The Mere Wife Apr 14 2021 New York Times bestselling author Maria Dahvana Headley presents a modern retelling of the literary classic *Beowulf*, set in American suburbia as two mothers—a housewife and a battle-hardened veteran—fight to protect those they love in *The Mere Wife*. From the perspective of those who live in Herot Hall, the suburb is a paradise. Picket fences divide buildings—high and gabled—and the community is entirely self-sustaining. Each house has its own fireplace, each fireplace is fitted with a container of lighter fluid, and outside—in lawns and on playgrounds—wildflowers seed themselves in neat rows. But for those who live surreptitiously along Herot Hall's periphery, the subdivision is a fortress guarded by an intense network of gates, surveillance cameras, and motion-activated lights. For Willa, the wife of Roger Herot (heir of Herot Hall), life moves at a charmingly slow pace. She flits between mommy groups, playdates, cocktail hour, and dinner parties, always with her son, Dylan, in tow. Meanwhile, in a cave in the mountains just beyond the limits of Herot Hall lives Gren, short for Grendel, as well as his mother, Dana, a former soldier who gave birth as if by chance. Dana didn't want Gren, didn't plan Gren, and doesn't know how she got Gren, but when she returned from war, there he was. When Gren, unaware of the borders erected to keep him at bay, ventures into Herot Hall and runs off with Dylan, Dana's and Willa's worlds collide.

Beowulf (MAXNotes Literature Guides) Jun 16 2021 REA's MAXnotes for *The Beowulf Poet's Beowulf* MAXnotes offer a fresh look at masterpieces of literature, presented in a lively and interesting fashion. Written by literary experts who currently teach the subject, MAXnotes will enhance your understanding and enjoyment of the work. MAXnotes are designed to stimulate independent thought about the literary work by raising various issues and thought-provoking ideas and questions. MAXnotes cover the essentials of what one should know about each work, including an overall summary, character lists, an explanation and discussion of the plot, the work's historical context, illustrations to convey the mood of the work, and a biography of the author. Each chapter is individually summarized and analyzed, and has study questions and answers.

The Digressions in Beowulf Jun 04 2020

Dating Beowulf Mar 26 2022 This electronic version has been made available under a Creative Commons (BY-NC-ND) open access license. Featuring essays from some of the most prominent voices in early medieval studies, *Dating Beowulf* playfully redeploys the word 'dating', which usually heralds some of the most divisive critical impasses in the field, to provocatively phrase a set of new relationships with an Old English poem. The volume argues for the relevance of the early Middle Ages to affect studies and vice-versa, offering a riposte to antifeminist discourse and opening avenues for future work by specialists in the history of emotions, literary theorists, students of Old English literature and medieval scholars alike. To this end, the essays embody a range of critical approaches from queer theory to animal studies and ecocriticism to actor-network theory.

Beowulf Jun 24 2019 Who will come to the aid of beleaguered King Hrothgar, whose warriors have become the prey of the vengeful outcast monster Grendel? A grand and glorious story that has endured for centuries, the ageless classic adventure takes on a breathtaking new life in a remarkable new version for a modern era. Brilliantly reimagined by acclaimed, award-winning author Caitlín R. Kiernan, based on the screenplay by #1 New York Times bestseller Neil Gaiman and Academy Award®-winning screenwriter Roger Avary, it is the tale of a noble liege and a terrible creature who has cursed his kingdom with death, blood, and destruction—and of the great hero, Beowulf, who is called to a land of monsters to triumph where so many have failed . . . or to die as so many of the brave before him.

The Transmission of "Beowulf" Nov 21 2021 *Beowulf*, like *The Iliad* and *The Odyssey*, is a foundational work of Western literature that originated in mysterious circumstances. In *The Transmission of Beowulf*, Leonard Neidorf addresses philological

questions that are fundamental to the study of the poem. Is Beowulf the product of unitary or composite authorship? How substantially did scribes alter the text during its transmission, and how much time elapsed between composition and preservation? Neidorf answers these questions by distinguishing linguistic and metrical regularities, which originate with the Beowulf poet, from patterns of textual corruption, which descend from copyists involved in the poem's transmission. He argues, on the basis of archaic features that pervade Beowulf and set it apart from other Old English poems, that the text preserved in the sole extant manuscript (ca. 1000) is essentially the work of one poet who composed it circa 700. Of course, during the poem's written transmission, several hundred scribal errors crept into its text. These errors are interpreted in the central chapters of the book as valuable evidence for language history, cultural change, and scribal practice. Neidorf's analysis reveals that the scribes earnestly attempted to standardize and modernize the text's orthography, but their unfamiliarity with obsolete words and ancient heroes resulted in frequent errors. The Beowulf manuscript thus emerges from his study as an indispensable witness to processes of linguistic and cultural change that took place in England between the eighth and eleventh centuries. An appendix addresses J. R. R. Tolkien's *Beowulf: A Translation and Commentary*, which was published in 2014. Neidorf assesses Tolkien's general views on the transmission of Beowulf and evaluates his position on various textual issues.

