[Getting Signed](#) Sep 08 2020 Record contracts have been the goal of aspiring musicians, but are they still important in the era of SoundCloud? Musicians in the United States still seem to think so, flocking to auditions for The Voice and Idol brands or paying to perform at record label showcases in the hopes of landing a deal. The belief that signing a record contract will almost infallibly lead to some measure of success—the “ideology of getting signed,” as Arditi defines it—is alive and well. Though streaming, social media, and viral content have turned the recording industry

upside down in one sense, the record contract and its mythos still persist. [Getting Signed](#) provides a critical analysis of musicians’ contract aspirations as a cultural phenomenon that reproduces modes of power and economic exploitation, no matter how radical the route to contract. Working at the intersection of Marxist sociology, cultural sociology, critical theory, and media studies, Arditi unfolds how the ideology of getting signed penetrated an industry, created a mythos of guaranteed success, and persists in an era when power is being redefined in the light of digital technologies.

Head First Data Analysis Jun 05 2020 A guide for data managers and analyzers shares guidelines for identifying patterns, predicting future outcomes, and presenting findings to others; drawing on current research in cognitive science and learning theory while covering such additional topics as assessing data quality, handling ambiguous information, and organizing data within market groups. Original. [Mary Anne's Big Breakup](#) May 05 2020 When Mary Ann decides she desperately needs a change and breaks up with her longtime boyfriend Logan, she realizes that breaking up

is one of the hardest things she has ever done. **Temper** Mar 03 2020 For fans of the high-stakes tension of the New York Times bestsellers *Luckiest Girl Alive* and *The Lying Game*, comes “a brilliantly paced thriller that gets under your skin in the best possible way” (Megan Collins, author of *The Winter Sister*) about female ambition and what happens when fake violence draws real blood. After years of struggling in the Chicago theater scene, ambitious actress Kira Rascher finally lands the role of a lifetime. The catch? The mercurial Malcolm Mercer is the director and he’s known for pushing his performers past their limits—on stage and off. Kira’s convinced she can handle Malcolm, but the theater’s cofounder, Joanna Cuyler, is another story. Joanna sees Kira as a threat—to her own thwarted artistic ambitions, her twisted relationship with Malcolm, and the shocking secret she’s keeping about the upcoming production. But as opening night draws near, Kira and Joanna both come to the realization that Malcolm’s dangerous extremes are nothing compared to what they’re capable of themselves. An edgy, addictive, and fiendishly clever tale of ambition, deceit, and power suited for fans of the film *Black Swan*, **Temper** “revels in its mind games, delivering twist after twist as it races toward a Shakespearian climax. The final page will leave you gasping” (Amy Gentry, author of *Last Woman Standing*).

She Memes Well Jan 01 2020 From comedian Quinta Brunson comes a deeply personal and

funny collection of essays featuring anecdotes about trying to make it when you're broke, overcoming self-doubt and depression, and how she's used humor to navigate her career in unusual directions. Quinta Brunson is a master of viral Internet content: without any traditional background in media, her humorous videos were the first to break through on Instagram's platform, receiving millions of views. From there, Brunson's wryly observant POV attracted the attention of BuzzFeed's motion picture development department, leading her to produce viral videos there about topics like interracial dating, millennial malaise, and seeing your ex in public. Now, Brunson is bringing her comedic chops to the page in *She Memes Well*, an earnest, laugh-out-loud collection about her weird road to Internet notoriety. In her debut essay collection, Quinta applies her trademark humor and heart to discuss what it was like to go from student loan debt-broke to "halfway recognizable--'don't I know you somewhere?'" level-of-fame. With anecdotes that range from the funny and zany--like her experience trying to find her signature hairstyle--to more grounded material about living with depression, Brunson's voice is entirely authentic and eminently readable. Perfect for fans of Phoebe Robinson's *You Can't Touch My Hair*, Samantha Irby's *We Are Never Meeting in Real Life*, and Issa Rae's *The Misadventures of Awkward Black Girl*, *She Memes Well* will charm and entertain a growing, engaged audience.

