Sociology Aug 22 2021 This text and reader presents the fundamental concepts and principles of sociology in a highly readable, concise way. It illustrates these core concepts and principles through thought-provoking readings drawn from a variety of classic and contemporary sources.

Social Problems Jun 07 2020 A sociological understanding of social problems. Social Problems: A Down to Earth Approach, 11/e is a theoretically balanced text that provides the latest research and a consistent structure to help students analyze critical social problems facing the United States. The author presents both sides of an argument with a neutral voice and uses a "down-to-earth" writing style. By using this text, not only do students gain a sociological understanding of social problems, but also they are able to explore and evaluate their own opinions about specific social problems. They will gain a greater awareness of the social forces that shape their orientations to social problems and their perspectives on social life. The ideas in this book penetrate students' thinking and help give shape to their views of the world. MySocLab for Social Problems features an engaging student experience including an interactive eText, the New Core Concepts Video Series, the New Social Explorer. Teaching & Learning Experience Personalize Learning – MySocLab is an online homework, tutorial, and assessment program. It helps students prepare for class and instructor gauge individual and class performance. Improve Critical Thinking – Thinking Critically About the Chapter – At the end of each chapter are several questions designed to help students evaluate what they have read. These questions also lend themselves well for stimulating class discussions. Engage Students –Opening

Vignette – Intended to arouse student interest in the social problem and to stimulate the desire to read more, this brief opening story presents essential elements of the social problem. Explore Research –Spotlight on Research boxes – Major researchers in social problems share an insider's perspective of how they became interested in a social problem and how they did their research Explore Theory – The three basic theories – Symbolic interaction theory, functional theory, and conflict theory— are introduced early in the text; giving students the opportunity to immediately grasp the differences of these theories. Support Instructors – MySocLab, Instructor's eText, Instructor's Manual, Test Item File, Electronic "MyTest" Test Bank, PowerPoint Presentation Slides, and Pearson Custom course material are available. Note: MySocLab does not come automatically packaged with this text. To purchase MySocLab, please visit: www.mysoclab.com or you can purchase a ValuePack of the text + NEW MySocLab (at no additional cost): ValuePack ISBN-10: 0205965121 / ValuePack ISBN-13: 9780205965120.

Sociology in Our Times Aug 02 2022 This best-selling comprehensive book conveys the relevance of sociology by presenting a timely collection of theories, research, and examples -- including its signature first-person accounts that open many chapters. These lived experiences are relevant to students and introduce themes that provide a framework for learning the chapter material. Kendall's vivid and inviting writing style, emphasis on applications, and eye for compelling current examples further highlight sociology's relevance to all students. Now in its eleventh edition, **SOCIOLOGY IN OUR TIMES** is acclaimed for being the first textbook to integrate race, class, and gender issues, and for its thorough presentation of sociological theory, including contemporary perspectives such as feminism and postmodernism. This edition focuses more on social/global change and on the contemporary world, presenting such current debates as bullying and social media abuse, digital-age methods to increase school attendance, food trucks and the spread of culture, modern slavery, and weight bias. Death, Society and Human Experience (1-download) May 19 2021 Providing an understanding of the relationship with death, both as an individual and as a member of society. This book is intended to contribute to your understanding of your relationship with death, both as an individual and as a member of society. Kastenbaum shows how individual and societal attitudes influence both how and when we die and how we live and deal with the knowledge of death and loss. Robert Kastenbaum is a renowned scholar who developed one of the world's first death education courses and introduced the first text for this market. This landmark text draws on contributions from the social and behavioral sciences as well as the humanities, such as history, religion, philosophy, literature, and the arts, to provide thorough coverage of understanding death and the dying process. Learning Goals Upon completing this book, readers should be able to: -Understand the relationship with death, both as an individual and as a member of society -See how social forces and events affect the length of our lives, how we grieve, and how we die -Learn how dying people are perceived and treated in our society and what can be done to provide the best possible care -Master an understanding of continuing developments and challenges to hospice (palliative care). -Understand what is becoming of faith and doubt about an afterlife

Sociology: A Brief Introduction Loose Leaf Nov 12 2020 Sociology: A Brief Introduction invites students to take sociology with them in their daily lives. This successful franchise includes strong coverage of race, ethnicity, and globalization. Paired with a personal and adaptive learning experience, students learn to apply sociology's three theoretical frameworks to the world around them. Connect is the only integrated learning system that empowers students by continuously adapting to deliver precisely what they need, when they need it, and how they need it, so that your class time is more engaging and effective.