Beowulf and Other Old English Poems Jan 24 2022 Unique and beautiful, Beowulf brings to life a society of violence and honor, fierce warriors and bloody battles, deadly monsters and famous swords. Written by an unknown poet in about the eighth century, this masterpiece of Anglo-Saxon literature transforms legends, myth, history, and ancient songs into the richly colored tale of the hero Beowulf, the loathsome man-eater Grendel, his vengeful water-hag mother, and a treasure-hoarding dragon. The earliest surviving epic poem in any modern European language. Beowulf is a stirring portrait of a heroic world—somber, vast, and magnificent.

Beowulf the Warrior Aug 31 2022 The Anglo-Saxon poem recounting the story of Beowulf's battle with the monster, Grendel, is retold in the style of modern verse

Contradictions: From Beowulf to Chaucer Dec 23 2021 This volume brings together a series of key essays by Larry D Benson, well-known for his work in editing the Riverside Chaucer. Of the studies selected, the opening three deal with Old English, recasting the possibilities for the critical study of Beowulf, above all the relation between oral and written literary production. The following ten essays turn to Middle English literature, with the focus first on Chaucer, and the evolution of his works and his language, then on the social and cultural context of medieval chivalric texts. Throughout, Professor Benson approaches his subjects with a skeptical intent, even a seeming contrariness in seeking to contradict received views, but in fact with the purpose of questioning in order to understand more deeply. Scattered in their original publications, and with one hitherto unpublished, together these studies present a powerful argument for this questioning approach to fundamental issues and constitute a major contribution to the study of the literary and cultural history of the medieval world. Larry D Benson is Francis Lee Higginson Professor of English, Harvard University.

Beowulf May 28 2022 Presents a new translation of the Anglo-Saxon epic chronicling the heroic adventures of Beowulf, the Scandinavian warrior who saves his people from the ravages of the monster Grendel and Grendel's mother.

A Companion to Beowulf Apr 02 2020 Overviews the background, plot, themes, and language of Beowulf and discusses the poem's afterlife in contemporary popular culture.

Critical Approaches to Six Major English Works Mar 02 2020 In each of these six essays, treating the greatest literary accomplishments of medieval and renaissance England, the author is concerned with the literary work as a whole and with a survey of recent critical approaches to it. Beowulf, by R. E. Kaske; The Canterbury Tales, by Richard L. Hoffman; Le Morte Darthur, by Larry D. Benson; The Faerie Queen, by A. C. Hamilton, King Lear, by Ernest William Talbert; and Paradise Lost, by Irene Samuel.

Beowulf Jun 28 2022

Beowulf May 04 2020 Beowulf is an Old English epic poem based on the tradition of Germanic heroic legend. The story was set in pagan Scandinavia in the 6th century. Beowulf, a mystical hero of the Geats, comes to the aid of Hrothgar, the king of the Danes. His mead hall in Heorot has been under attack by the monster Grendel. Beowulf opposes Grendel and kills him, becoming a folk hero.

English Prose and Verse from Beowulf to Stevenson Oct 28 2019

Beowulf Jul 30 2022 Hrothgar, King of the Danes, invites warriors from neighboring kingdoms to his great mead hall with the hope that one of them will solve his problem. A monster named Grendel has been terrorizing the land and killing his people. One of the warriors who answers this call is our epic hero, Beowulf. The Beowulf Manuscript, also known as the Nowell Codex, dates back to the late 10th century or early 11th century and is the only copy in existence. In 1731, the manuscript was damaged from the Cotton Library fire, making several lines in the poem unreadable. Today, with the help of modern technology, advanced techniques are being used not only to preserve the document from further degradation but also to reveal missing letters. All this is done to ensure that this epic story will continue to live on for many more generations. This book is part of the Standard Ebooks project, which produces free public domain ebooks.