The Major Eights 1: Battle of the Bands Apr 15 2021 Jasmine, Maggie, Becca, and Scarlet love jamming together, but are they ready to perform in front of a real audience in a Battle of the Bands competition? Find out in the first book of this early chapter book series! Jasmine, Maggie, Becca, and Scarlet love jamming together in Jasmine's basement. Maggie bangs on the drums, Becca strums her guitar, Jasmine plunks the keys of her keyboard, and Scarlet wails into her hairbrush mic. Even though they may not have the best equipment, or an audience, they have fun making music to their own beat. But when Jasmine's brother tells her about an upcoming Battle of the Bands competition, Jasmine thinks this could be their chance to prove they're a real band. Now she just has to convince the other girls. . . . With each book told from a different girl's perspective, this series is all about girl power, diversity, and marching to the beat of your own drum!

Carter Finally Gets It Dec 24 2021 Join Will Carter for his freshman year, when he'll search for sex, love, and acceptance anywhere he can find it. In the process, he'll almost kill a trombone player, face off with his greatest nemesis, get caught up in a messy love triangle, suffer a lot of blood loss, narrowly escape death, run from the cops (not once, but twice), meet his match in the form of a curvy drill teamer, and surprise everyone, including himself.

TIMES BESTSELLER ONE OF BARACK OBAMA'S FAVORITE BOOKS OF THE YEAR NAMED A BEST BOOK OF 2020 BY THE NEW YORK TIMES * THE WASHINGTON POST * NPR * PEOPLE * TIME MAGAZINE* VANITY FAIR * GLAMOUR 2021 WOMEN'S PRIZE FINALIST "Bennett's tone and style recalls James Baldwin and Jacqueline Woodson, but it's especially reminiscent of Toni Morrison's 1970 debut novel, *The Bluest Eye*." —Kiley Reid, *Wall Street Journal* "A story of absolute, universal timelessness ...For any era, it's an accomplished, affecting novel. For this moment, it's piercing, subtly wending its way toward questions about who we are and who we want to be..." – Entertainment Weekly From The New York Times bestselling author of *The Mothers*, a stunning new novel about twin sisters, inseparable as children, who ultimately choose to live in two very different worlds, one black and one white. The Vignes twin sisters will always be identical. But after growing up together in a small, southern black community and running away at age sixteen, it's not just the shape of their daily lives that is different as adults, it's everything: their families, their communities, their racial identities. Many years later, one sister lives with her black daughter in the same southern town she once tried to escape. The other secretly passes for white, and her white husband knows nothing of her past. Still, even separated by so many miles and just as many lies, the fates of the twins remain intertwined. What will happen to the next

generation, when their own daughters' storylines intersect? Weaving together multiple strands and generations of this family, from the Deep South to California, from the 1950s to the 1990s, Brit Bennett produces a story that is at once a riveting, emotional family story and a brilliant exploration of the American history of passing. Looking well beyond issues of race, *The Vanishing Half* considers the lasting influence of the past as it shapes a person's decisions, desires, and expectations, and explores some of the multiple reasons and realms in which people sometimes feel pulled to live as something other than their origins. As with her New York Times bestselling debut *The Mothers*, Brit Bennett offers an engrossing page-turner about family and relationships that is immersive and provocative, compassionate and wise.

The Big Break Nov 22 2021 The story opens in the stinking latrines of the Schubin camp as an American and a Canadian lead the digging of a tunnel which enabled a break involving 36 prisoners of war (POWs). The Germans then converted the camp to Oflag 64, to exclusively hold US Army officers, with more than 1500 Americans ultimately housed there. Plucky Americans attempted a variety of escapes until January, 1945, only to be thwarted every time. Then, with the Red Army advancing closer every day, camp commandant Colonel Fritz Schneider received orders from Berlin to march his prisoners west. Game on! Over the next few days, 250 US Army officers would succeed in

escaping east to link up with the Russians - although they would prove almost as dangerous as the Nazis - only to be ordered once they arrived back in the United States not to talk about their adventures. Within months, General Patton would launch a bloody bid to rescue the remaining Schubin Americans. In *The Big Break*, this previously untold story follows POWs including General Eisenhower's personal aide, General Patton's son-in-law, and Ernest Hemingway's eldest son as they struggled to be free. Military historian and Paul Brickhill biographer Stephen Dando-Collins expertly chronicles this gripping story of Americans determined to be free, brave Poles risking their lives to help them, and dogmatic Nazis determined to stop them.