Sociology in Our Times Jul 29 2019 This cutting-edge, applied book highlights the relevance of sociology by including a diverse collection of theories, research, and "lived experiences" that accurately mirror the diversity in society itself. The author's vivid, applied, personal writing style engages students, and activates compelling everyday examples that make sociology particularly relevant to diverse students. A social issue or application opens each chapter and provides various topics for boxes, features, and examples that are carried throughout the entire chapter. Kendall's text is acclaimed in the field for being the first textbook to integrate race, class, and gender issues; as well as for its thorough presentation of sociological theory, which includes diverse theoretical viewpoints such as feminist and postmodernist theory. Kendall shows students that sociology involves important questions and issues that they confront both personally and vicariously.

Understanding Social Problems Jul 09 2020 This thoroughly revised edition of Mooney, Knox, and Schacht's text uses a theoretically balanced, student-centered approach to provide a comprehensive exploration of social problems. UNDERSTANDING SOCIAL PROBLEMS, Tenth Edition, progresses from a micro to macro level of analysis, focusing first on problems related to health care, drugs and alcohols, families, and crime, and then broadening to the larger issues of poverty and inequality, population growth, aging, environmental problems, and conflict around the world. The social problem in each chapter is framed in a global as well as a U.S. context. In addition, the three major theoretical perspectives are applied to the problem under discussion, and its consequences -- as well as alternative solutions -- are explored.

Pedagogical features such as The Human Side and Self and Society enable students to grasp how social problems affect the lives of individuals and apply their understanding of social problems to their own lives. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

Down to Earth Sociology: 14th Edition Dec 14 2020 For thirty-five years and through thirteen editions, Jim Henslin's Down to Earth Sociology has opened new windows onto the social realities that shape our world. Now in its fourteenth edition, the most popular anthology in sociology includes new articles on our changing world while also retaining its classic must-read essays. Focusing on social interaction in everyday life, the forty-six selections bring students face-to-face with the twin projects of contemporary sociology: understanding the individual's experience of society and analyzing social structure. The fourteenth edition's exceptional new readings include selections on the role of sympathy in everyday life, mistaken perceptions of the American family, the effects of a criminal record on getting a job, and the major social trends affecting

our future. Together with these essential new articles, the selections by Peter Berger, Herbert Gans, Erving Goffman, Donna Eder, Zella Luria, C. Wright Mills, Deborah Tannen, Barrie Thorne, Sidney Katz, Philip Zimbardo, and many others provide firsthand reporting that gives students a sense of "being there." Henslin also explains basic methods of social research, providing insight into how sociologists explore the social world. The selections in *Down to Earth Sociology* highlight the most significant themes of contemporary sociology, ranging from the sociology of gender, power, politics, and religion to the contemporary crises of racial tension, crime, rape, poverty, and homelessness.

Thinking About Women Jun 27 2019

Essentials of Sociology Apr 05 2020 With a combination of up-to-the minute examples, cutting-edge research, and the latest available data, *Essentials of Sociology* gets students thinking sociologically about what they're seeing in the news and on their screens. Highlighting the macro social forces at work in our everyday lives, the authors move students beyond their individual experiences and cultivate their sociological imaginations. Innovative pedagogy promotes active reading and helps students master core sociological concepts. This strong in-text pedagogical program is now supported by InQuizitive, Norton's new formative, adaptive learning tool.

LooseLeaf for Sociology: A Brief Introduction Oct 24 2021 *Sociology: A Brief Introduction* invites students to take sociology with them in their daily lives. This successful, student-friendly program includes strong coverage of race, ethnicity, and globalization. The approachable material encourages students to develop their sociological imaginations and start to think like a sociologist. Paired with Connect, a personal and adaptive learning experience, students learn to apply sociology's three theoretical frameworks to the world around them.