Beowulf (Bilingual Edition) Jul 06 2020 New York Times bestseller and winner of the Whitbread Award. Composed toward the end of the first millennium, Beowulf is the elegiac narrative of the adventures of Beowulf, a Scandinavian hero who saves the Danes from the seemingly invincible monster Grendel and, later, from Grendel's mother. He then returns to his own country and dies in old age in a vivid fight against a dragon. The poem is about encountering the monstrous, defeating it, and then having to live on in the exhausted aftermath. In the contours of this story, at once remote and uncannily familiar at the beginning of the twenty-first century, Nobel laureate Seamus Heaney finds a resonance that summons power to the poetry from deep beneath its surface. Drawn to what he has called the "four-squareness of the utterance" in "Beowulf" and its immense emotional credibility, Heaney gives these epic qualities new and convincing reality for the contemporary reader.

Beowulf Feb 10 2021

Omnibus II Jan 12 2021

Heroic Identity in the World of Beowulf Sep 19 2021 In exploring the identities of foreign fighters seeking glory abroad, this revisionist book challenges the traditional view of Beowulf as a "hero." Beowulf emphasizes the obligations attending excellence and the temptation of power, both personal and civic.

The Canadian Magazine Dec 11 2020

English Literature from Beowulf to Bernard Shaw Oct 09 2020

Beowulf (Bilingual Edition) Jan 30 2020 Presents a new translation of the Anglo-Saxon epic chronicling the heroic adventures of Beowulf, the Scandinavian warrior who saves his people from the ravages of the monster Grendel and Grendel's mother.

The Seafarer Sep 07 2020

Grendel Aug 19 2021 The first and most terrifying monster in English literature, from the great early epic Beowulf, tells his own side of the story in this frequently banned book. This classic and much lauded retelling of Beowulf follows the monster Grendel as he learns about humans and fights the war at the center of the Anglo Saxon classic epic. This is the book William Gass called "one of the finest of our contemporary fictions."

Beowulf Feb 22 2022 A retelling in graphic format of the Anglo-Saxon epic about the heroic efforts of Beowulf, son of Edgetheow, to save the people of Heorot hall from the terrible monster, Grendel.

Beowulf: Scholar's Edition Revised Jul 26 2019

From Beowulf to Doctor Johnson Oct 21 2021

From Beowulf to Blake Sep 27 2019

The Canadian Magazine of Politics, Science, Art, and Literature Nov 09 2020

Beowulf Nov 02 2022 Finest heroic poem in Old English celebrates the exploits of Beowulf, a young nobleman of southern Sweden. Combines myth, Christian and pagan elements, and history into a powerful narrative. Genealogies.

By Weapons Made Worthy Aug 26 2019 In this book Jos Bazelmans offers a new perspective on the relationship between lord and retainer in early medieval society. This perspective goes beyond established politico-economic interpretations and aims for an interpretation of this relationship in ritual-cosmological terms. Drawing on recent developments within French structuralist anthropology and the anthropology of gift exchange, Bazelmans develops a new model of early medieval socio-political structure (as represented in Old English Beowulf) which explicitly deals with exchange relations between the living and the supernatural, the commensurability of subject and object in gift exchange, and the whole set of interdependent life-cycle rituals of lords and their warrior-followers. The value of gifts is considered to be determined not only by their function within a competitive game about prestige, status and power, but also by its equivalence with a constituent. The value of the gift is fundamental to the noble person and develops through a man's life-time. It is, ultimately, of a supernatural origin. The model enables us to understand certain acts at Beowulf's funeral pyre which at first sight appear to be no more than an ethnographic curiosity (Beowulf 3111b-3114a). The warrior's contributions to his pyre form the concluding part of a grand ritual undertaking in which society as a whole is involved and in which the constitution of the noble person, and the disarticulation of that person at his death, is realized. This ritual undertaking goes beyond the politico-economic concerns of the participants which are central to established power-based models of early medieval societal structure. The volume includes an extensive overview of the anthropology of gift exchange.

The Origins of Beowulf Jul 18 2021 This book suggests that the Old English epic Beowulf was composed in the winter of 826-7 as a requiem for King Beornwulf of Mercia on behalf of Wiglaf, the ealdorman who succeeded him. The place of composition is given as the minster of Breedon on the Hill in Leicestershire (now Derbyshire) and the poet is named as the abbot, Eanmund. As well as pinpointing the poem's place and date of composition, Richard North raises some old questions relating to the poet's influences from Vergil and from living Danes. Norse analogues are discussed in order to identify how the poet changed his heroic sources while four episodes from Beowulf are shown to be reworked from passages in Vergil's Aeneid. One chapter assesses how the poem's Latin sources might correspond with what is known of Breedon's now-lost library while another seeks to explain Danish mythology in Beowulf by arguing that Breedon hosted a meeting with Danish Vikings in 809. This fascinating and challenging new study combines careful detective work with meticulous literary analysis to form a case that no future investigation will be able to ignore.

