csb gp1272f2 12 volt 7 2 amp hour sealed lead acid battery Nov 02 2022 dec 28 2013
first the good news the battery is indeed a csb battery with the correct labeling and markings i

charged it up with no load overnight and tested it in my ups with a 60w incandescent light with the power removed the ups kept the light lit for more than twenty minutes with no indication of getting near depletion
