[Cults of Freeport](#) Dec 25 2021 On the surface, Freeport is a pirate city gone legit, but in reality it is still a place of terrible secrets, foul plots and dreadful gods. [Cults of Freeport](#) peels back the facade of the City of Adventure to take

an unflinching look at its most disturbing denizens. This sourcebook describes a dozen despicable cults in lavish detail, from their goals and motivations to their tactics and impact on the city. In addition, each entry includes an overview of cult's membership and

recruitment policies, as well as a myriad of plot frameworks to help you feature these groups in adventures of your own design. As with [The Pirate's Guide to Freeport](#), [Cults of Freeport](#) does not include game statistics of any kind, so you can use it with the RPG of your choice. The

Dark Deeds in Freeport (Pathfinder RPG) Sep 02 2022

Freeport Apr 28 2022 There have always been two Freeports: the image presented to outsiders, and the vital, quirky life enjoyed by residents of this small town in Maine. Once part of ancient North Yarmouth, Freeport was "set off" and incorporated in 1789, making it the sixty-fourth town in what would become Maine in 1820. Photographs have chronicled Freeport's daily life, her changing images, and the milestones of transportation which have pushed her forward. From E.B. Mallet's manufacturing and retail empire to that of L.L. Bean, from South Freeport's shipbuilding and canning industries to the arrival of the summer visitors, there are vivid images which capture both the public and private lives of historic Freeport, and there are photographs of great beauty which chronicle the special character of beloved landscapes.

The Freeport Trilogy Mar 16 2021 In August 2000, Green Ronin released the adventure *Death in Freeport* and kicked off the d20 phenomenon. This *Ennie and Origins Award*

winning adventure was the first in the Freeport trilogy, which was completed by *Terror in Freeport* and *Madness in Freeport*. All three adventures have been out of print for years, but that's about to change. To celebrate the five-year anniversary of both the company and Freeport, Green Ronin is bringing together the entire trilogy under one cover for the first time. This new edition has been updated to the 3.5 rules and revised and expanded to make the campaign more detailed and complete. It's time to return to the city that started it all. They don't call Freeport "the City of Adventure" for nothing.

Freeport-Velasco Jun 30 2022 In 1821, Stephen F. Austin and the "Old 300" colonists boarded the *Lively* and entered the Brazos River, landing at Old Velasco. After hurricanes repeatedly tore the little town apart, residents moved four miles upstream to New Velasco in 1891. Then, the 1900 hurricane, which nearly wiped Galveston off of the map, also devastated New Velasco. But even the earliest Texans were tough, and they endured, rebuilt, and thrived. In 1912, across the Brazos River, the discovery of sulphur gave birth to Freeport. Freeport and Velasco grew side-by-side for 45 years until 1957, when they were consolidated. Thus, some citizens felt that the city ought to then be called "Freeport-Velasco." In 1961, Hurricane Carla roared into Freeport. It was followed through the years by many other mega-storms, but Freeport has weathered them all. Efforts are being made to revitalize downtown to the

beauty it had a century ago.

History of an Allegheny River Town: Freeport, Pennsylvania Jun 18 2021 This book is a comprehensive overview of the settlement of western Pennsylvania, with a focus on the evolution of the Borough of Freeport from its founding in 1797 to today. Included is a brief summary of the influences of the Native American Indians, founders William and David Todd, transportation including the Pennsylvania Mainline Canal and the Railroad systems, business and industry development from early settlement to current services, distilleries, newspapers, churches and much more.

Following Footsteps in Freeport Nov 04 2022 Between these covers are poignant and humorous stories with images set in Freeport, Illinois, also known as the Pretzel City. You'll read about the moon, a third grader's early attempts at writing, words of wisdom from a notable biographer, and why the author of **FOLLOWING FOOTSTEPS IN FREEPORT**

considers the Pretzel City his center of the universe. There are also tales about illnesses, a horse named "Maggie," a great university, courtships and a wedding, a cherished gift, dreams, and dropping off a daughter for her freshman year at college. Finally, you'll encounter sagas about a father-son relationship, composing for the clarinet, an exchange student's year-long stay in the Pretzel City, and a trip down memory lane in a prized home. It's looking good in Freeport! (All profits from the sale of this book will help support the selfless service provided by Freeport Noon Rotary to citizens in Northwest Illinois and throughout the world.)