Study Guide to Beowulf Aug 07 2020 A comprehensive study guide offering in-depth explanation, essay, and test prep for Beowulf, considered by some to be representative of the earliest stage in the development of oral poetry. As one of the most well-known works of early Anglo-Saxon literature, Beowulf is one of the earliest records of standard Old English. Moreover, this epic is studied for its use of fusing pagan and Christian elements through the lens of a hero's struggles. This Bright Notes Study Guide explores the context and history of Beowulf as a classic work, helping students to thoroughly explore the reasons it has stood the literary test of time. Each Bright Notes Study Guide contains: - Introductions to the Author and the Work - Character Summaries - Plot Guides - Section and Chapter Overviews - Test Essay and Study Q&As The Bright Notes Study Guide series offers an in-depth tour of more than 275 classic works of literature, exploring characters, critical commentary, historical background, plots, and themes. This set of study guides encourages readers to dig deeper in their understanding by including essay questions and answers as well as topics for further research.

The Canadian Magazine of Politics, Science, Art & Literature Mar 14 2021

Test of English as a Foreign Language Internet-Based Test Prep Plus, 2018-2019 Dec 31 2019 Provides strategies, tips, and four practice tests covering listening, reading, writing, and speaking skills and is thematically arranged by history, science, education, business, social science, arts, technology, and entertainment.

Beowulf's Ecstatic Trance Magic Apr 26 2022 Use ecstatic trance to journey to the time of Beowulf and learn first hand the

ancient magic of the early Nordic people • Reveals a hidden side to the epic of Beowulf through the perspective of Queen Wealhtheow • Shows how Grendel respected and would not harm Queen Wealhtheow because she practiced the ancient magic of the Mother Goddess Freyja • Explains how the magic practices of Queen Wealhtheow provide a blueprint for our emergence from the warlike nature of the past millennia into a time of peace and compassion for our Great Mother Earth Using the altered state of ecstatic trance to access the memories of the Universal Mind, Nicholas Brink takes us back to ancient Scandinavia, to the time of the epic of Beowulf, the oldest piece of literature written in the English language. Sharing his ecstatic trance techniques along the way, his journey allows us to re-experience the life and shamanic practices of Queen Wealhtheow, the wife of King Hrothgar, the king rescued by Beowulf from the torment of the monster Grendel. Revealing a hidden side to the epic of Beowulf, Brink details how Grendel respected and would not harm Queen Wealhtheow and her teacher Vanadisdotir, a priestess of the goddess Freyja, for they practiced the ancient magic of the earlier hunter-gatherer era when the Great Mother Earth was worshipped. In the time of the queen the peaceful and compassionate traditions of this era were becoming forgotten, succumbing to settlements, kingdoms, and territorial disputes. We gain first-person experience of Wealhtheow and Vanadisdotir's veneration of the Great Mother and the ancient magic of the early Nordic people as practiced by the seiðr workers, seers, and spirit travelers, the shamans of the time. These practices include divination through the goddess Freyr, contacting Bear spirits, and spirit journeying to various realms. As we experience our own time of transition and turmoil much like that of Beowulf's time, Nicholas Brink reveals how the original magic of our ancestors, as practiced by Queen Wealhtheow, provides a blueprint for our emergence from the warlike nature of the past into a time of peace and compassion for our Great Mother Earth.

Beowulf Oct 01 2022 REA's MAXnotes for William Shakespeare's Othello The MAXnotes offers a comprehensive summary and analysis of Othello and a biography of William Shakespeare. Places the events of the play in historical context and discusses each act in detail. Includes study questions and answers along with topics for papers and sample outlines.

Beowulf Nov 29 2019 " 'Tis better to die than to live in shame." The oldest existing story written in Old English, "Beowulf" is the classic tale of courage and honor. In the Great Hall of Hrothgar, King of the Danes, the warrior Beowulf, son of a Swedish King, wages battle with the monster Grendel. The introduction contains a short history of the English language and a description of Anglo-Saxon culture.

A Critical Companion to Beowulf May 16 2021 A generous, energetic, engaging work... will be important to Beowulf study for years to come. THE MEDIEVAL REVIEW
