YOUR BOYFRIEND'S BEST GIRLFRIEND: A Tomboy's Guide To Knowing, Loving And Understanding Men Oct 01 2020 What happens when a southern tomboy, who grew up "dating like a dude" only to discover she had daddy issues that hurt the men she was once involved with, suffers heart-break and goes on a journey of self-discovery that guides her into frank discussions with men about parenting, relationships, sex, love, and growing pains? "A Tomboy's Guide" begins with the back story of a woman who grows up as a tomboy. It delves into both heavy (a story about sexual assault) and light hearted subjects (asking "Who pays for dates?"). Each chapter includes "YBBG LESSONS" that tackle many of the conflicts that men and women face when dealing with each other in a myriad of relationship settings. ""CONVERSATIONS"" with men from every walk of life, help dispel the negative ways men are normally portrayed. Men open up and show the rawness of emotions they seldom reveal when dealing with relationship issues.

The Zen Mama Nov 02 2020 Let go of parenting expectations and fears to raise courageous, confident children. The Zen Mama philosophy is that mother and child complement each other in adventures and experiences, always putting safety first but without getting caught up in the anxieties, drama, impossible expectations and mental baggage that too often comes along with modern parenting. Learning to become a Zen Mama will help you grow and nurture a Zen Child - someone who isn't afraid to be different, who can stand up for himself or his friends, and can travel the world and experiment with new things without being overwhelmed with self-doubt or being scared. Full of facts, actionable advice and practical tips, this book will be about combining the heart and the head with what works for you and your family, not comparing yourselves to others or meeting a societal standard. It will support and nurture the mother's journey like a wise and sympathetic friend and offers ideas and experience rather than judgement. The Zen Mama will help you to find your purpose as a mother. It will instill the self-belief you need to help create a resilient, creative, caring and smart child - and help to survive the journey.

Closing the Curtain on Baby Mama Drama Jul 22 2022 Closing the Curtain on Baby Mama Drama is more than just a catchy phrase that often draws laughter. It is a mindset and philosophy a father involved in visitation, custody and child support cases has to internalize if he is to avoid the many pitfalls the drama presents. The most pressing needs for fathers are

information and support. The lack of information pertaining to the family court system places men in vulnerable positions. False allegations of abuse, interfering family members from the maternal side, and much more are all obstacles men must overcome. The drama has the potential to immobilize a father while in the process leading him down a road to possibly abuse drugs/alcohol, failure to achieve goals/dreams, experience depression and finally suicide. The book also offers helpful suggestions for women to support male family members or significant others. Closing the Curtain on Baby Mama Drama will inform, educate, empower, motivate and enlighten. Chapters include: -How to educate yourself in Family Law - Courtroom Behavior/Dress -What to request in visitation cases -Interfering secondary family members -Why you should fight for your child? -How to defeat baby mama drama -Coping Mechanisms

The Way of the Warrior Mama Jan 24 2020 *The Way of the Warrior Mama* shows parents how to protect their teenage daughter and conquer their own fears in raising her. If you are a mom, you are worried about your daughter surviving the adolescent years safe and sound. In a culture that encourages kids to be sexy long before they reach puberty, and when one in four college women report surviving rape or attempted rape and one in ten high school girls is the victim of date rape, the prospect of raising a teenage girl can be daunting. By tackling the subject of sexual assault head-on, Sally Clark offers a roadmap to navigating one of the most treacherous parts of the journey from girlhood to womanhood. Sally speaks directly to moms who are overly anxious about keeping their daughters safe and shows them that the crucial element in raising a strong, resilient daughter lies in healing and addressing their own adolescent wounds. Through interviews with experts and leading practitioners in fields ranging from adolescent psychology to mindful self-compassion, *The Way of the Warrior Mama* teaches proven, concrete, and innovative techniques to dramatically reduce parenting stress and increase mothers' faith that they can protect their daughter.

