oct 31 2019

Soon Feb 02 2020 In the aftermath of World War III, Paul Stepola, an agent working for the National Peace Organization, is assigned to enforce the new ban on religion in order to avoid future wars, but something he discovers changes everything.

Jesus of Nazareth, King of the Jews Jan 03 2020 Paula Fredriksen, renowned historian and author of *From Christ to Jesus*, begins this inquiry into the historic Jesus with a fact that may be the only undisputed thing we know about him: his crucifixion. Rome reserved this means of execution particularly for political insurrectionists; and the Roman charge posted at the head of the cross indicted Jesus for claiming to be King of the Jews. To reconstruct the

Jesus who provoked this punishment, Fredriksen takes us into the religious worlds, Jewish and pagan, of Mediterranean antiquity, through the labyrinth of Galilean and Judean politics, and on into the ancient narratives of Paul's letters, the gospels, the Dead Sea Scrolls, and Josephus' histories. The result is a profound contribution both to our understanding of the social and religious contexts within which Jesus of Nazareth moved, and to our appreciation of the mission and message that ended in the proclamation of Jesus as Messiah.

American Zealots Feb 25 2022 In an unsettling time in American history, the outbreak of right-wing violence is among the most disturbing developments. In recent years, attacks originating from the far right of American politics have targeted religious and ethnic minorities, with a series of antigovernment militants, religious extremists, and lone-wolf mass shooters inspired by right-wing ideologies. The need

to understand the nature and danger of far-right violence is greater than ever. In *American Zealots*, Arie Perliger provides a wide-ranging and rigorously researched overview of right-wing domestic terrorism. He analyzes its historical roots, characteristics, tactics, rhetoric, and organization, assessing the current and future trajectory of the use of violence by the far right. Perliger draws on a comprehensive dataset of more than 5,000 attacks and their perpetrators from 1990 through 2017 in order to explore key trends in American right-wing terrorism. He describes the entire ideological

spectrum of the American far right, including today's white supremacists, antigovernment groups, and antiabortion fundamentalists, as well as the histories of the KKK, skinheads, and neo-Nazis. Based on these findings, Perliger suggests counterterrorism policies that can respond effectively to the far-right threat. A groundbreaking examination of violence spawned from right-wing ideologies, *American Zealots* is essential reading for everyone seeking to understand the transformation of domestic terrorism. [Revolt against modernity](#) Mar 05 2020