Cengage Advantage Books: Sociology Apr 29 2022 Well respected for its exceptional scholarship, readability, and accessibility, *SOCIOLOGY* is available at an affordable price. With a dynamic critical-

thinking focus and a theoretically balanced presentation, this Advantage book is noteworthy for its use of SQ3R (Survey, Question, Read, Recite, Review), its built-in student study guide, and its solid research orientation to the basic principles of sociology. Fascinating examples of high-interest topics, such as cyber bullying and stratification and the social impact of Hurricane Katrina, as well as current information on race, aging, globalization, religion, and mental health issues, ensure that this latest version of Shepard's respected text is contemporary and relevant. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

Ghetto Aug 29 2019 A New York Times Notable Book of 2016 Winner of the Zócalo Public Square Book Prize On March 29, 1516, the city council of Venice issued a decree forcing Jews to live in il getto—a closed quarter named for the copper foundry that once occupied the area. The term stuck. In this sweeping and original account, Mitchell Duneier traces the idea of the ghetto from its beginnings in the sixteenth century and its revival by the Nazis to the present. As Duneier shows, we cannot comprehend the entanglements of race, poverty, and place in America today without recalling the ghettos of Europe, as well as earlier efforts to understand the problems of the American city. Ghetto is the story of the scholars and activists who tried to achieve that understanding. As Duneier shows, their efforts to wrestle with race and poverty cannot be divorced from their individual biographies, which often included direct encounters with prejudice and discrimination in the academy and elsewhere. Using new and forgotten sources, Duneier introduces us to Horace Cayton and St. Clair Drake, graduate students whose conception of the South Side of Chicago established a new paradigm for thinking about Northern racism and poverty in the 1940s. We learn how the psychologist Kenneth Clark subsequently linked Harlem's slum conditions with the persistence of black powerlessness, and we follow the controversy over Daniel Patrick Moynihan's report on the black family. We see how the sociologist William Julius Wilson redefined the debate about urban America as middle-class African Americans increasingly escaped the ghetto and the country retreated from racially specific remedies.

And we trace the education reformer Geoffrey Canada's efforts to transform the lives of inner-city children with ambitious interventions, even as other reformers sought to help families escape their neighborhoods altogether. Duneier offers a clear-eyed assessment of the thinkers and doers who have shaped American ideas about urban poverty—and the ghetto. The result is a valuable new estimation of an age-old concept.

Sociology Nov 24 2021 The Eighth edition of David Newman's *Sociology: Exploring the Architecture of Everyday Life* once again invites students into the world of sociological thought. Sociology encourages students to think less about the next test and more about how the subject applies to their everyday lives. In addition to updated coverage and fresh examples, this edition features revamped Micro-Macro Connections that have been even further honed to help students understand the link between individual lives and the structure of society.

Sociology: The Core Sep 03 2022 Highly respected for its scholarship and straightforward approach, this text covers core sociological concepts with a brief and accessible presentation at an affordable price. In the eleventh edition, *Sociology* once again comes alive as a vital and exciting field to relate sociological principles to real-world circumstances.

Medical Sociology Sep 30 2019 For upper-division undergraduate/beginning graduate-level courses in Medical Sociology, and for Behavioral Science courses in schools of Public Health, Medicine, Pharmacy, and Nursing. Offers a comprehensive overview of the most current issues in medical sociology. The standard text in the field, this best-selling introduction to medical sociology presents the most recent and relevant ideas, concepts, themes, issues, debates, and research findings. It contains first-person accounts from patients, physicians, and other health care providers. It is based on a worldwide review of the literature and provides the most recent health statistics, data, and studies available while identifying the most important trends and issues. Note: MySearchLab does not come automatically packaged with this text. To purchase MySearchLab, please visit: www.mysearchlab.com or you can purchase a ValuePack of the text + MySearchLab with

Pearson eText (at no additional cost). ValuePack ISBN-10: 0205806449 / ValuePack ISBN-13: 9780205806447

Introduction to Sociology Jan 27 2022 Authored by four leading scholars and teachers, Introduction to Sociology provides an authoritative introduction to basic concepts, major theories, and current research in a streamlined, easy-to-navigate format. A consistent four-part chapter structure makes the reading manageable without sacrificing coverage, while InQuizitive, Norton's award-winning adaptive learning platform, helps ensure students are mastering the content. At the end of every chapter, a discussion of unanswered questions highlights the power of the sociological imagination to help us better understand our complex society.