No Mother to Guide Her Jul 18 2019 Elmer Bliss, naive and implacably optimistic champion of the Southern Californian way, uses his newspaper column to defend the movie world's indiscretions from the scandal sheets. As Tinseltown parties end in murder, Elmer innocently runs sunny accounts of the stars' wholesome lives. His crowning moment comes as Miss Viola Lake, Hollywood's favorite clean-cut starlet, is about to be accused of drug abuse and sexual promiscuity during a murder trial that threatens to blow the lid off the film colony. With his good intentions at the ready, Elmer leaps, like a matinee idol, to Viola's protection. With intimate ease, Anita Loos sets up a fondly sardonic and devastatingly funny tour of the glorious artifice and excess that is Hollywood: tasteless fashions, bizarre religious sects, mass murder, sex, divorce, extravagant morals, industry nepotism, and vacuous inhabitants -- fresh from the Midwest -- wandering the boulevards in search of fame and fortune.

Bigger Is Better Jan 16 2022 Everything about Angela “Big Ang” Raiola is larger than life: her lips, her 36JJ breasts, and

especially her personality! In a lifestyle guide as genuine and fun as Big Ang herself, the star of VH1's Mob Wives, called the show's "den mother" by the New York Times, serves up the hilarious and poignant wisdom she's learned while running her bar, raising her family, and dating made men. Big Ang has rules to live by for beauty, food, family, friendship, and more. Here she is... **ON HER KILLER BOOBS:** I was on vacation with my family in the Catskills when out of nowhere, this bat flies right into my chest and then falls splat on the ground. Turned out, he died on impact. **ON FAMILY TRADITIONS:** Every Sunday, we do a feast for fifteen to twenty-five people. Last week, we went through seventy-five meatballs. Even by my family's standards, that's a lot of balls. **ON DIETING:** Swearing off lasagna to lose weight? You might fit into smaller jeans. But you're still the same person— except hungrier and bitchier. **ON HOBBIES:** Would I rather cook for people or have sex? No hard-and-fast rule there. But I will say this: Cooking is always satisfying.

A Raisin in the Sun Jan 04 2021 "Never before, in the entire history of the American theater, has so much of the truth of Black people's lives been seen on the stage," observed James Baldwin shortly before *A Raisin in the Sun* opened on Broadway in 1959. This edition presents the fully restored, uncut version of Hansberry's landmark work with an introduction by Robert Nemiroff. Lorraine Hansberry's award-winning drama about the hopes and aspirations of a struggling, working-class family living on the South Side of Chicago connected profoundly with the psyche of Black America—and changed American theater forever. The play's title comes from a line in Langston Hughes's poem "Harlem," which warns that a dream deferred might "dry up/like a raisin in the sun." "The events of every passing year add resonance to *A Raisin in the Sun*," said The New York Times. "It is as if history is conspiring to make the play a classic."

Issues of the Heart. A Woman's Poetic Guide to Emotional Health and Spiritual Peace Dec 03 2020 In a world where women are more educated, more powerful, and more equipped to succeed than ever before, sadly, it seems that "common" sense has become a rare luxury for many. A vast number of beautiful, well spoken, intelligent, and influential women are remaining in situations of deceit, abuse, and self-destructive patterns that cast a dark shadow over their lives (and over the lives of those who love them). Many underlying issues contribute to our disturbing behaviors and never ending tolerance for foolishness and unfairness in our relationships. Even so, we've allowed the world's loose representation of love, sex, wisdom, and their version of happiness to taint what women of God should already know as divine truth. The first purpose of *Issues of the Heart* is to encourage women to take a long, hard, and analytical second look at their current involvements - and not only ask, how did I get here? But, should I remain here? Second, *Issues of the Heart* provides wisdom, strength, and encouragement through sound biblical instruction, to move from bad situations to deliverance, emotional healing, and

spiritual peace. Addressing issues that are far too often considered taboo in the church, *Issues of the Heart* covers a variety of topics from sex, bad choices in men, and eating disorders, to death, friends, work performance, and the absence of the father. Assuring them that they are not alone in their struggles, *Issues of the Heart* helps women take Satan by the horns and cast him out of their lives! Through poetry, straight talk, scriptures, and prayer, the overall message remains the same: Regardless of your past, your mistakes, your pains, or regrets, God desires to give you peace and heal the issues of your heart.