Post Report Oct 11 2020 Series of pamphlets on countries of the world; revisions issued.
Hell in Freeport Nov 23 2021 Freeport has never been in more danger! Infernal forces lurk in every alley and inn. Inquisitors and prophets of doom comb the streets, for the stench of evil hangs in the air. A city that is no stranger to dirty dealings and bloody paybacks is about to get a lesson in debauchery from the pros--the minions of Hell. It's a race against time as the heroes, or perhaps villains, of Freeport work to save themselves from the wrath of an ancient prophecy and from the hands of an infernal lich lord. Hell in Freeport is a stand-alone, 88-page adventure that provides the perfect complement to Legions of Hell. Hell in Freeport features eight pages of beautiful full-color maps by ENnie-award-winning cartographer Todd Gamble! Only high level heroes need apply for

this hazardous duty. Recommended for characters level 8-11.

Madness in Freeport Mar 28 2022 The Freeport Trilogy concludes with this exciting 48-page adventure. Return to the city that started it all with Madness in Freeport. The unveiling of Milton's Folly draws near, and the PCs must uncover its sinister secrets before time runs out. This time they face more than back alley toughs and mindless undead. Sealord Drac has his eyes on the PCs and they may not survive his malefic attentions. Madness in Freeport is the action packed climax to the first d20 campaign series. For characters level 4-6.

Madness in Freeport won Best Cartography for Todd Gamble's incredible maps in the 2001 ENnie d20 System Awards!

Maine Beer Jan 02 2020 "Chronicles Maine's rather complicated relationship with alcohol over the years, and offers histories and profiles of more than 30 brewing companies." —The Ellsworth American In the nineteenth and

twentieth centuries, Maine was a stronghold for the temperance movement, but the Pine Tree State emerged from Prohibition to create a beer culture that rivals any other in the United States. Early pioneers, like D. L. Geary, established the Northeast's love affair with English-style ales, and today's upstarts brew unique and inventive recipes. Maine brewers create beer for every palate, and Maine's unique flavors—like blueberries, potatoes and even oysters—are frequently featured. Maine beer expert Josh Christie discovers the story of brewing in Vacationland by exploring Maine's large breweries, like Shipyard; its local crafters, like Rising Tide; the budding cider, spirits and mead industries; and, of course, the best places to drink across the state. "The book explores the history of beer and beer brewing in Maine, starting with the formation of the state and continuing to the present day."

Freeport the City of Adventure Oct 23 2021

Freeport is one of the classic city settings of fantasy roleplaying and it's back--bigger and better--in this monstrous new sourcebook for The Pathfinder Roleplaying Game. Clocking in at a massive 544 pages, Freeport: The City of Adventure lovingly details a metropolis that mixes fantasy tropes, piracy, and Lovecraftian horror into an action packed setting for your RPG campaign. The city is now more detailed than ever, with added locations, characters, hooks, and a brand new, full-length adventure. The book, featuring a cover by fan favorite

artist Wayne Reynolds and a fold-out map of the city, also includes full rules support for the Pathfinder RPG: new classes, archetypes, feats, and magic items. As always you can use Freeport on its own or drop it into your campaign setting of choice. So set sail for Freeport, mateys! Come for the pirates, stay for the cosmic horror!

History of the Grand Commandery of Knights Templar of the State of Illinois Dec 01 2019

Executive Documents, Minnesota ... May 06 2020

Freeport through the Years Sep 29 2019 Like other towns in coastal Maine, Freeport was settled in the 18th century by residents of the southern part of the state--Massachusetts, which it was a part of until 1820. The Harraseeket River provided mill power and transportation, enabling growth and separation from North Yarmouth in 1789. The arrival of the railroad in 1849 led to a late-century economic boom fueled by entrepreneur E.B. Mallet. Piggybacking on the established industrial infrastructure, L.L. Bean and other retailers prospered in the next century, forming the core of activity at the heart of Freeport Village today. South Freeport was sustained by shipbuilding that ebbed and flowed through the 20th century, and largely because of that industry, it remains a historic village to this day. Because of Freeport's rapid growth and a number of downtown fires, historic buildings have been lost, moved, or altered over time, though the historical society has advocated for

preservation and maintains a broad collection of photographs that visually record these changes.