Sociology in Our Times: The Essentials Mar 29 2022 Current and relevant to today's students, SOCIOLOGY IN OUR TIMES: THE ESSENTIALS, 11th Edition presents the latest available data and new insights on behaviors, beliefs, issues, and trends in our nation and world from a sociological perspective. The new edition of this bestselling text emphasizes the themes of social change, the effects of social media on communication, and the intertwining nature of politics and social policy in the United States and worldwide. Students contemplate such issues as gun control, prevention of military suicides, environmental activism, and whether employers should be allowed to spy on their employees. New You Can Make a Difference boxes help students learn how to become involved in their communities and the world through such projects as campus kitchens and global networking to fight hunger. First-person accounts of individuals' lived experiences draw students into each chapter by illuminating topics that reflect the text's primary themes. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

Introduction to Sociology Feb 25 2022

Social Theory Mar 05 2020 This textbook offers a new approach to understanding social theory. Framed around paired theoretical perspectives on a series of sociological problems, the book shows how distinctive viewpoints shed light on different facets of social phenomena. The book includes sociology's "founding fathers", major 20th-century thinkers and recent voices such as Butler and Zizek. Philosophically grounded and focused on interpretation and analysis, the book provides a clear understanding of theory's scope while developing students' skills in evaluating, applying and comparing theories.

The American Class Structure in an Age of Growing Inequality Dec 02 2019 With the latest data on income, wealth, earnings, and residential segregation by income, *The American Class Structure in an Age of Growing Inequality*, Tenth Edition describes a consistent pattern of growing inequality in the United States since the early 1970s. Focusing on the socioeconomic core of the American class system, author Dennis L. Gilbert examines how changes in the economy, family life, globalization, and politics are contributing to increasing class inequality. New to this Edition "The Class Basis of Trump's Victory" looks at why for the first time since before the 1932 election, the Republican presidential candidate won a greater proportion of the working class vote than the Democratic opponent. Addresses the role of technology and other factors in the decline of manufacturing employment and how the trend is crucial for understanding growing inequality and changes in working class family life. Offers international comparisons to show how the U.S. compares with other wealthy nations on social mobility and poverty, and questions our conception of the U.S. as a uniquely open society.

Soc Notes Oct 31 2019

Urban Sociology and Urbanized Society Jan 03 2020 Focusing on urban sociology as practised in Britain, the author argues that it is a key element in the response of the 'intellectual proletariat' to urbanization and the calls on it by the State to control the ensuing way of life. The themes of urban sociology have been the concerns of the Welfare State and, despite radical inputs, the discipline has remained tied up with the assumptions and methodological precepts of liberalism. The author's contention is that urbanization should be analysed in the framework of the political economy of regional development. This book was first published in 1977.

Introduction to Sociology 2e Feb 13 2021 Introduction to Sociology 2e adheres to the scope and sequence of a typical, one-semester introductory sociology course. It offers comprehensive coverage of core concepts, foundational scholars, and emerging theories, which are supported by a wealth of engaging learning materials. The textbook presents detailed section reviews with rich questions, discussions that help students apply their knowledge, and features that draw learners into the discipline in meaningful ways. The second edition retains the book's conceptual organization, aligning to most courses, and has been significantly updated to reflect the latest research and provide examples most relevant to today's students. In order to help instructors transition to the revised version, the 2e changes are described within the preface. The images in this textbook are grayscale. Authors include: Heather Griffiths, Nathan Keirns, Eric Strayer, Susan Cody-Rydzewski, Gail Scaramuzzo, Tommy Sadler, Sally Vyain, Jeff Bry, Faye Jones

Cengage Advantage Books: Introduction to Sociology Oct 04 2022 Packed with current examples you can easily relate to, Tischler's INTRODUCTION TO SOCIOLOGY, 11E delivers comprehensive, up-to-date coverage in a succinct and affordable format. The author begins by equipping you with tools for success, including tips for how to read, study, and take tests more effectively. A built-in study guide and practice tests ensure thorough understanding. The text threads two basic ideas throughout: sociology is a rigorous,

scientific discipline, and basic knowledge of sociology is essential for understanding social interaction in many work and social settings. With its streamlined 16 chapters, **INTRODUCTION TO SOCIOLOGY**, 11E delivers cutting-edge coverage that is concise yet thorough--and makes sociology completely accessible.
