The Gospel According to Star Trek: The Original Crew Nov 29 2019 What's Christian about Star Trek? Nothing. That's the way most people see it and that certainly seems to be the way the franchise is intended. There's no question that the Trek universe is based on a doggedly humanistic world view and is set in a future time when religion has essentially vanished from Earth. If that's the case, how can there even be a "gospel according to Star Trek"? In The Gospel According to Star Trek: The Original Crew, you'll discover how the continuing voyages of Kirk and company aboard the Enterprise--from the original series to the Abramsverse--tell us more about our human quest for God than you ever imagined. You'll learn how Star Trek creator Gene Roddenberry's own spiritual quest informed the franchise, what he and the series really have to say about God and religion, and the amazing image of Christ contained in Star Trek's most popular character. You'll also see how Star Trek can help us recover a deeper, more fully human gospel that embraces our humanity instead of denigrating it and echoes the call of both Spock and Christ: "Live long and prosper!" (John 10:10).

I Am Spock Feb 10 2021 First time in trade paperback: the memoir by the late Leonard Nimoy, best remembered for his portrayal as everyone's favorite Vulcan, Spock, in Star Trek, the TV series and films. Leonard Nimoy's portrayal of the ever-logical Vulcan, Mr. Spock, is one of the most recognizable, loved, and pervasive characterizations in popular culture. He had been closer to the phenomenon of Star Trek than anyone, having played the pivotal role of Spock in the original series, in six motion pictures, and in a special two-part episode of Star Trek: The Next Generation. I AM SPOCK gives us Nimoy's unique perspective on the beginnings of the Star Trek phenomenon, on his relationship with his costars, and particularly on the reaction of the pointed-eared alien that Nimoy knew best. Here, Nimoy shared the true story behind his perceived reticence to re-create the role and wrote frankly about how his portrayal defined an icon.