Freeport Mar 04 2020 A bold and daring folk flocked into the Freeport region about 175 years ago, itching to establish themselves. A mixed ethnicity hauled in with it a diversity of skills and burning ambition. The broad influence of the settlers' European ethics--hard work, frugality, and faith--has persisted through Freeport's maturity. The vast number of innovative industries, coupled with a passion for education and the finer things of life--not to mention a zest for plain old fun--all testify to the city's colorful past. Freeport industries have infiltrated world markets with name brands in windmills, engines, automobiles, tires, batteries, switches, beers, toys, patent medicines, household furnishings, and animal feeds, to name a few. Something is always going on in Freeport. Fueling this are a community college, vibrant public and parochial school systems, churches, service organizations, and a network for artistic tastes with museums, community theater, and concert series.

Tales of Freeport May 18 2021 Death in Freeport defined the d20 adventure in August, 2000, and went on to win an Origins Award and an ENnie Award. Now it's time to return to the city that started it all in this brand new anthology of adventures. Critically acclaimed author Graeme Davis (architect of the Enemy Within Campaign) brings you four new Freeport

adventures, plus a chapter of adventure hooks. The heart of the book is the Soul of the Serpent, in which the players tangle once again with the mysterious serpent people. Three shorter adventures round out the collection. Featuring a stunning cover by Monster Manual and Book of Vile Darkness artist Wayne Reynolds, Tales of Freeport is a must for any fan of the City of Adventure.

[The Pirate's Guide to Freeport](#) Sep 21 2021 Freeport is Green Ronin's signature city setting and has been home to thousands of RPG campaigns since its launch in 2000. Classic fantasy elements, cruel-hearted pirates and Lovecraftian horror come together in the rum-fueled metropolis known as the City of Adventure. Now a new era is beginning. The Pirate's Guide to Freeport is the definitive new sourcebook for the City of Adventure, set 5 years after the events of the original Freeport trilogy. This is a pure setting book, focusing entirely on the people, places, politics, and perils of Freeport and containing no game statistics of any kind. The Pirate's Guide to Freeport can thus be used with any fantasy RPG and Green Ronin will be providing companion products for popular systems like True20 and d20.

Freeport Oct 03 2022 From baymen and oysters to thespians and the LIGHT club, journey through over 300 years of Freeport's history in this photographic tale. Founded in the mid-1650s, Freeport was originally a hamlet of farmers and baymen and was famous for its

oysters. In the late 1880s, developers John J. Randall and his partner, William G. Miller, increased their real estate acreage by filling the lowlands from canals, such as Woodcleft and Randall's Bay. Hotels sprung up, and Freeport became a popular destination, drawing the rich and famous to the area's beautiful beaches and seaside activities. Entertainers found Freeport a perfect place to relax, so in the early 20th century they formed the Long Island Good Hearted Thespian Society (LIGHTS) Club and erected a world-famous clubhouse. Along with a rich entertainment history, boating and fishing (both sport and commercial) abound here. The Nautical Mile is a working port with docks for commercial fishing boats, boat dealers, boutiques, and fabulous restaurants.

Creatures of Freeport Feb 24 2022

Creatures of Freeport is an innovative collection of monsters inspired by Green Ronin's Freeport setting but at home in any world. While there are many bestiaries on the market, there are none like Creatures of Freeport. These monsters are more than simple stat blocks. Each entry also includes Knowledge (what a character knows about a creature from Knowledge skills, Bardic Lore and other sources of information), Uses (details on parts that can be harvested and used by alchemists, spellcasters and others), and Adventure Hooks, many of which come with fully statted NPCs to make the GMs job even easier. With a cover by fan-favorite Wayne Reynolds and interior illustrations by the cream of Green Ronin's artistic roster, Creatures of Freeport is a stunning addition to any collection.