Atomic Habits Jun 17 2021 The #1 New York Times bestseller. Over 4 million copies sold! *Tiny Changes, Remarkable Results* No matter your goals, *Atomic Habits* offers a proven framework for improving--every day. James Clear, one of the world's leading experts on habit formation, reveals practical strategies that will teach you exactly how to form good habits, break bad ones, and master the tiny behaviors that lead to remarkable results. If you're having trouble changing your habits, the problem isn't you. The problem is your system. Bad habits repeat themselves again and again not because you don't want to change, but because you have the wrong system for change. You do not rise to the level of your goals. You fall to the level of your systems. Here, you'll get

a proven system that can take you to new heights. Clear is known for his ability to distill complex topics into simple behaviors that can be easily applied to daily life and work. Here, he draws on the most proven ideas from biology, psychology, and neuroscience to create an easy-to-understand guide for making good habits inevitable and bad habits impossible. Along the way, readers will be inspired and entertained with true stories from Olympic gold medalists, award-winning artists, business leaders, life-saving physicians, and star comedians who have used the science of small habits to master their craft and vault to the top of their field. Learn how to: make time for new habits (even when life gets crazy); overcome a lack of motivation and willpower; design your environment to make success easier; get back on track when you fall off course; ...and much more. Atomic Habits will reshape the way you think about progress and success, and give you the tools and strategies you need to transform your habits--whether you are a team looking to win a championship, an organization hoping to redefine an industry, or simply an individual who wishes to quit smoking, lose weight, reduce stress, or achieve any other goal.

[Unbreakable](#) Apr 03 2020 Hey Teammate, We all face obstacles-physical, emotional, between the ears. The good news is that everything we have fought back against can empower us, IF WE KNOW HOW TO USE IT. My obstacles happen to be anxiety and depression. I call it living in the gray, and I've been mired in it my whole life. To be honest, it sucks. But I have also recently recognized that this same gray that has held me down has also empowered me to make my wildest dreams come true. You have probably overcome many of your own obstacles, but you've been too close to the conflict to clearly see what you've accomplished. We are all UNBREAKABLE, no matter what we do, who we are, or what traumas we may have experienced. We just need to admit that we can't walk this walk alone. --Jay Glazer After years of rejection but with constant hustle, Jay Glazer has built a

career has one of the most iconic sports insiders, earning himself a spot on the Emmy award-winning Fox NFL Sunday, a role as the confidant of coaches and players across the league, and a role as himself alongside Dwayne “The Rock” Johnson on HBO series *Ballers*. His gym, Unbreakable Performance Center, attracts some of the biggest names in Hollywood, and is the headquarters to the powerful charity MVP (Merging Vets and Players) that Jay founded in 2015. MVP began as a weekly physical and mental health huddle with combat veterans and retired athletes has expanded to seven locations, helping soldiers and players transition to a new team. In *Unbreakable*, Jay Glazer talks directly to you, his teammates, and shares his truth. All of his success from his screeching-and-swerving joy ride through professional football, the media, the fighting world, Hollywood, the military-warrior community, comes with a side of relentless depression and anxiety. Living in the gray, as Jay calls it, is just a constant for him. And, in order to work through the gray and succeed, Jay has to maintain an Unbreakable Mindset. With this book, you can too. · Be of Service—help others and help yourself in the process · Build Your Team—give support, get support · Never Underestimate the Power of Laughter—never take yourself too seriously · Be Proud of Your Scars—our trauma makes us who we are Throughout *Unbreakable*, Jay will use his stories—featuring some of the biggest, baddest, and most fascinating characters in the

public eye today—to show how he walks this walk, has learned that while the gray is very real, it doesn’t have to define him. And it doesn’t have to define you either.

Carter's Big Break Sep 01 2022 After surviving freshman year (just barely), Carter is

craving his summer break. Unfortunately, when he and his girlfriend, Abby, part ways, it looks as though summer just might break him. Things start to look up when he's unexpectedly cast in an independent film opposite the world's biggest tween sensation, Hilary Idaho. With Hollywood knocking on his door, Carter gets a taste of the good life. But as the film spirals out of control, he begins to fear that he's not the “somebody” he thinks he is and more the “nobody” he's sure he always has been. *Break 'Em Up* Jan 31 2020 “[We need] a grassroots, bottom-up movement that understands the challenge in front of us, and then organizes against monopoly power in communities across this country. This book is a blueprint for that organizing. In these pages, you will learn how monopolies and oligopolies have taken over almost every aspect of American life, and you will also learn about what can be done to stop that trend before it is too late.” —From the foreword by Bernie Sanders. A passionate attack on the monopolies that are throttling American democracy. Every facet of American life is being overtaken by big platform monopolists like Facebook, Google, and Bayer (which has merged with the former agricultural giant Monsanto), resulting in a greater concentration of wealth and power than we've seen since the Gilded Age. They are evolving into political entities that often have more influence than the actual government, bending state and federal legislatures to their will and even creating arbitration courts that

circumvent the US justice system. How can we recover our freedom from these giants? Anti-corruption scholar and activist Zephyr Teachout has the answer: Break 'Em Up. This book is a clarion call for liberals and leftists looking to find a common cause. Teachout makes a compelling case that monopolies are the root cause of many of the issues that today's progressives care about; they drive economic inequality, harm the planet, limit the political power of average citizens, and historically-disenfranchised groups bear the brunt of their shameful and irresponsible business practices. In order to build a better future, we must eradicate monopolies from the private sector and create new safeguards that prevent new ones from seizing power. Through her expert analysis of monopolies in several sectors and their impact on courts, journalism, inequality, and politics, Teachout offers a concrete path toward thwarting these enemies of working Americans and reclaiming our democracy before it's too late.

Sweet Dreams and Flying Machines Oct 10 2020 In 1970 a scraggly, antiheroic young man from North Carolina by way of Massachusetts began presenting a comforting new sound, a kind never heard before. Within a year, when young ears sought a new sound, there was "Fire and Rain" and "You've Got a Friend," and a new Southern California-fed branch of pop music. Taylor was its reluctant leader. Remarkably, Taylor has survived: his 2015 release, *Before This World*, edged out Taylor Swift and went to #1 on the charts. Today he is in better physical and probably mental condition than during the whirlwind when he influenced music so heavily, the decade when magazines and newspapers printed feverish stories about his gawky hunkiness, his love affair with Joni Mitchell, his glittery marriage to Carly Simon, his endlessly carried-out heroin habit, and sometimes even his music. Despite it all, Taylor has become the nearest thing to rock royalty in America. Based on fresh interviews with musicians, producers, record company people, and music journalists, as well as previously published interviews, reviews, and profiles, *Sweet Dreams and Flying*

Machines is the definitive biography of an elusive superstar.

Annie's 1st Break Nov 10 2020 Look out New York City! Ms. Rayanne "Annie" McCauley from little old Mesa View, Texas has set her sights on being a high fashion model. Despite her humble beginnings in the Mesa View Mobile Home Park, hot tempered Annie thinks she can make it all the way to the cover of *Women's Wear Daily* (as long as she follows her own rules). She may also snag the heart of sexy Tomi Di Ponti, the CEO of Di Ponti Cosmetics and Fashions, but not without a lot of trouble from her arch rival, Brittany Carstairs, another alumnus of the trailer park and a woman who never met a nasty trick she didn't use. When it looks like things can't get any worse, along comes Luther Grolsch, handsome, dangerous and possibly the most annoying man Annie ever met. Hilarious situations and quirky characters make this romantic, comedy, mystery, adventure a must read. Annie McCauley has been described as the Calamity Jane of high fashion, but she may finally be getting her big break in the modeling world. She's moved to New York and rented a small apartment in Queens. Her best friend, Luis, a diminutive, gay, Latino, makeup artist lives right across the hall. She aced her first interview with

handsome, Tomi Di Ponti and is ready for her second interview where she expects to be given the job as spokesmodel for the new Czarina line of cosmetics and fashions. But things rarely go smoothly for Annie and before she knows it, Brittany has pulled one of her dirty tricks and it looks like Annie may not get the job after all. However, with the help of Luis and the understanding of Tomi things seem to be working out. Brittany isn't easily beaten and

through an elaborate plan it appears she's working against Annie behind the scenes. Comical mishaps, the Rigatoni, a vertically challenged gang of old world mobsters, and Nonni, the grandmother from hell all make Annie's dream seem just out of reach. Like Stephanie Plum, Annie is a hard working, good-hearted woman who may be in over her head. Enter Ida and her son, Luther Grolsch, a very sexy man that Annie feels might be the most

annoying man she's ever met. Together they try to keep Annie alive and find out who is really behind the sabotage that seems to be aimed at the Di Ponti Company and Annie in particular. Will Annie and Tomi ever get together? Who Hired the Rigatoni Gang? Find out in Annie's 1st Break where a small town gal goes to the big city and meets two very different men. Which one will she choose?
